PREAMBLE

This agreement is entered into by Clackamas County, Oregon, herein after referred to as the County, and the Water Environment Services Employees of Clackamas County affiliated with Local 350 and Council 75 of the American Federation of State, County and Municipal Employees, AFL-CIO, hereinafter referred to as the Union.

The parties agree as follows:

ARTICLE 1 – DEFINITIONS

1. CONFIDENTIAL EMPLOYEE

2. EMERGENCY

An unforeseen or unusual circumstance or a combination of circumstances which, in the opinion of the County, calls for immediate action.

3. SUPERVISORY EMPLOYEE

As defined in Oregon Revised Statute 243.650.

4. TEMPORARY EMPLOYEE

Any non-regular employee appointed to a position of six (6) months duration or less. These employees are not part of the bargaining unit. At the time of hire of any temporary employee, the County shall notify the Union of the temporary employee and the employee's beginning and ending dates of employment.

5. REGULAR EMPLOYEE

An employee who has successfully completed their initial probationary period from date of appointment to a regular position.

6. REGULAR PART-TIME EMPLOYEE

A regular employee who works less than full time, but works at least one-thousand forty (1040) hours per year.

7. SHOP STEWARDS

Employees selected by the Union to act as Union Representatives shall be known as "stewards". The names of employees selected as stewards and the names of other Union representatives who may represent employees shall be certified in writing to the County by the Union.

8. PROBATIONARY PERIOD FOR INITIAL HIRE

For new hires the probationary period shall be defined as twelve (12) months from the date of appointment to a regular position.

9. PROBATIONARY PERIOD FOLLOWING ACCEPTANCE OF ANOTHER POSITION

For regular status employees who are appointed to another position in the County, the probationary period shall be defined as six (6) months from the date of appointment to the new position.

10. FAMILY MEMBER

Family members as defined by applicable state or federal law.

ARTICLE 2 – RECOGNITION

The County recognizes the Union as the sole and exclusive bargaining agent for the purposes of negotiation with the County for all regular and regular part-time employees that are or will come under the jurisdiction of the Water Environment Services, a Department of Clackamas County, with the exception of confidential or supervisory employees as defined by ORS 243.650 and employees who work less than one-thousand forty (1040) hours per year.

ARTICLE 3 – PRESERVATION OF PUBLIC RIGHTS

The Union recognizes that an area of responsibility must be reserved to the County if County government is to effectively serve the public. Therefore, the County shall have the full and complete right to manage and to direct its business, and it is recognized that the following responsibilities of management are exclusively functions to be exercised by the County and are not subject to negotiation except as modified by the specific terms of this agreement.

By way of illustration and not by way of limitation, these rights include:

- A. The determination of the governmental services to be rendered to the citizens of Clackamas County.
- B. The determination of the County's financial, budgetary and accounting procedures.
- C. The management and direction of the work force including, but not limited to, the right to determine the methods, processes and manner of performing work; the right to hire, promote, transfer within the same pay range and retain employees; the right to discipline or discharge for proper cause; the right to lay off for lack of funds or for other legitimate reasons; the right to abolish positions or reorganize the sections or divisions; the right to determine schedules of work; the right to purchase, dispose and assign equipment or supplies; the right to determine levels of staffing, assign personnel and distribute overtime; the right to make, publish and enforce rules and regulations; and the right to contract or subcontract any work.
- D. The right to declare emergencies and suspend the appropriate provisions of the contract during the time of the declared emergency, provided that wage rates and monetary fringe benefits shall not be suspended.
- E. The right in times of financial exigency to lay off or reduce the work week with corresponding wage and fringe benefit reduction, or furlough employees without pay after giving the Union at least thirty (30) calendar days' notice of the intended action. In situations due to external circumstances beyond the County's control where the County has less than thirty (30) days' notice, the Union will be notified as soon as possible after the County receives notice. This language does not apply to normal layoff situations which would be covered under Article 17 (Layoff). The reduction in work week or furloughing of employees shall not result in the loss of insurance benefits provided under Article 12 – Health and Welfare or sick and vacation accrual. Vacation leave, sick leave, personal holiday, or compensatory time off may not be used outside a reduced work week or during an unpaid furlough period. The County shall be required to dismiss or not schedule to work any temporary employee performing similar type work prior to furloughing any regular, provisional or probationary employee.

ARTICLE 4 – UNION RIGHTS

1. BULLETIN BOARDS

The County agrees to furnish and maintain a suitable bulletin board at each staffed location in the Water Environment Services Department. Bulletin boards shall only be used to post information relevant to County and Union business. The Union shall limit its posting of notices and bulletins to such bulletin boards. The County shall make a good faith effort to post all available County job openings on or before the opening date. The bulletin boards shall be the official place for such postings. The “Clackamas County Job Opportunities (CCJO)” email traditionally delivered on Thursdays will serve as a proper means of notice under this article.

However, if notification of a WES job opening is delivered by CCJO or other WES email, then the job opening will remain open not less than six (6) calendar days from the date of the WES email notice.

2. UNION REPRESENTATIVES

The Union shall advise the County in writing of all the names of employees who are serving as Union representatives/Stewards. The County shall recognize only employees designated as Union representatives/Stewards, Council representatives, or International Union representatives as official representatives in the administration of this agreement. Said list shall be updated as necessary.

3. VISITS BY UNION REPRESENTATIVES

The County agrees that representatives of the Union, whether Local Union representatives, Council representatives, or International Union representatives, shall have access to the premises of the County to conduct Union business.

4. NEGOTIATING SESSIONS

The Board of County Commissioners or its designee(s) shall meet at mutually convenient times with the Union negotiating committee. The Union negotiating committee shall consist of not more than four (4) members selected by the Union. Employees participating in Union-County negotiation sessions shall be permitted to do so without prejudice to their compensation, subject to advance notice to the County of the nature, purpose and extent of the session.

5. AGREEMENT PUBLICATION COSTS

Copies of the Agreement shall be made available to the parties provided that any and all costs and expenses incurred in the publication or duplication of same shall be borne by the Union and County equally.

6. LABOR/MANAGEMENT COMMITTEE

The County and the Union agree to the establishment of a joint labor/management committee. The committee shall meet at least once each quarter and, upon agreement, may meet at any other time. The committee meetings shall be held during working hours and without loss of pay. The committee is a vehicle for communication on pending

grievances, procedures for avoiding grievances, and to promote harmonious labor/management relations.

- A. to arrange a date, time and location for a meeting concerning the meaning, interpretation or application of this Agreement;
- B. to ask a question regarding the meaning, interpretation, or application of this Agreement;
- C. to present a grievance regarding the meaning, interpretation or application of this Agreement; or
- D. to request Union representation in matters concerning the meaning, application or interpretation of this Agreement.

It is understood that there is no expectation of confidentiality or privacy concerning communications sent over the County email system, and that the County reserves the right to access and disclose all messages sent over the County email system for any purpose.

The County email system will not be used for political purposes at any time, and this limitation shall override any of the permissible uses of the email system listed above. “Political purposes” shall include matters related to support or opposition to candidates or measures in any election (i.e., County elections, Union candidate elections, or otherwise).

8. NEW EMPLOYEE ORIENTATION

The County will notify the Union monthly of all new employees who are members of the bargaining unit. The Union will be allowed to hold one (1) thirty (30) -minute meeting on County paid time in total per month to orient all new Union members. One (1) Union member will be allowed work time to lead the orientation process. This orientation meeting

will be coordinated with the Department Director or designee with the intent on selecting a time and County location with the least impact on business. Attendance by the employees is voluntary and it is the Union's responsibility to notify the new employee of the meeting time and place.

9. TEMPORARY EMPLOYMENT WITH THE UNION

Upon request of the Union, the County may grant a leave of absence for an employee to engage in temporary employment with the Union. The Union and the County shall enter into a Memorandum of Agreement (MOA) that describes the terms and conditions of temporary employment with the Union.

10. UNION STEWARDS TIME

Union officials and Stewards may investigate and process grievances during working hours within reasonable limits without loss of pay. In addition, Union stewards will be released during their normal working hours, without loss of pay, to prepare for and attend meetings within the Steward's bargaining unit and for the following representational activities: Management scheduled investigatory interviews and pre-disciplinary meetings; new employee orientation; informal grievance resolution meetings, grievance meetings, mediation sessions, alternative dispute resolution meetings and arbitration hearings and held during their work time; and Labor Management Committees, Safety Committees and other joint labor/management forums.

The Union steward will provide reasonable notice to the supervisor before attending any meeting or hearing during the employee's work hours. The Union Steward will record their time spent under this provision as Union Business on their time sheet.

11. EMPLOYEES TIME

Employees will be provided a time during their normal working hours to meet with the Union Steward and/or Council Representative to process and report a potential grievance. In addition, employees will be released during their normal working hours to prepare for and attend meetings or hearings for the following:

- A. Grievance resolution meetings, grievance meetings, alternative dispute resolution meetings, mediation sessions and arbitration hearings held during his or her work time;
- B. When an employee is subpoenaed or otherwise required to testify as a witness on behalf of the Union in an arbitration case, the employee may appear without loss of pay if the employee appears during their work time;
- C. Management scheduled investigatory interviews and/or pre-disciplinary meetings;
- D. Labor Management Committees when the employee has been selected by the Union to be a member; and
- E. Negotiations when the employee has been selected by the Union to be a member of the Union bargaining team.

12. LUNCH AND LEARNS

The Employer will support lunch and learns by the Union by providing space for such lunches, subject to room availability, and by directing supervisors to be flexible with employees' scheduled lunch breaks to allow employee attendance, as work needs allow and in compliance with Article 7 – Hours of Work, Section 4 – Flexible Work Schedule.

