REQUEST FOR PROPOSALS #2017-78
**Third Party Administration for
340B Claims Management of Pharmacy Services**

RESPONSE TO CLARIFYING QUESTIONS #2
November 7, 2017

Note that these are questions submitted by interested firms to the above referenced solicitation. The below answers are for clarification purposes only and in no way alter or amend the RFP as published.

In reviewing RFP #2017-78, page 14, prior to section 5.2, it states, **“Provide the following information in the order in which it appears below:”**

Section 5.2 contains 5 bullet points which require a response.

However Section 5.3 simply says “Scope of Work” without any bullet points.

Section 5.4 also says “Scope of Work” but has 11 questions which require a response.

Finally, Section 3.3 also says “Scope of Work” with 17 requirements which require a response.

Can you please clarify how your team would like the above to be ordered within our response?

Answer: Please omit title ONLY of Section “5.3 Scope of Work” in its entirety. All numbering thereafter in Section 5 should be adjusted to reflect accordingly. Section 3.3 “Scope of Work” states project expectations. Please only respond to questions in their entirety in your proposal from Section 5.
