**EXECUTIVE SUMMARY:**

Street lighting is a condition of approval for new developments within Clackamas County Service District No. 5 (CCSD5). As such, it has been included as a condition of approval for this development. Commercial/multi-family assessment areas may be comprised of few tax lots, but they frequently encompass significant stretches of road frontage in areas that will benefit significantly from street lighting.

Notice of the time and place of this hearing was mailed by first class mail to the current addresses as listed by the Clackamas County Assessment office. The notice specifically noted that a public hearing was scheduled for January 26, 2023, to hear objections or to file a remonstrance against the approval of the new assessment area. Pursuant to statute, a minimum of 50% of the affected property owners must remonstrate to deny the formation of the new assessment area.

**RECOMMENDATION:**

If remonstrance’s from more than 50% of the property owners in the proposed assessment area for street lighting **are not** received by the end of the public hearing, it is recommended that the Board of County Commissioners, acting in the capacity of governing board for CCSD5, approve this Order which will allow CCSD5 to proceed with the formation of a new assessment area for street lighting.

Respectfully submitted,

*Dan Johnson*