ARTICLE 5 – UNION CHECK-OFF

All employees covered by the terms and conditions of this Agreement shall have the voluntary choice of whether to become members of the Union. The County agrees to deduct dues in an amount determined by the Union from the wages of each employee who chooses to become a member of the Union in accordance with the terms of the contract between the employee and the Union. The County agrees to deposit the total amount deducted from all members into an established account designated by the Union, on a monthly basis.

Such uniform amounts as the Union Treasurer certifies to the County as the monthly dues approved by the members of the Union shall remain as the reasonable amount to be deducted hereunder.

Employees terminating with less than ten (10) working days in any calendar month will not be subject to dues deduction.

The County will not be held liable for checkoff errors, but will make proper adjustments with the Union for errors as soon as is practicable if notified within ten (10) days of the error. In no case shall such an adjustment extend beyond the following pay period. In order for both parties to have adequate information on dues checkoff, an updated list of eligible members of the bargaining unit will be delivered to the Union. Such list shall include all members paying dues in the previous pay period.

The Union agrees to indemnify and hold the County harmless from and against any and all claims, suits, orders or judgments brought against the County as a result of the County's compliance with the provisions of this Article and to reimburse any fees, costs or expenses incurred by the County in connection with the same.

The County shall furnish monthly to the Union an electronic list of new employees who have accepted positions represented by the Union along with anticipated start dates. The list shall contain the name, job title, employee identification number, address, phone number, department, and monthly salary.

ARTICLE 6 – PEOPLE and AVIP

To the extent allowable by law, employees may authorize payroll deductions for the AFSCME PEOPLE (Public Employees Organized to Promote Legislative Equality) or AVIP (AFSCME Values in Practice). The Union agrees to provide the Employer a listing of employees that are making PEOPLE and/or AVIP contributions and amount deducted per employee on a monthly basis in the same report it provides to the County for dues deduction as required by Article 5.

All PEOPLE Contributions shall be voluntary and may be revoked at any time by giving written notice to the Union and the County. It is expressly understood that PEOPLE contributions are not required as a condition of employment.

The Union shall indemnify and save the County harmless against any and all claims, damages, suits or other forms of liability which may arise out of any action taken or not taken by the County for the purpose of complying with the provisions of this Article.

ARTICLE 7 – HOURS OF WORK

1. REGULAR HOURS

The regular hours of work each day shall be consecutive except for interruptions for lunch period and emergencies.

2. WORK WEEK

The work week shall be set by the County, but in no event would the regularly scheduled work week exceed forty (40) hours. The County will not set work weeks so that employees will have less than two (2) consecutive days off. It is mutually agreed that whenever possible, consistent with the needs of the County, the County will consider the requests of the Union to change or modify existing work schedules.

3. WORK DAY AND WORK SCHEDULES

All employees shall be scheduled to work on a regular work shift, and each work shift shall have regular starting and quitting times except as modified by an approved flexible work schedule (see Section 4 of this Article). Work schedules showing the employees' shifts, work days, and hours shall be posted electronically at all times. Changes of work schedules, shift or station assignments shall be posted fourteen (14) calendar days prior to change. Overtime as a result of emergency responses or project specific work that is required to be performed outside the regular work shift does not constitute a change in the employee's regular schedule under this section.

A Union representative, or designee, and supervisor may agree to waive the posting requirement.

Employees that transition onto a new regular set schedule or shift and who do not receive two (2) consecutive days off will be compensated at the overtime rate for hours worked on the first scheduled work day of the new schedule or shift.

The County and the Union recognize that in order to adequately serve the public, the employee and supervisor may mutually agree in writing to a schedule other than the standard County schedule, provided that: the agreed upon schedule is consistent with the needs of the County; the schedule does not establish a work day that is less than four (4) hours nor more than ten (10) hours; the schedule has start and end times in fifteen (15) minute increments beginning on the hour; and the schedule does not establish a work week in excess of forty (40) hours, except as referenced below, and the schedule shall be in place thirty (30) days or more. Nothing in this Article shall be construed to supersede the right of management to determine schedules as provided in this Article.

- A. Work Day and Work Week. Within the parameters outlined above, the work week and the work day may be defined by mutual agreement between the employee and supervisor. Examples are, but are not limited to:
 - a. Five (5) consecutive days of eight (8) hours each;
 - b. Four (4) consecutive days of ten (10) hours each (i.e., a "4-10" schedule); and

- c. Five (5) nine-hour days one (1) week, followed by three (3) nine-hour days and one (1) eight-hour day the next week (i.e., a “9-80” schedule).

Overtime shall be paid in accordance with Article 14, Section 9 (Overtime). Holidays shall be paid in accordance with Article 8, Section 3 (Holiday Pay) and Bereavement Leave shall be paid in accordance with Article 11, Section 8 (Bereavement Leave).

4. FLEXIBLE WORK SCHEDULE

Employees may request flexible work scheduling for personal reasons which permits infrequent modification of hours of work within the same work week on a case-by-case basis. The purpose of this flexibility is to allow employees, with approval from management, the ability to adjust the hours of a work shift. Supervisors may request employees to flex their daily work schedule within the same work week to meet immediate workload demands and to support engagement in development opportunities and required training. Flexible scheduling does not constitute an official change in an employee’s work schedule. Utilization of flexible scheduling must meet the following criteria:

- A. Employee requests for flexible scheduling must be submitted at least twenty-four (24) hours in advance and in writing, unless the County waives said requirement(s).
- B. Adjustments to hours of work must:
 - a. Be mutually beneficial to employees and the County
 - b. Not negatively affect other employees
 - c. Not impede customer service or normal work process
 - d. Not generate additional labor costs or overtime
 - e. Occur during the same work week

5. REST PERIODS

All employees' work schedules shall provide for a fifteen (15) minute rest period during each one-half (1/2) shift. Rest periods shall be scheduled at the middle of each one-half (1/2) shift whenever reasonable. Employees who, for any reason, work beyond their regular quitting time into the next shift shall receive a fifteen (15) minute rest period before they start to work on the next succeeding shift, when it is anticipated the overtime is expected to extend a minimum of one and one-half (1-1/2) hours.

6. REST TIME DURING CONTINUOUS OPERATIONS

Under conditions designated by management that require continuous work beyond sixteen (16) consecutive hours, an employee is considered to be working even though some of their time may be spent resting. In order to be eligible for paid rest time, the employee shall remain at the location and available for work at all times as deemed necessary by management until released.

7. MEAL PERIODS

All employees shall be granted a meal period on employee time of at least one-half (1/2) hour during each work shift. Whenever possible, such meal period shall be scheduled in the middle of the shift. The County shall permit any employee who is requested to and does work more than two (2) hours beyond their regular quitting time, one-half (1/2) hour off for the employee's meal on employee time.

With supervisor approval, an employee may combine meal and rest periods as long as it does not impact their scheduled start and stop time.

8. CLEANUP FACILITIES

The County shall provide the required cleanup facilities for the employees' cleanup.

Employees who wear County-provided protective clothing shall be given the last ten (10) minutes of their shift to change their clothes. Employees who have been in direct, substantial contact with sewage must change clothes and shower as soon as reasonably possible.

9. EMERGENCIES

This Article may be deviated from during times of emergency.

ARTICLE 8 – HOLIDAYS

- Every day appointed by the Board of County Commissioners as a paid holiday.

2. FLOATING HOLIDAY

A Floating Holiday of one (1) ten (10) hour work day off with pay per calendar year shall be credited to each employee on January 1. Floating holidays may be used as one (1) entire day off, or may be used incrementally in hour units. Any floating holiday, or portion thereof, that is not used by the end of the calendar year will be converted to vacation hours provided the additional hours do not extend beyond the employee's vacation limitation. Upon termination of an employee for any reason, or in the event of the death of an employee, any floating holiday, or portion thereof, that is not used shall be paid either to the employee or their heirs, whichever the case may be.

New employees, who qualify for paid holidays, are eligible for a floating holiday after ninety (90) calendar days of employment.

3. HOLIDAY PAY

Eligible employees shall receive pay for each of the holidays listed in Section 1 above on which they perform no work as follows:

- 1) If on a five (5) day eight (8) hour work week schedule, then eight (8) hours;
- 2) If on a four (4) day ten (10) hour work week schedule, then ten (10) hours;
- 3) If on an eighty (80) hours in nine work day schedule, then nine (9) hours;

To receive pay for a holiday, the employee must be in a paid status, defined as regular wages or County accrued leave, on the last working day immediately preceding the holiday and the next working day immediately following the holiday. Holidays occurring during a leave without pay shall not be compensated.

4. WEEKEND HOLIDAYS

For employees on an eight (8) hour five (5) day work week, whenever a holiday shall fall on the first day off, the preceding day in the regular work week shall be observed as a holiday. Whenever a holiday shall fall on the last day off, the following day of the regularly scheduled work week shall be observed as a holiday.

For employees on a ten (10) hour four (4) day work week or a 9-80 schedule, whenever the holiday falls on the first or second of the three (3) days not included in the employee's regularly scheduled work week, the preceding day in their regular work week shall be observed as a holiday. Whenever a holiday falls on the third of the three (3) days not included in the employee's regularly scheduled work week, the following day in the employee's regular work week shall be observed as a holiday.

5. HOLIDAY DURING LEAVE

Should an employee be on authorized paid leave when a holiday occurs, such holiday shall not be charged against such leave.

6. HOLIDAY WORK

If an employee works on any of the holidays listed above, the employee shall, in addition to their holiday pay, be paid for all hours worked at the rate of time and one-half (1-1/2) the employee's regular rate of pay. When computing overtime, all paid leave shall be considered as time worked.

ARTICLE 9 – SICK LEAVE

1. ACCRUAL

Regular full-time employees shall accrue paid sick leave at the rate of eight (8) hours of leave for each full calendar month of service to be used in the event of an employee's illness or illness of a member of the employee's immediate family. Regular Part-Time Employees shall accrue sick leave on a pro rata basis using a two-thousand eighty (2080) hour base. Regular full-time and part-time employees shall accrue sick leave without limit. Employees in a paid status, defined as regular wages or County accrued leave, for eighty-eight (88) hours (prorated for FTE status) or more in any month shall accrue sick leave for the next month. Sick leave shall accrue on the first work day of the month for each preceding calendar month worked.

