BACKGROUND:

The Social Services Division (SSD) of the Health, Housing and Human Services Department requests the authorization to execute a grant award agreement with the U.S. Department of Housing and Urban Development for the Housing our Heroes Program.

This program will provide housing assistance, supportive services, and case management to chronically homeless households with at least one person who has served in the military. These funds allow SSD to secure permanent housing through the payment of deposits and rental assistance. Approximately 18 households will be assisted annually.

The application for this grant was submitted to HUD as part of the annual CoC NOFO application last fall and was approved with all Continuum of Care grant applications by the Board at the 9-30-2021 Board meeting. County Counsel has approved the agreement.

RECOMMENDATION:

Staff recommends the Board approve the grant agreement and authorize Commissioner Tootie Smith, Chair, to sign all documents necessary to accomplish this action on behalf of the Board of County Commissioners.

Respectfully submitted,

Rodney A. Cook

Pre-award Costs for Continuum of Care Planning

The Recipient may, at its own risk, incur pre-award costs for continuum of care planning awards, after the date of the HUD selection notice and prior to the effective date of this Agreement, if such costs: a) are consistent with 2 CFR 200.458; and b) would be allowable as a post-award cost; and c) do not exceed 10 percent of the total funds obligated to this award. The incurrence of pre-award costs in anticipation of an award imposes no obligation on HUD either to make the award, or to increase the amount of the approved budget, if the award is made for less than the amount anticipated and is inadequate to cover the pre-award costs incurred.

These provisions apply to all Recipients:

If any new projects funded under this Agreement are for project-based rental assistance for a term of fifteen (15) years, the funding provided under this Agreement is for the performance period stated herein only. Additional funding is subject to the availability of annual appropriations.

The budget period and performance period of renewal projects funded by this Agreement will begin immediately at the end of the budget period and performance period of the grant being renewed. Eligible costs incurred between the end of Recipient's budget period and performance period under the grant being renewed and the date this Agreement is executed by both parties may be reimbursed with Grants Funds from this Agreement. No Grant Funds for renewal projects may be drawn down by Recipient before the end date of the project's budget period and performance period under the grant that has been renewed.

For any transition project funded under this Agreement the budget period and performance period of the transition project(s) will begin immediately at the end of the Recipient's final operating year under the grant being transitioned. Eligible costs, as defined by the Act and the Rule incurred between the end of Recipient's final operating year under the grant being transitioned and the execution of this Agreement may be paid with funds from the first operating year of this Agreement.

HUD designations of Continuums of Care as High-performing Communities (HPCS) are published in the HUD Exchange in the appropriate Fiscal Years' CoC Program Competition Funding Availability page. Notwithstanding anything to the contrary in the Application or this Agreement, Recipient may only use grant funds for HPC Homelessness Prevention Activities if the Continuum that designated the Recipient to apply for the grant was designated an HPC for the applicable fiscal year.

The Recipient must complete the attached "Indirect Cost Rate Schedule" and return it to HUD with this Agreement. The Recipient must provide HUD with a revised schedule when any change is made to the rate(s) included in the schedule. The schedule and any revisions HUD receives from the Recipient will be incorporated into and made part of this Agreement, provided that each rate included satisfies the applicable requirements under 2 CFR part 200 (including appendices).

This Agreement shall remain in effect until the earlier of 1) written agreement by the parties; 2) by HUD alone, acting under the authority of 24 CFR 578.107; 3) upon expiration of the budget period and performance period for all projects funded under this Agreement; or 4) upon the expiration of the period of availability of Grant Funds for all projects funded under this Agreement.

HUD notifications to the Recipient shall be to the address of the Recipient as stated in the Recipient's applicant profile in e-snaps. Recipient notifications to HUD shall be to the HUD Field Office executing the Agreement. No right, benefit, or advantage of the Recipient hereunder may be assigned without prior written approval of HUD.

The Agreement constitutes the entire agreement between the parties, and may be amended only in writing executed by HUD and the Recipient.

By signing below, Recipients that are states and units of local government certify that they are following a current HUD approved CHAS (Consolidated Plan).

This agreement is hereby executed on behalf of the parties as follows:
