

**830 UTILITY CABINETS**

---

830.01 STANDARDS

Utility cabinets shall comply with the following standards:

- A. Maximum Volume: The maximum combined volume of all utility cabinets located on a single lot shall be:
  - 1. Forty cubic feet in a residential or OSM zoning district inside the Portland Metropolitan Urban Growth Boundary (UGB);
  - 2. Two hundred cubic feet in a commercial or industrial zoning district inside the UGB; and
  - 3. Two hundred fifty cubic feet outside the UGB.
- B. Maximum Height: The maximum height shall be five feet.
- C. Setback Exemption: Utility cabinets are exempt from the minimum setback standards of this Ordinance.
- D. Contact Information: Utility companies shall clearly identify their cabinets and provide an emergency telephone number where accidents or public safety concerns may be reported.
- E. Design, Screening, or Landscaping: Within the UGB, utility cabinets shall be designed, screened, or landscaped to blend with the development on the same lot of record or, if the utility cabinet is in a road right-of-way, with the development on the lot of record nearest the cabinet.