2. DOCUMENTATION

Appropriate documentation of illness may be required after more than three (3) consecutive days of absence or in cases of suspected abuse. If the employee is under a healthcare provider's care, a provider's certificate shall be considered appropriate documentation. Abuse of sick leave or excessive unplanned absences other than qualifying medical leave or workers' compensation leave may also be cause for disciplinary action including discharge under Article 16 (Discipline and Discharge).

3. IMMEDIATE FAMILY

For the purposes of this Article, an employee's immediate family shall be defined as spouse, domestic partners (as defined by the Benefits Review Committee), parents, children, brother, sister, grandparents, stepchildren, stepparents, stepsiblings, father-in-law, mother-in-law, sister-in-law, brother-in-law, and grandchildren or other family members as defined by applicable state or federal law. In relationships other than those set forth above, under exceptional circumstances, such leave of absence may be granted by the Department Director upon request.

4. UNUSED ACCRUED SICK LEAVE AT TIME OF RETIREMENT

Pursuant to ORS 238.350, the County shall report all allowable sick leave hours to PERS upon an employee's separation from County employment.

5. USE OF SICK LEAVE

Employees may utilize their allowance of sick leave when unable to perform their work duties by reason of illness, off the job injury, pregnancy, necessity for medical or dental care, exposure to contagious disease under circumstances by which the health of the employees with whom associated, or member of the public necessarily dealt with would be endangered by the attendance of the employee, or by serious illness or death in their immediate family requiring the presence of the employee, for such period as the employee has sick leave credit provided the employee calls in at the beginning of the employee's work shift no later than fifteen (15) minutes prior to the start of the work shift or at the earliest possible time.

- A. Vacation Option – New Hires. New employees upon initial hire will have the one-time option to choose to either have their first year's worth of vacation leave frontloaded into their vacation leave bank in accordance with County Employment Policy and Practice (EPP) #66 – Vacation Leave or accrue vacation on a period basis in accordance with subsection C below.

Employees who choose the frontload option for the first year of employment will start accruing vacation leave effective the first day of their second year of employment in accordance with subsection B(2)(a) below.

New employees who choose the frontload vacation option for their first year of employment and leave County employment, for any reason, prior to the end of the first year will only receive a vacation payout equivalent to the amount they would have actually accrued during their time of employment, minus any hours used. In the event the employee has used more paid time than would have been accrued during their first year of employment, the employee will have the equivalent cost of hours owed deducted from their final paycheck. In the event the employee's final paycheck does not cover the amount of frontloaded vacation time taken prior to separation, the County will attempt to recover the difference as described in Article 24, Section 3(A)(3).

Should a new hire not make a selection, they will be defaulted into the normal accrual system outlined in subsection B below.

- B. Paid vacation leave shall accrue at the rate shown below on the first day of the month for each preceding full calendar month worked in accordance with the following schedule. Employees in a paid status, defined as regular wages or County accrued leave, for eighty-eight (88) hours (prorated for FTE status) or more in any month shall accrue vacation leave for the next month. Vacation leave not to accumulate beyond two-hundred fifty (250) hours. Vacation accruals may be accumulated beyond two-hundred fifty (250) hours during the yearly cycle of January 1st through December 31st, but will be reduced to two-hundred fifty (250) hours at the end of the business day on December 31st.
 - ii. Employees who have used at least forty (40) hours of vacation time in a calendar year may elect to sell up to fifty (50) hours of vacation during that same calendar year. Notice of the day or days requested shall be given to the County at least twenty-four (24) hours in advance, unless the County waives said requirement.

4. TERMINATION OR DEATH

After six (6) months of service, upon the termination of an employee for any reason, or in the event of the death of an employee, all accumulated vacation shall be paid either to the employee or the employee's heirs, whichever the case may be.

Members of the Union selected by the Union to participate in any other Union activity may be granted a leave of absence at the request of the Union. Any employee who has been granted a leave of absence and who, for any reason, fails to return to work at the expiration of said leave of absence, shall be considered as having resigned their position with the County, and their position shall thereupon be declared vacated; except and unless the employee, prior to the expiration of the employee's leave of absence, has made application for and has been granted an extension of said leave or has furnished evidence that the employee is unable to return to work by reason of sickness or physical disability.

Employees may also be granted leaves of absence with or without pay for educational purposes, for reasonable lengths of time, to attend conferences, seminars, briefing sessions, or other functions of a similar nature that are intended to improve or upgrade the individual's skill or professional ability, provided it is consistent with the needs of the County.

Employees will pay any remaining insurance premium cost share through payroll deduction.

Employees who submit the Medical Insurance “Opt-Out” Waiver of Medical Coverage for certifying they have other coverage not obtained from the individual market or the Health Insurance Marketplace will receive cash back on a monthly basis as provided by the yearly Benefits Summary, subject to applicable withholdings. 8. BENEFIT WAITING PERIOD

Medical, dental, vision, life and disability, health reimbursement account and voluntary Benefits shall become effective on the first day of the calendar month following the employee's date of hire.

9. BENEFITS REVIEW COMMITTEE

A Labor-Management Benefits Review Committee shall be formed and shall have the responsibility for deciding the level, scope, and design of benefit plans offered to employees for medical and vision coverage, dental coverage, and for disability and life insurance. The primary emphasis in plan design shall be to provide a comprehensive, competitive benefits program at a reasonable cost for individuals and for the organization.

The Committee shall be comprised of members from management and from County bargaining units. Each bargaining unit adopting these provisions shall be entitled to appoint one (1) voting member to the Committee for every two hundred (200) members in their bargaining unit with a minimum of one (1) member. It is understood that bargaining units which do not adopt these provisions will be entitled to appoint one (1) nonvoting member to the Committee. Management membership will consist of voting members in a number equal to the voting bargaining unit membership. However, a bargaining unit or the County may appoint fewer voting members than it is entitled, but retain the same number of votes as described above. The County or the Union may invite other nonvoting members to attend meetings as needed to facilitate committee business. Regular meetings will be held as business dictates on a schedule agreed to by the Voting Members. Meetings may be held more frequently during the annual renewal process as

determined by the Benefits Manager or their designated representative. Decisions of the Committee will be made by a majority of votes.

The Committee shall make plan design decisions for medical, vision, dental, disability, and life insurance plans at least one-hundred twenty (120) days prior to the succeeding plan year, unless the County waives such requirement.

Payment for and funding of benefit plans selected by the Committee shall be in a proportion and manner determined through collective bargaining with each separate bargaining unit.

The County shall provide administrative coordination and support for the Committee. The Committee at its request shall be provided all financial information and related reports as may be available.

The County will make decisions on the following issues after consideration of Committee recommendations: carrier selection, third party administrator selection, employee benefits consultant selection, selection of alternate funding arrangements, and other optional benefit programs.

The County and the Union will make an assertive effort to support plan design changes through the Benefits Review Committee as may be needed to keep the total annual increase at or less than five percent (5%) each year.

10. HEALTH REIMBURSEMENT ACCOUNT (HRA)

The County shall enroll each benefit eligible employee covered by this agreement into the County's Health Reimbursement Account (HRA/VEBA).

The County shall pay the account fee up to \$1.50 per account per month for each active employee. The employee shall be responsible for the third party annualized investment fee.

Employees who have used at least forty (40) hours of vacation in the prior twelve (12) months shall have all vacation time up to eighty (80) hours in excess of the annual cap paid into their HRA/VEBA account. The County will deposit such excess vacation leave into eligible employees' HRA/VEBA accounts on the last pay date in February or sooner if administratively practicable.

Employees shall have all vacation hours over the annual cap of paid to their HRA/VEBA account at retirement. The County and Union shall discuss options for ongoing HRA/VEBA funding.

Eligible employees as of December 31st of each year shall receive an annual contribution of \$100 paid into their HRA/VEBA account by the second payroll period of the following January each year.

11. PLAN CHANGES REQUIRED BY LAW OR INSURANCE CARRIER

The County shall act to update any mandated coverage or changes caused by Federal or State laws, rules and regulations and may make changes to take advantage of any enhancements made available by the insurance carriers. The County does not guarantee against unilateral changes in benefits initiated solely by the insurance carriers.

Each new employee will be enrolled automatically in the County's Deferred Compensation program, at the rate of five percent (5%) of their base compensation as defined in the deferred compensation plan document, unless the employee chooses to opt out of the program or change the rate of contribution. Deferred compensation benefits shall become effective with the next available payroll after the employee enrolls in the deferred compensation retirement plan with the record keeper. New employees include newly hired employees, rehired employees, and employees changing employment status from temporary to regular.

ARTICLE 13 – WORKERS' COMPENSATION

1. COVERAGE

All County employees will be insured under the provisions of the Oregon Workers' Compensation Law for injuries that arise out of and occur in the course of employment for the County. The County is self-insured for workers' compensation claims. The County and Union acknowledge the right of employees to receive workers' compensation benefits as provided by state law and this Article.

