### Summer Food Service Program

The Summer Food Service Program also known as "Summer Meals" is available in hundreds of communities throughout Oregon, offering free meals and snacks to ALL kids 1-18. Community summer meal programs are open to all families without paperwork, income verification, and regardless of immigration status. To receive a meal, kids can just drop in during a site's designated meal times. Many programs also offer fun activities so kids can stay active and keep learning.

### Find a Site Near You

Each summer, Oregon hosts summer meal sites for kids 1-18 all over the state. Summer meal programs may serve a combination of breakfast, lunch, snack, or supper. Some programs also offer learning activities for kids before and after meals. There are several ways to find meal sites in your area.

**Call 2-1-1 and an operator can help you find a site in your area and provide you information about that site.**

**Text "Food" or "Comida" to 304-304; you will be prompted to enter an address and will be texted back a list of sites near you**

**Use the [USDA Summer Meals Site Finder](#) following the instructions below to search for information about sites within your selected area.**
