Please find the enclosed Register of Candidates for the August 11, 2020 Special Election for the City of Portland.

On May 19, 2020, two candidates were nominated in the City's Primary Election, which was also the City's first nominating election to fill the remainder of the term for the Commissioner, Position No. 2.

The City Charter, under Section 2-206, governs the City's process to fill the remainder of a term following a vacancy in elected office. In particular, the Charter requires that the City fill the remainder of the 2018-2022 term for a Commissioner by calling for two special elections for the purpose of nomination or election to that office.

On January 8, 2020, in [Resolution No 37472](#), Council set the special nominating election to coincide with the statewide Primary on May 19, 2020. If no candidate received a majority of votes at that election, Council set a special runoff election for August 11, 2020.

This statement certifies that the following candidates, as determined by the official canvas of votes filed by each County in the City of Portland, should appear on the August 11, 2020 Special Election ballot.

Thank you,

Signature Redacted