2. COMPENSATION PAYMENT

- A. The County will compensate the employee for injuries that result in an inability to work with sufficient medical authorization, that arise out of and occur in the course of employment where the claim has been accepted, in an amount equal to the injured employee's regular pay, including any regular additional pay, such as longevity, that the employee was receiving at the time of the injury for up to and including 180 days from the date of injury. This wage continuation provision will continue for up to and including 180 calendar days from the date of injury, and is subject to the following conditions:
 - 1. The day of injury shall be considered a workday, and the employee will receive their normal salary for that day.
 - 2. The waiting period as stated in ORS 656.210 will be charged to sick leave or other accrued leave if available unless total temporary disability exceeds fourteen (14) consecutive days. Then, workers' compensation covers from the first day.
 - 3. The employee's regular pay will be subject to all standard deductions, such as income tax and employee benefits, as required or allowed under Federal and State Law.
 - 4. While the employee is receiving wage continuation under this provision, the employee will continue to receive all other County health and welfare benefits the employee was enrolled in at the time of the injury unless prohibited by law, rule, regulation, or provider contract.
- B. After one hundred and eighty (180) calendar days from the date of injury, if the accepted condition is still resulting in the employee's inability to work, the employee will receive temporary total disability benefits as provided under the Oregon Workers' Compensation Law. At that time, the employee may elect to use accrued leaves to supplement the difference between statutory workers' compensation benefits and the employee's regular pay (including any regular additional pay).
- C. Medical and dental insurance coverage shall continue to be provided for employees as was in place prior to the injury for as long as employee remains employed during this period. Employees are responsible for any applicable insurance premium cost share as provided for in Article 12 (Health and Welfare).

- D. The County may request the employee to return to modified or light duty, subject to medical release. An injured employee that refuses to return to modified or light duty may be subject to loss of reinstatement rights and reduction of temporary total disability benefits.

ARTICLE 14 – WAGES

1. WAGES AND CLASSIFICATION SCHEDULE

After ratification by both parties, employees shall receive a 4.1% cost of living increase effective the first day of the pay period after the ratification date. However, if the Union ratifies the contract prior to January 1, 2025, employees employed by the County as of the date of ratification shall receive a lump sum payment based on 4.1% of an employee's gross pay earnings (base pay, overtime, longevity and incentives) from July 1, 2024 to the first pay period after the effective date of ratification. The lump sum payment would appear in the paycheck three (3) full pay periods after the effective date of ratification.

Effective July 1, 2025, employees shall receive a cost of living increase based on the percentage increase in the 2024 U.S. Consumer Price Index, CPI-W: West Urban Annual Average, as reported by the U.S. Department of Labor (with a minimum of 0% and maximum of 4.5%).

Effective July 1, 2026, employees shall receive a cost of living increase equal to the percentage increase in the 2025 US Consumer Price Index, CPI-W: West Urban Annual Average, as reported by the US Department of Labor (minimum 0% and maximum 4.5%).

Effective July 1, 2027, employees shall receive a cost of living increase equal to the percentage increase in the 2026 US Consumer Price Index, CPI-W: West Urban Annual Average, as reported by the US Department of Labor (minimum of 0% and maximum 4.5%).

All less than half time regular part time employees and temporary employees in regular classifications in AFSCME WES positions will be paid at the same salary grade as the regular AFSCME WES counterparts.

When any classification not listed on the pay plan is established, the County shall designate a pay range for the position. In the event that the Union disagrees with the pay range and files a timely demand to bargain with the County, the Union and County shall open negotiations to establish a salary grade for the classification.

Salary grades will identify a pay range to include a minimum pay rate, midpoint pay rate, and a maximum pay rate. Increases in wages within the pay range as posted on the County Internet shall be based on the performance of the employee in meeting the standards established for the employee's job classification. Standards shall be jointly reviewed at the beginning of the performance period by the employee and manager. They shall be objective, quantifiable, and shall measure performance of the essential job functions.

Evaluation of an employee's performance for consideration of an increase of 3.5% within the salary grade will occur at intervals of not greater than one (1) year, except after the initial appointment, reclassification, or promotion, where it will occur after six (6) full months.

If performance does not meet standards, the manager will immediately establish a ninety (90) calendar day performance improvement plan for the employee which is intended to bring the employee's performance into compliance with performance expectations. At the end of the ninety (90) calendar day period, or earlier by mutual agreement, the employee's performance will again be reviewed. If performance meets standards, the employee will be granted the increase, effective the date of the most recent review. If the employee receives an increase resulting from the first ninety (90) calendar day review, the employee's anniversary date will remain unchanged. If an increase is not achieved until a later date, the employee's anniversary date will change to the date of the increase.

2. LONGEVITY PAYMENT

Employees will be eligible for longevity pay as a percent of base salary for total years of continuous County service in the listed amounts upon anniversary date. Continuous service for the purpose of determining eligibility for longevity pay shall be defined as service in a regular or limited term status, unbroken by separation from County employment that results in a new date of hire. However, credit toward longevity will accrue only when an employee is in paid status, defined as regular wages or County accrued leave, for at least eleven (11) days in any month.

5 years	1.5%
10 years	2.0%
15 years	2.5%
20 years	3.0%
25 years	3.5%
30 years	4.0%

The calculation for longevity shall be based on the employee's service date minus thirty (30) days. For example, if the service date is 5/15, for purposes of calculating longevity the date shall be 4/15.

3. OUT-OF-CLASS WORK

Out-of-class pay is intended to apply only to work situations where the difference between work levels and duties and responsibilities are clear. These situations are temporary in nature and not intended to provide higher level pay for an employee who gradually or through normal assignment believes they are working at a higher classification level, which situation is to be addressed through the position review process with the Department of Human Resources.

Continuous Work Out-of-Classification (WOC1): When an employee is assigned in writing by their supervisor to perform the duties of a higher paid classification for at least thirty (30) consecutive regular work days and meets the minimum qualifications of the higher level classification. The Continuous Work Out-of-Classification add-to-pay rate will be determined by conducting a salary placement assessment in accordance with the Oregon Equal Pay Act or an additional three and a half percent (3.5%) of base hourly rate, not to exceed the maximum of the higher classification's salary range, whichever is higher.

Hourly Out-of-Classification (WOC2): When an employee is assigned in writing by their supervisor to perform the duties of a higher paid classification that is sporadic in nature (two or more hours) or includes non-consecutive working days. The employee shall track and be placed in an Hourly Work Out-of-Classification assignment, and paid an additional three and a half percent (3.5%) of base hourly rate or at the beginning of the range of the higher level classification, whichever is greater, via the payroll timekeeping system.

Prior to working out-of-classification, the supervisor will prepare a memorandum stating the need for the out-of-class work and how the employee is qualified to perform such higher classification work, and receive authorization from the Director of WES or their designee.

If an employee is assigned full time out-of-class work for a continuous period of longer than six (6) months, the employee will receive performance reviews and be eligible for step increases in accordance with Section 1 of this Article. The out-of-class rate will not exceed maximum rate of higher classification's salary.

The Human Resources Department will review the appropriateness of all out-of-classification assignments. No out-of-class pay will be allowed unless the employee has met the minimum qualifications of the higher level classification and has been authorized to perform such out-of-class work by the employee's immediate supervisor. An employee who does not meet the minimum qualifications cannot be required to work in a higher classification except during emergencies.

Employees assigned to train in another classification are not eligible for work out-of-classification pay.

The County can, at its sole discretion, require employees to perform work in a classification above that in which the employee is normally classified provided the employee has been qualified by the County to perform such higher class work.

4. PERS/OPSRP PAYMENT

The County agrees to pay the employee's share of contribution on behalf of employees as set by Oregon legislature.

In the event that during the life of this agreement, it becomes impossible for reasons of law, regulation or decisions for the County to pay the six percent (6%) employee contribution to PERS/OPSRP, the County and the Union agree to re-open this paragraph to negotiate the impact of such action. It is the intent of the parties that the employees will be made whole in terms of the six percent (6%) retirement contribution made by the County, such as having that sum contributed on behalf of the employee to a retirement benefit, such as a transition account, state retirement account, County deferred compensation plan, or other individual retirement account.

5. REGULAR REPORTING TIME

When employees report for their regularly scheduled shift, work will be provided.

6. ELECTRONIC REMOTE OPERATIONS

An Electronic Remote Operation shall be defined as any authorized work where the employee does not physically report to a work location but performs a work function through electronic access. An authorized work function is defined as the routine set of tasks or activities performed by a person as assigned in their position.

An employee who is called to work outside of the employee's regular scheduled shift and volunteers to respond by means of an Electronic Remote Operation shall be paid for a minimum of two (2) hours at the rate of time and one-half (1-1/2) the employee's regular hourly rate of pay but, compensation shall not be paid twice for the same hours. If the work function necessitates that the employee physically report to a work location, the time paid under Electronic Remote Operations response will be counted as Call-In Time provided in Section 7 of this Article, of the current collective bargaining agreement but, compensation shall not be paid twice for the same hours.

Any dispute which may arise between the parties involving the application, meaning or interpretation of this section shall first be brought to the Labor Management Partnership Committee for resolution. If the Labor Management Partnership Committee is unable to resolve the dispute the parties agree to follow Article 18 (Settlement of Disputes) of the current collective bargaining agreement. The timelines for step one of Article 18 (Settlement of Disputes) shall begin when the Labor Management Partnership Committee reaches impasse.

7. CALL-IN TIME

Except as provided in Section 9(B) below, any employee called to report to work outside of their regular scheduled shift shall be paid for a minimum of four (4) hours at the rate of time and one-half (1-1/2) the employee's regular hourly rate of pay but compensation shall not be paid twice for the same hours.

8. STANDBY

Based on the County's operational needs, without the declaration of emergency, the County reserves the right to place qualified employees on Standby while they are off duty. The number of employees placed on Standby will be determined based on business needs and may vary by work unit. Standby schedules and assignments will seek to reasonably accommodate employee vacations, sick time, and other life events.

When an employee is on Standby and receives a request to report to work, the employee must acknowledge the request within thirty (30) minutes via phone call, text message, or any other means of immediate communication available. The employee is expected to physically report to work within ninety (90) minutes of acknowledging the request. While on Standby, the employee shall comply with all County policies that pertain to being fit for duty including Drug & Alcohol policies.

