

1.0 Overview

The Program Performance v2.0 report contains a number of measures that identify households and individuals served or placed within a given reporting period and disaggregates those measures by Race & Ethnicity and Gender.

Users must have a reporting license to access reports located in BusinessObjects.

2.0 Work Instructions

- 1. Running the report
 - a. Log into BusinessObjects, navigate to Folders > Public Folders > pdxmetroarea_hmis_live > Clackamas County > Data Quality
