I've owned and operated the Cheerful Tortoise since 2008, after working my way up as a server in 1999. Having survived COVID shutdowns as a restaurant owner in downtown Portland, I want to make sure Clackamas County leads the way in protecting our community from needless shutdowns of our schools and businesses. Our continued success as a community is going to be driven by those willing to get up early and stay late to do the work to keep Clackamas County a fabulous place to live, work and play.

A secure and peaceful County

We've done a good job keeping up on violent crime in the county, but we need to do more to support our police officers and prosecutors when it comes our dilemma of dependency, homelessness and property crime. Causing low level offenders to clean-up graffiti or homeless encampments seems like a common sense outcome that we should be able to implement to keep our county beautiful.

70

Free and easy highway travel

Tolls don't belong in Clackamas County. I stand in solidarity with our citizens to support any mechanism at our disposal to shutter the Abernethy Bridge toll booths before they're built.

35

Safeguard seniors and families from rising taxes

Fixed incomes and skyrocketing taxes and fees just don't mix. I'd like to explore programs to freeze property taxes for seniors to keep them in their homes.