An employee on Standby shall receive two (2) hours of regular pay for each twenty-four (24) hour Standby period regardless of whether the employee is called in to work. In the event the employee is called in to perform work, the employee shall be compensated in

accordance with Section 7 (Call-In Time) above in addition to receiving the two (2) hours of Standby pay. An employee on Standby on a holiday listed in Article 8 (Holidays), Section 1 shall receive four (4) hours of regular pay. In the event a Standby employee is called into work on Christmas Day or New Year's Day when either falls on a Saturday or Sunday, the employee shall be paid for a minimum of four (4) hours at the rate of two and one-half ($2\frac{1}{2}$) times their regular rate of pay. Standby pay is not payment for hours worked and may not be converted to compensatory time.

In the event an employee does not respond to a request to report for duty while on Standby, or fails to respond within the timelines described above, the employee automatically forfeits the Standby compensation, may be subject to disciplinary action, and may be removed from the Standby program for a period of one (1) year.

9. OVERTIME

Time and one-half ($1\frac{1}{2}$) the employee's regular hourly rate of pay shall be paid for work under any of the following conditions, but compensation shall not be paid twice for the same hours:

- A. All authorized work performed in excess of:
 - 1. Eight (8) hours in a day or forty (40) hours in a regularly scheduled work week for employees on an eight (8) hour five-day work week; or
 - 2. Ten (10) hours in a day or forty (40) hours in a regularly scheduled work week for employees on a ten (10) hour four-day work week; or
 - 3. Nine (9) hours in a day or eighty (80) hours in a pay period for employees on a regular 9-80 schedule.
- B. All authorized work performed fifteen (15) minutes before or after any scheduled work shift, in thirty (30) minute units as outlined below:
 - 1. 0-14 minutes paid at time and one-half ($1\frac{1}{2}$) for actual time worked;
 - 2. 15 – 30 minutes paid for thirty (30) minutes at time-and-one-half ($1\frac{1}{2}$); and
 - 3. 31+ paid at time and one-half ($1\frac{1}{2}$) for actual time worked.
- C. Part-Time Employees:
 - 1. Employees who work a part-time schedule shall not be required to work hours beyond their regular part-time schedule;
 - 2. If a part-time employee requests to work beyond their regular schedule, they shall be paid straight time for work until they reach the daily standard schedule for the work group;
 - 3. If required by management to work hours beyond their regular part-time schedule they shall be paid time and one-half ($1\frac{1}{2}$) for time in excess of that schedule as outlined in B above.

All paid leave shall be considered time worked for purposes of calculating overtime.

10. DISTRIBUTION OF OVERTIME

Overtime work shall be distributed equally as is reasonable among employees with comparable skills within the same job classification at each permanent reporting place who voluntarily place their name on a roster to work overtime work; provided, however, that exceptions may be made subject to mutual approval by the County and the Union. If an employee whose name is on the voluntary overtime roster declines overtime work for other than valid reasons as determined by the County two separate times within a thirty (30) day period, that employee's name may be removed from the roster for ninety (90) days. If a sufficient overtime work force cannot be provided by the use of the voluntary roster, either because of a deficiency in the number of individuals on the roster or a lack of qualified individuals, then overtime will be required for all employees and distributed equally as is reasonable among employees with comparable skills within the same job classification at each permanent reporting place. Failure to work required overtime may be subject to disciplinary action short of discharge.

In the event this article or portion thereof becomes unenforceable and/or problematic due to unforeseen circumstances, either party may submit a request, in writing, and be granted a meeting in order to attempt to resolve the issue in question.

11. COMPENSATORY TIME OFF

Compensatory time off is equal to one and one-half (1-1/2) hours off for each hour of overtime worked in lieu of overtime pay, consistent with conditions contained within this section.

A. Accrual

1. An employee who works overtime shall have the right to either overtime pay or compensatory time.
2. Compensatory time shall not accrue beyond two hundred (200) hours at any one time.

B. Use

1. Employees shall have the right to determine compensatory time off consistent with the needs of the County and such use shall not be denied in a manner that is arbitrary or capricious. Compensatory time may not be used under the following conditions:
 - a. In conjunction with use of vacation leave;
 - b. If it creates the need for overtime or temporary out of class within the department;
 - c. If the employee fails to request use of compensatory time at least twenty-four (24) hours in advance;
 - d. If staffing levels or needs do not permit.
2. The supervisor shall have the discretion to waive any of the above conditions.

In the event the employee leaves County employment for any reason, accrued compensatory time shall be reimbursed in cash to the employee at the employee's current straight time rate of pay.

12. TRAVEL PAY AND MILEAGE REIMBURSEMENT

Employees will be granted travel pay and mileage in accordance with the County's current Travel Policy.

13. PORTAL TO PORTAL PAY

Employees shall report to their permanent place of reporting at the designated starting time of the shift and shall return to their reporting place so as to be off work by the designated quitting time.

An exception may be made to this section for an employee who voluntarily requests to begin and/or end their shift at a place other than their permanent place of reporting. Employees who request to make exception to this section shall not travel on their own time and shall be paid at the current County Travel Policy rate per mile from the established reporting place for the use of his/her personal transportation.

14. PAYDAY

Employees shall be paid based on a bi-weekly pay period. Paydays will be every other Friday.

In the event an administrative error is made by management which results in a shortage of at least \$25 net pay, the County shall, at the request of the employee, issue a check for the difference within three (3) working days of the employee's notice to the County.

15. COMPUTATION OF HOURLY RATE

Hourly rates are posted on the County website as Pay Plans.

16. RECLASSIFICATION/PCQ REVIEW

If the employee has been performing the duties of a higher level classification for at least seventy-five percent (75%) of the time for a period of six (6) months or more and meets the minimum qualifications and employment requirements described in the classification, the employee shall be reclassified effective the date the employee and/or supervisor signed the Position Classification Questionnaire (PCQ), whichever signed first, and shall receive retroactive pay, if any, to that date. The employee's merit date shall be changed to the first of the month following six (6) full calendar months from the effective date of the reclassification.

If the employee is reclassified into a newly developed classification, the employee's reclassification date will be the date the new classification was approved by the County Administrator. The employee's merit date shall be changed to the first of the month following six (6) full calendar months from the effective date of the reclassification.

When it is determined that an employee has been performing the work of a higher classification for at least seventy-five percent (75%) of the time and meets the minimum qualification and the employee is not subsequently reclassified since management decided to remove the higher level duties, the employee shall receive WOC pay for the period starting from the date the employee and/or supervisor signed the PCQ, whichever came first.

When a position is reclassified to a classification that carries a higher salary grade, the incumbent employee shall be reclassified to the higher classification effective the date they signed the PCQ. The new base pay rate following reclassification will be determined by one of the following, applying the method which yields the higher rate: 1) Human Resources will complete a Salary Placement Assessment, in accordance with the provision of the Oregon Equal Pay Act. 2) A 3.5% increase above the employee's Base Pay Rate immediately prior to the date of reclassification, not to exceed the maximum of the higher classification's salary range.

17. BILINGUAL SKILLS PAY

- A. When a position requires an employee to use a second (or more) language, including American Sign Language (ASL), as a condition for holding a particular position, the employee will receive an additional five percent (5%) of base hourly rate to be added to the employee's regular salary. "Required use" shall be documented by an approved Position Classification Questionnaire and "Certification of Bilingual Requirement" Form.
- B. It is not the intent of the parties that the re-designation of a position to "bilingual required" would be done for the sole purpose of superseding the layoff provisions of this agreement.
- C. When an employee who is not in a position that requires the use of a second (or more) language, including American Sign Language (ASL), is authorized by their supervisor to utilize their bilingual skills in a sporadic nature, the employee will receive an additional five percent (5%) of their base hourly rate for actual time, rounded up to the nearest fifteen minutes, for performing bilingual duties. "Sporadic Use" shall be documented by an approved "Certification of Bilingual Requirement" Form.

ARTICLE 15 – PERSONNEL RECORDS AND INFORMATION

The parties agree as follows in regard to personnel records and information:

- A. For the purpose of this section, "personnel file" shall refer to the formal file or files of personnel documents maintained by the Department of Human Resources.
- B. Employee personnel files are protected from access by persons other than those authorized by: (1) the employee, or (2) the custodian of the file.
- C. An employee or their representative, with written consent of the employee, may inspect that employee's personnel file. Upon written request, an employee or their authorized representative shall be given a copy of any materials in the employee's departmental personnel file.
- D. An employee shall be furnished a copy of any statement written for inclusion in the employee's personnel file concerning the employee's conduct or work performance. Both the employee and their union representatives shall be furnished a copy of formal discipline.
- E. The employee shall have the opportunity to submit a written statement in opposition to all derogatory materials placed into the employee's personnel file.
- F. Any document reflecting caution, consultation, warning, admonishment, and reprimand placed in an employee's personnel file cannot be used for progressive discipline purposes after three (3) years, unless there is evidence in the file of repeat occurrences.
- G. The County will make a good faith effort to remove a document from an employee's file on the date its minimum retention span expires. Any expired document found in a file will be removed by the County upon notification of its presence. Documents shall be removed prior to the expiration of the retention period stated above, if such removal is agreed to by the County and the Union as part of the settlement of a grievance, or if removal is ordered by a grievance arbitrator appointed under this agreement, ordered by the Employment Relations Board, or ordered by a court.

ARTICLE 16 – DISCIPLINE AND DISCHARGE

1. EMPLOYEES SUBJECT TO DISCIPLINARY ACTION

Employees may, in good faith for just cause, be subject to disciplinary action by oral or written reprimand, unpaid suspension, demotion, or discharge; provided, however, in the case of regular employees, such action shall take effect only after the supervisor gives written notice of the action and cause to the employee except for cases of oral reprimand.

Initial probationary employees are not protected by the just cause standard, and are subject to discipline and discharge without prior notice or an opportunity to respond to the charges prior to discipline.

2. REPRIMANDS SUBJECT TO APPEAL

Any regular employee in the bargaining unit who is disciplined in writing, suspended, demoted, or discharged shall have the right to appeal the action through the Grievance Procedure. The Union shall submit any such grievance at Step I of the Grievance Procedure (Article 18, Section 1) no later than ten (10) working days after the effective date of the disciplinary action.

