1309 MODIFICATION

1309.01 APPROVAL CRITERIA

A modification to an approved Type II or III land use permit, or conditions thereto, requires review as a Type II application pursuant to Section 1307 and shall be subject to the following standards and criteria:

A. A modification shall be consistent with the prior approval;

B. A modification shall be consistent with all Ordinance provisions in effect on the date the modification request is submitted; and

C. A modification shall not result in any of the following:

1. A change in the type of use (e.g. commercial, industrial, institutional);

2. An increase of greater than 25 percent of the original approved building floor area;

3. An increase of greater than 25 percent of the original approved lot coverage;

4. An increase in the density of development (residential or recreational uses), or intensity of use, as demonstrated by a change in occupancy rating requiring substantial modifications to structures;

5. An increase in traffic congestion or use of public facilities;

6. A reduction in approved open space;

7. A reduction of off-street parking spaces or loading berths, except as provided under Section 1015; or

8. A reduction in required pavement widths or a change in major access locations, except as required by the County.

1309.02 APPROVAL PERIOD AND TIME EXTENSION

Approval of a modification shall be subject to the same approval period and time extension provisions as the application type modified by the approval.