3. MANNER OF REPRIMAND

If the County has reason to reprimand an employee, every reasonable effort will be made to accomplish the reprimand in a manner that will not embarrass the employee before other employees or the public.

4. PRE-DISMISSAL HEARING

When the County believes there is just cause for discharge, the employee involved will be either placed on paid administrative leave or be allowed to continue to work during the period of review. The employee and the Union will be notified in writing at the time the action is taken that the employee is subject to discharge. Such notification shall state the reasons for which the employee is being discharged. The County shall provide to the employee who is not on the initial probationary period an opportunity to respond to the charges at an informal pre-dismissal hearing, which may be recorded, with the person or persons having the authority to impose or revoke the disciplinary action. The employee shall be entitled to have a representative of their own choosing at the pre-dismissal hearing for the purpose of providing advice and counsel to the employee.

The employee may be granted additional time, at the discretion of the County, to prepare for the pre-dismissal hearing.

5. INITIAL PROBATIONARY EMPLOYEES GRIEVANCE

A probationary employee who has not completed their initial twelve (12) month probationary period with the County shall be afforded the opportunity to grieve any alleged violation, misapplication and/or misinterpretation of this agreement; however, this shall not include any matter involving discipline and/or discharge.

6. ELECTRONIC RECORDINGS/DATA

Video camera recordings, GPS data, and/or other electronic data may be accessed, reviewed and preserved by the County for business reasons. Such recordings/data will not be used for yearly performance evaluations, unless disciplinary action has been imposed from evidence derived from a specific video recording, GPS data, and/or other electronic data. In the event the County elects to review video, GPS, or other electronic data as part of an investigation, the County shall notify the Union and provide the Union with an opportunity to view the video and/or data. The County will not randomly review video, GPS, or other electronic data for the purposes of disciplining employees. The County understands that it has the burden of proving "just cause" exists to support the discipline or discharge of any non-probationary employee.

ARTICLE 17 – LAYOFF AND RECALL

1. NOTIFICATION

In the event it becomes necessary to effect a reduction in the work force, in any classification or position in any work unit, the County shall notify affected employees and the union in writing at least thirty (30) calendar days in advance of the effective date, except in emergency situations. Such notification will include a list of positions/classifications based on seniority and salary range to which the employee may be qualified to bump.

Employees who wish to participate in the bumping process must notify the Department of Human Resources in writing by 6:00 p.m. of the fifth working day after receiving their notice. At this time, the employee will also identify in writing those available positions/classifications the employee wishes to bump into and a list of their experiences, qualifications, skills and abilities relevant to the identified positions/classifications.

2. LAYOFF ORDER

Within a classification and department, temporary, initial probationary and other employees who do not have regular status will be laid off before employees with regular status. A layoff order shall be established within the bargaining unit on the basis of seniority. Employees who have never attained regular status with the County and who are laid off, will not be placed on layoff registers and do not have displacement/recall rights. No temporary employees will be hired to fill laid off bargaining unit positions.

An employee who has not completed a probationary period following promotion or reclassification as a result of department reorganization, is subject to the layoff rules at the previously held position.

For employees hired prior to July 1, 1994, seniority will be based upon total years of County service. For employees hired, rehired, or transferring into the WES Department, on or after July 1, 1994, seniority will be based upon years of continuous service within the County. If it is found that two (2) or more persons within the same classification have equal seniority, seniority for these individuals shall be determined by the date the employees were appointed by the department. If a tie still exists, the tie shall be broken by drawing lots. In computing seniority, the following factors will be taken into account:

- A. Part-time work in a regular status position will count on an accumulative prorated basis of full-time employee (FTE) status.
- B. Time spent on all authorized leaves, including leave without pay, will count.
- C. Time spent in unclassified appointment status will not count.
- D. Initial time spent in temporary or provisional status in the same classification will not count.

- E. Time spent on layoff will not count; however, employees recalled from layoff within two (2) years shall regain previously accrued seniority.
- F. Time spent in previous government service will count if the employee transferred in accordance with ORS 236.610 through 236.640.

Seniority shall be forfeited by discharge for cause, voluntary termination exceeding ninety (90) days or involuntary termination due to expiration of a layoff register.

The County may make an exception to the order of layoff when the retention of employees with needed skills or performance abilities are necessary for the efficient operation of the department. Such actions shall be taken only for articulated, job-related reasons and substantiated by written documentation.

3. BUMPING

When an employee is laid off due to a reduction in the work force, the employee shall be permitted to exercise the following rights:

- A. Accept the layoff, be placed on the recall register for their classification and proceed through the recall procedures as outlined in Section 5 of this Article, or
- B. Exercise bumping rights by moving to a vacancy or by displacing an employee with least seniority in the same or lower salary range in the department, provided that the bumping employee is qualified to do the work. Employee will be placed on the recall register for their classification.

The qualifications of an employee to bump shall depend upon that employee's demonstrating current possession of the required certifications, knowledge, and skill to meet the minimum qualifications of the position prior to bumping. In addition, bumping employees must demonstrate the ability to perform on the job at a satisfactory level of performance within thirty (30) working days. The County will provide the employee with reasonable orientation and guidance for the position.

Between the tenth (10th) and twentieth (20th) day of this period, the County will provide the employee with a written statement assessing their performance. On the thirtieth (30th) day of this period, if the employee is not performing satisfactorily, the employee will be given a minimum of ten working days' notice of intent to terminate the employee. Any such terminated employee will retain all layoff rights related to the classification from which the employee was originally laid off.

For bumping purposes, seniority will be defined as length of continuous service within the County. However, for employees hired prior to July 1, 1994, seniority will be based upon total years of County service. For employees hired, rehired, or transferring into the WES Department, on or after July 1, 1994, seniority will be based upon years of continuous service within the County.

Employees cannot bump to a classification with a higher salary range. This is a promotion and shall be accomplished only by normal appointment procedure.

No employee shall have any bumping rights over another employee working under regular appointment in another department.

An employee who displaces an employee in a different classification will be placed on the layoff register for the classification previously held. If an employee displaces another employee in a classification with a lower salary range, Human Resources will determine the employee's new base pay rate in the new classification by completing a salary placement assessment, in accordance with the Oregon Equal Pay Act. No bumping employee shall be paid at a rate that exceeds the maximum step of the lower salary range. The employee may request and shall be paid for all accrued compensatory time at the rate being earned prior to layoff.

Those employees who are left with no position to bump into as provided above, shall be laid off from employment and shall be eligible for recall per Section 4 of this Article.

4. RECALL

Employees are eligible for recall for a period of two (2) year from the date of layoff. Employees on layoff must keep the County informed of their current address and telephone number during the period of layoff.

Recall shall be on the basis of seniority, with senior employees being called before junior employees, and any new hires or transfers. The qualifications of an employee shall depend upon that employee's demonstrating current possession of the required certifications, knowledge and skill to meet the minimum qualifications of the position.

For purposes of recall, seniority shall be based on the date of seniority that the employee had on the day the employee received the layoff notice.

All temporary work within the department shall first be offered in order of seniority to qualified bargaining unit members on any layoff register. Filling a temporary position will not constitute recall from layoff.

Upon recall to a position in the classification held at time of layoff, the employee's base pay rate will be determined by considering both methods listed below, applying the method that yields the higher pay rate. 1) Human Resources will complete a Salary Placement Assessment in accordance with the provision of the Oregon Equal Pay Act. 2) A review of the Base Pay Rate at time of layoff or placement on layoff list plus cost-of-living adjustments and other Salary Grade Adjustments. Employee is offered the higher of the two rates, not to exceed the maximum of the salary range. If the employee returns to a different position, they will serve a probationary period of six (6) full calendar months from date of recall. There is no probationary period if the employee returns to the same position within the department. The employee will be eligible for a merit increase, if applicable, after working six (6) full calendar months from time of recall. The employee's

merit anniversary date will be adjusted to one (1) year following the date of merit increase eligibility.

Upon recall to any position in the WES Department, a recalled employee shall have restored all accruals of sick leave, vacation accrual rate and seniority in effect on the date of layoff.

5. RECALL TO OTHER CLASSIFICATIONS

A regular status employee will be placed on the layoff register for recall to the classification held at the time of layoff. The employee may also request placement on additional layoff register(s) for recall to a position at the same or lower salary range without loss of seniority. Length of time on the layoff register is for a period of two (2) years. All requests must be made in writing to the Director of Water Environment Services within thirty (30) days of the date the employee is laid off and are subject to the approval of the Director of Human Resources. The Director's decision shall be based on job related reasons and is final unless decision is shown to be arbitrary or capricious.

If recalled to a position in a classification not held at time of layoff, the base rate for the employee will be determined by Human Resources in accordance with the provisions of the Oregon Equal Pay Act. Such employee shall be placed on probation for six (6) months if it is a different workgroup or department and will be eligible for a merit increase, if applicable, six (6) full calendar months after recall. The employee's merit anniversary date will be adjusted to one (1) year following the date of merit increase eligibility.

ARTICLE 18 – SETTLEMENT OF DISPUTES

1. GRIEVANCE AND ARBITRATION PROCEDURE

To promote better employer-employee relationships, all parties pledge their immediate cooperation to settle any issues or complaints that might arise out of the application of this Agreement. Before filing a grievance concerning a non-disciplinary matter, the aggrieved employee and/or Union will attempt to resolve the issue informally. Any grievance or dispute which may arise between the parties involving the application, meaning or interpretation of this Agreement shall be settled in the following manner:

STEP I. A Union representative, with or without the employee, may take up the alleged violation or dispute with the employee's manager within ten (10) working days of its occurrence by submitting a written grievance; if at that time the representative is unaware of the alleged violation or dispute, the representative may take it up within ten (10) working days of the date upon which the representative knew or should have known of its occurrence. Under no circumstances may the grievance or dispute be taken up more than one hundred twenty (120) calendar days after its actual date of occurrence. The written grievance shall identify the facts sufficient to explain the nature of the grievance, specific contract provision(s) allegedly violated, and requested remedy.

The manager, the Union representative, and the employee at the employee's option, shall meet at a mutually scheduled time to discuss and attempt to resolve the grievance. If the grievance remains unresolved, the manager shall respond to the Union representative in writing within ten (10) working days of the meeting.

STEP II. If the grievance remains unresolved, it may be filed by the Union representative or the Union Grievance Committee to the Department Director within ten (10) working days after the manager's response is received or due, whichever occurs first. The Department Director, the Union representative, and the employee at the employee's option, shall meet at a mutually scheduled time to discuss and attempt to resolve the grievance. If the grievance remains unresolved, the Department Director shall respond to the Union representative or the Union Grievance Committee in writing within ten (10) working days of the meeting.

STEP III. If the grievance still remains unresolved, it may be presented by the Union representative or the Union Grievance Committee to the Director of Human Resources or their designee within ten (10) working days after the Department Director's response is received or due, whichever occurs first. The Director of Human Resources or their designee shall meet at a mutually scheduled time to discuss and attempt to resolve the grievance. If the grievance remains unresolved, the Director of Human Resources or their designee shall respond in writing within ten (10) working days of the meeting.

STEP IV Arbitration. If the grievance is still unresolved, the Union may request arbitration by written notice to the County within ten (10) working days after the reply of the Director of Human Resources or their designee is received or due, whichever occurs first.

If arbitration is requested, the parties shall forthwith agree upon an arbitrator who shall act as sole arbitrator of the dispute. The parties agree that any decision of the arbitrator which is within the scope of this Agreement shall be final and binding upon them. In the event that the parties fail to agree upon the selection of an arbitrator, a list of seven (7) arbitrators who charge from the Oregon border. Each party shall, in turn, strike one arbitrator at a time from the list until one name remains. The arbitrator whose name remains shall act as the arbitrator of the dispute. The arbitrator shall not have the authority to modify, add to, alter or detract from the express provisions of this Agreement. The arbitrator shall exercise all power relating to admissibility of evidence, conduct of the hearing and arbitration procedures, provided that in doing so the arbitrator shall not contravene any provisions of this Agreement. The compensation of the arbitrator and all expenses incurred by the arbitrator shall be borne by the party against whom the arbitrator's decision is adverse.

When the Director or their designee has denied a grievance and arbitration is requested, the parties must, within one year of the date the Director of Human Resources or their designee denies the grievance: 1) select an arbitrator and 2) request a date for the arbitration hearing. If these actions are not taken, the grievance is considered closed without prejudice to the issues presented by the grievance.

2. MEDIATION

By mutual agreement between the Union and the County, any grievance filed under the terms of this Article may be referred to mediation at any time during the grievance process. The Union and County agree to equally split the cost of such mediation.

3. CLASS ACTION GRIEVANCE

If there is a breach of any provision of this Agreement affecting a group of employees, the Union shall have the right to take up such breach.

4. PROCESSING GRIEVANCES

Union officials and stewards may investigate and process grievances during working hours within reasonable limits without loss of pay. The grievance timelines set forth above shall be strictly enforced unless the parties mutually agree otherwise in writing.

ARTICLE 19 – CONTRACT WORK

At least thirty (30) calendar days' notice will be given to the Union before the County may contract out or subcontract, except in the case of an emergency as defined in Article 1 (Definitions), Section 2. The County will provide the Union with a copy of the memorandum or Request for Proposal detailing the scope of work to be contracted or subcontracted to effect notice.

At least ninety (90) calendar days' notice will be given to the Union before the County may contract out or subcontract, when such contracting out or subcontracting will result in the layoff of one or more regular employees covered by this Agreement. The County will attempt to place any employees laid off as a result of such action in a position for which the employee is deemed qualified should a vacancy exist at the time of the layoff.

At the time of notification of a proposal for contracting out an entire functional division of WES, the County will supply all comparative analysis data used in the decision process to the Union. Contracting out must show substantial cost savings with no loss of service. Cost savings is the ability to perform work at a reduced cost that is not achieved by lower wages and benefits paid by a contractor. All safety regulations now in place will be adhered to by the contractor or subcontractor. The contractor must supply equipment and related supplies. If the Union can show a competitive counter proposal, the County will drop the contracting out proposal.

ARTICLE 20 – GENERAL PROVISIONS

1. NO DISCRIMINATION

The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without unlawful discrimination as to age, sex, marital status, race, color, creed, disability, national origin, or political affiliation. The Union shall share equally with the County the responsibility for applying this provision of the Agreement.

The County agrees not to interfere with the rights of employees to become members of the Union, and there shall be no discrimination, interference, restraint, or coercion by the County or any County representative against any employee because of Union membership or because of any employee activity in an official capacity on behalf of the Union, or for any other cause, provided such activity or other cause does not interfere with the effectiveness and efficiency of County operations in serving and carrying out its responsibility to the public.

2. RULES

Employees shall comply with all existing work rules, department policy, County Policy and Personnel Ordinances which are not in conflict with the terms of this Agreement, provided the rules are uniformly applied and uniformly enforced. The County will comply with ORS 243.698 when the County seeks to change or create new policy or work rules.

3. PROTECTIVE CLOTHING

If any employee is required to wear unique protective clothing or any type of unique protective device, such unique protective clothing or unique protective device shall be furnished to the employee by the County. The cost of maintaining the unique protective clothing or unique protective device including tailoring, cleaning and laundering shall be paid by the County.

Any employee designated by management to wear safety-toed ANSI approved protective boots when performing their assigned duties: Wastewater Plant Operators, Wastewater Mechanics, Wastewater Maintenance Coordinators, Supervising Electrician, WES Technicians, Field Operations Technicians, Field Operations Coordinators, Engineers, WES Assistants, Technical Services Specialists, Technical Services Coordinators, Instrumentation Technicians, Source Control Specialists, Source Control Technicians, and Source Control Coordinators. Employees in the following classifications shall be required to wear closed-toe, closed-heel, slip-resistant leather footwear: Laboratory Analyst and Laboratory Technician. Except, however, protective foot wear need not be worn in work situations where no hazard exists. The County will provide \$300 per fiscal year for purchase or repair of such protective footwear or accessories, subject to the employee providing a receipt. Receipts may be submitted for reimbursement only twice per fiscal year. Any new or existing classification that is assigned work that requires the wearing of protective footwear will be included in this section.

Employees will not appear in public places wearing protective clothing that, because of its condition, detracts from the image of the department.

4. LAUNDERING

The County agrees to provide daily an adequate number of clean pants, shirts, jackets, and coveralls for the following classifications and personnel:

Wastewater Plant Operators and Coordinators
Wastewater Mechanics and Maintenance Coordinators
WES Assistants and Technicians
Field Operations Technicians and Coordinators
Source Control Technicians, Specialists and Coordinators
Biosolids Technicians
Supervising Electrician
Instrumental Technician

The County also agrees to provide daily an adequate number of Lab Coats for the following classifications:

Laboratory Analysts
Laboratory Technicians

5. PROMOTIONS, RECRUITMENT, AND SELECTION

A. The County and Union agree that positions will be filled in the following manner:

1. First by recalling names from an existing layoff register by seniority. In order to be recalled, the employee must demonstrate the required certifications, knowledge and skills to meet the minimum qualifications of the position.
2. If no layoff register exists, the County may use an existing eligibility register or may conduct a recruitment. The County will certify a list of names to the Department from the eligibility register that includes all bargaining unit members. All bargaining unit members who are placed on the eligibility register shall be invited to an interview.

6. VACATION AND SHIFT SELECTION SENIORITY

- A. Classification seniority shall apply in the matter of vacation selection. Consistent with the needs of the County, classification seniority will be a consideration in shift selection and location. Each employee will be permitted to exercise their right of classification seniority only once per calendar year in conjunction with Article 10, Section 3 (Vacation Times). It is not the County's intention to be arbitrary, capricious, or discriminatory in administering this clause.
- B. Classification seniority shall be defined as meaning an employee's total length of service within the job classification. In the event that time spent in the classification is equal, seniority shall be determined based on total continuous service within the Union. Should seniority still be equal, it will be determined based on continuous service with the County.

- C. For the purpose of computing seniority, all authorized leave shall be considered as time worked. Employees who are laid off as a result of a reduction in positions and who are subsequently reinstated shall retain full seniority except for such periods of lay off.

7. ESSENTIAL EMPLOYEES

All essential employees, as designated by the Department, are required to report to work during regular business hours (unless notified otherwise) even when the County may be otherwise closed due to inclement weather/driving conditions or other unforeseen circumstances. Essential employees will be notified of their status each fall provided, however, that the Department can designate essential employees at other times of the year based on operational needs.

If an essential employee determines they are unable to make it to work as scheduled, for any reason, they must contact their supervisor so that the Department can determine if it needs to engage the "Unusual Use of Resources" as outlined in Employment Policy & Practice (EPP) 12. The inability to make it to work should be a verifiable event such as a road closed, ordered by appropriate authorities or other similar circumstances. Commuting distance to and from work shall not be a reason for failing to report to work.

ARTICLE 21 – DRIVER/OPERATOR LICENSE SUSPENSION POLICY

Many classifications within WES require the employee to maintain a valid driver's license. When a driver's license is suspended or revoked, the County will make reasonable efforts for the employee to continue performing their regular duties. Such efforts will be based on the percentage of driving required by the position and work availability. Decisions concerning situations shall be fact driven and based on departmental workloads and availability of productive work.

This policy covers all WES employees required to hold an Oregon Driver's License and/or Commercial Driver's License to perform the essential functions of their job, and is subject to all applicable State and Federal laws.

Any revocation or suspension of license(s) is subject to the following:

1. Employees requiring a "Class C" Driver License

- A. For a loss of driving privileges up to, and including, forty-five calendar days, the County will assign/provide work at the employee's current pay rate that the employee can perform without the requirement of the license, if such work is available. The employee may be subject to a "Last Chance Agreement".
- B. For the loss of driving privileges exceeding forty-five (45) calendar days, up to and including ninety (90) calendar days the County will not provide work. The employee may use any accumulated vacation or comp time during this period. The employee may return to regular duties upon acquiring the appropriate driving privilege (or license reinstatement). The employee's return to duty may be subject to a "Last Chance Agreement".
- C. For the loss of driving privileges exceeding ninety (90) calendar days, the employee may be discharged.
- D. If any loss of driving privileges is due to substance abuse – either alcohol, prescription drugs, or non-prescription drugs, and treatment is ordered by the court or other legal authority, the employee will provide written verification to the County from the treatment provider verifying that the employee has undergone the appropriate treatment.

2. Employees requiring a "Commercial Driver License" (CDL)

- A. For any loss of driving privileges up to, and including, forty-five (45) calendar days, the County will assign/provide work at the employee's current pay rate that the employee can perform without the requirement of the license, if such work is available. The employee may be subject to a "Last Chance Agreement".
- B. For the loss of commercial driving privileges (CDL) exceeding forty-five (45) calendar days up to one (1) year, where the employee is able to utilize their class "C" driver license, the County may assign/provide work at a reduced pay rate that the employee can perform without the requirement of the CDL license, if

such work is available. This reduced rate shall be 3.5% below their current pay rate in their current classification. The employee may return to regular duties, at their regular rate of pay, upon acquiring the appropriate driving privilege (or license reinstatement). If the County does not provide work for the employee, the Union will be notified within five (5) working days and the employee will be placed on any applicable layoff register as written in Article 17 (Layoff and Recall), Sections 4 and 5. The employee may be subject to a "Last Chance Agreement".

C. For the loss of all driving privileges (CDL & class "C") exceeding forty-five (45) calendar days, up to and including ninety (90) calendar days the County will not provide work. The employee may use any accumulated vacation or comp time during this period. The employee may return to regular duties upon acquiring the appropriate driving privilege (or license reinstatement). The employee may be subject to a "Last Chance Agreement".

D. For the loss of all driving privileges (CDL and Class C), exceeding ninety (90) calendar days, the employee may be discharged.

3. Probationary Employee

Probationary employees who lose driving privileges shall be subject to termination.

ARTICLE 22 – ALCOHOL AND DRUG ABUSE ASSISTANCE POLICY

Employees seeking treatment for drug or alcohol abuse will be encouraged and supported in doing so.

The employee may return to their position upon completion of an inpatient/residential treatment program and/or may remain in their regular position while participating in an ongoing outpatient treatment program without penalty or jeopardizing their employment with the County.

Time used for purposes of assessment, evaluation, counseling, and treatment of alcohol and drug dependency may be charged against accrued and available sick leave. Use of accrued and available vacation leave for the above-stated purposes related to alcohol or drug dependency shall be in accordance with the same requirements which would apply to any other illness or injury. If no sick leave or vacation time is available for an employee to use for these purposes, an employee may use leave without pay as long as the employee's supervisor is notified in writing.

A voluntary, confidential support network of fellow Water Environment Services employees may be available to employees with alcohol and/or drug dependency problems to be utilized in times of need.

ARTICLE 23 – SAVINGS CLAUSE

Should any Article, Section, or portion thereof of this Agreement be held unlawful and unenforceable by any Court of competent jurisdiction, such decision of the Court shall apply only to the specific Article, Section, or portion thereof, directly specified in the decisions. Upon the issuance of such a decision, the parties agree immediately to negotiate a substitute, if possible, for the invalidated Article, Section, or portion thereof.

ARTICLE 24 – OVER/UNDERPAYMENTS

Any employee receiving erroneous payments has the obligation to call such error to the attention of his or her supervisor.

1. UNDERPAYMENTS

When an error occurs resulting in a negative impact on the employee, upon notification by the employee, in writing to the Payroll Manager, and verification by the payroll division, payment in correction of the error shall be made in the employee's paycheck for the current pay period.

2. OVERPAYMENTS

When an employee receives payments due to a clerical, technical, or computer error, through no fault of the employee and where the employee did not and could not reasonably have known that the error occurred, the employee will only be liable for, and the County shall only recover, the overpayment for a period of one-hundred eighty (180) days preceding the date of discovery of the error. If the discovery of the error is made by the employee who notifies the Payroll Manager in writing within ten (10) working days of discovery of the error that they believe their pay is incorrect and the County does not subsequently make a correction to stop the overpayment by the next payroll period after notification, the employee will not be liable for additional overpayments that occur following the date of notification.

3. REPAYMENT TO THE COUNTY

As soon as the overpayment is known, the County will make every effort to recover overpayments by payroll deduction over a reasonable period of time.

- A. The County Payroll Manager shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists, and the amount of wages and/or benefits to be repaid. For purposes of recovering the overpayments by payroll deduction, the following shall apply:
 - 1. The employee and the County shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following the written notification.
 - 2. If there is not mutual agreement at the end of thirty (30) calendar days, the County shall implement the repayment schedule stated in subsection B below.
 - 3. If the overpayment amount to be repaid is more than twenty-five (\$25) dollars, the overpayment shall be recovered in amounts not to exceed twenty-five (\$25) dollars per payroll period. If an overpayment is less than twenty-five (\$25) dollars, the overpayment shall be recovered in a lump sum deduction from the employee's paycheck.
 - 4. An employee who has a factual disagreement with the County's determination that the overpayment has been made to the employee may grieve the determination through the grievance procedure.

5. This article/section does not waive the County's right to pursue other legal procedures and processes to recoup an overpayment made to former employees.
- B. Employees can elect to either establish a payment plan through payroll deductions as described under Section 3(A)(3) of this Article or may elect to pay overpayment in one lump sum. In the event the employee chooses to make a lump sum payment to the County, the County will adjust the amount owed for any tax paid, and will reduce the amount of employees' wages for the year on the employee's W2 form by the amount repaid.

ARTICLE 25 – DRUG AND ALCOHOL TESTING POLICY

The County and the Union agree to abide by the Department-wide Drug and Alcohol Testing Policy for employees covered by the Federal Highway Administration U.S. Department of Transportation regulations. Said policy will not be unilaterally modified except to the extent such modifications are mandated by changes to the federal regulations. The County will provide the Union with advance notice of any such modifications. The Drug and Alcohol Testing Policy can be found on the WES intranet page.

ARTICLE 26 – TERMINATION

This agreement shall become effective as of July 1, 2024, or upon full ratification by both the Union and the County, whichever occurs last and shall remain in full force and effect until the 30th day of June, 2028, or the date of signing of a subsequent Agreement whichever last occurs. It shall be automatically renewed on July 1, 2028, and each year thereafter unless either party shall notify the other in writing no later than March 15th that it desires to either terminate or modify this Agreement. In the event notice to modify is given, negotiations shall begin no later than May 1st. In the event that notification of termination is given, it shall become effective thirty (30) days after the date notice is received.

This Agreement may be amended at any time by mutual agreement of the Union and County; such amendments shall be in writing and signed by both parties.

APPENDIX A – WES SAFETY INCENTIVE PROGRAM

Purpose: Water Environment Services (WES) initiated a safety incentive award program on December 16, 1991. The goal of the program is to increase safety awareness and motivate safe work practices. It includes incentive awards for individual performance and individual participation. Administrative Services is tasked with administering the award program, subject to approval and authorization of the Director of WES and Labor Management Partnership Committee (LMPC).

Scope: The program includes all regular status employees and does not include temporary employees. Awards are subject to tax withholding in compliance with IRS standards. The criteria for awards and operation of the program will be reviewed every two years.

Individual Performance Awards: In recognition of the efforts of all WES staff in the development and maintenance of safe workspaces and a positive safety culture, WES will provide all regular and regular part time employees who meet all 4 quarter requirements \$150.00 per year safety award to be added to employee paychecks on the last paycheck in January of each calendar year. Employees must be on the payroll by March 31, to be eligible for that year's incentive.

A transitional exception to this award level will be made for employees who, as of the 2020 award year, received greater than \$150. These employees will continue to receive the 2020 award level for the remainder of their time at WES unless the parties negotiate changes to the Safety Program.

Individual performance awards are based on the total cumulative time in whole calendar years for which an employee has worked to uphold a safety minded culture. In order to uphold a safety minded culture, an employee must complete at least one safety-related behavior, program, and/or project each quarter of each calendar year that they are employed by WES.

Individual Participation Awards: Employees may receive additional incentives for individual participation in making tangible contributions to safety-related activities.

Safety Solution (2 per year, per person limit)	\$25
Serving on the Safety Committee (1 year or more)	Jacket
Heroic Deed (Quick thinking and action to avoid or lessen a potentially severe accident)	\$500
Special Service Award (At the discretion of the Safety Committee)	\$100

Safety Solution: A procedure and form have been developed so that any employee may report what he or she perceives as an unsafe condition, or may suggest a safety solution to a problem. The goal is to promote Employee involvement in hazard recognition and problem solving. In order to be eligible for an award a safety solution must identify a specific, positive, and hopefully creative solution to an existing hazard. The employee must identify the problem or concern and propose a solution. Their manager must sign off on it and the Safety Committee must decide to adopt the recommendation.

Serving on the Safety Committee: Employees who serve on the safety committee for one year or more will receive a “WES Safety Committee” jacket.

Heroic Deed and Special Service Awards: These programs provide incentive awards for individuals performing a heroic deed or special safety-conscious service above and beyond the norm. Employees may nominate any Clackamas County employee to receive the award at the discretion of the Safety Committee.
