Clackamas County currently has jurisdiction, including permitting authority, enforcement of road standards and maintenance responsibility of N. Locust Street, N. Maple Street and S. Redwood Street. This intergovernmental agreement addresses transferring rights and duties as "road authority," including permitting authority, development of road standards, and maintenance responsibility to the City for portions of N. Locust Street, N. Maple Street and S. Redwood Street. This Transfer was vetted though the Clackamas County Coordinating Committee in early 2020 and will be the first transfer under the Community Road Fund's Strategic Investment Fund.

Transferring the rights and duties as road authority for these portions of N. Locust Street, N. Maple Street and S. Redwood Street to the City of Canby will eliminate confusion and improve efficiencies of maintenance and public service. The City will perform all construction and reconstruction; improvement or repair and maintenance; review and issuance of access permits; establishment of roadway standards; acquisition of right of way; storm water and drainage facility repair and maintenance; and review and issuance of street opening permits. The County will retain official jurisdiction of these portions of the roadways until such time as jurisdictional transfer as outlined in this agreement with the County has been completed.

RECOMMENDATION:

Staff respectfully recommends that the Board approve this Intergovernmental Agreement with the City of Canby to transfer rights and duties as road authority for portions of N. Locust Street, N. Maple Street and S. Redwood Street to the City.

Clackamas County currently has jurisdiction, including permitting authority, enforcement of road standards and maintenance responsibility of N. Maple Street and N. Redwood Street. This intergovernmental agreement addresses transferring rights and duties as "road authority," including permitting authority, development of road standards, and maintenance responsibility to the City for portions of N. - B. **Applicable Law.** The Parties hereto agree to comply in all ways with applicable local, state and federal ordinances, statutes, laws and regulations.
- C. **Non-Exclusive Rights and Remedies.** Except as otherwise expressly provided herein, the rights and remedies expressly afforded under the provisions of this Agreement shall not be deemed exclusive, and shall be in addition to and cumulative with any and all rights and remedies otherwise available at law or in equity. The exercise by either Party of any one or more of such remedies shall not preclude the exercise by it, at the same or different times, of any other remedies for the same default or breach, or for any other default or breach, by the other Party.
- D. **Access to Records.** The Parties acknowledge and agree that each Party, the federal government, and their duly authorized representatives shall have access to each Party's books, documents, papers, and records which are directly pertinent to this Agreement for the purpose of making audit, examination, excerpts, and transcripts for a period of three years after final payment. Copies of applicable records shall be made available upon request. The cost of such inspection shall be borne by the inspecting Party.
- E. **Debt Limitation.** This Agreement is expressly subject to the debt limitation of Oregon counties set forth in Article XI, Section 10, of the Oregon Constitution, and is contingent

upon funds being appropriated therefore. Any provisions herein which would conflict with law are deemed inoperative to that extent.

- F. **Severability.** If any provision of this Agreement is found to be unconstitutional, illegal or unenforceable, this Agreement nevertheless shall remain in full force and effect and the offending provision shall be stricken. The Court or other authorized body finding such provision unconstitutional, illegal or unenforceable shall construe this Agreement without such provision to give effect to the maximum extent possible the intentions of the Parties.

- G. **Integration, Amendment and Waiver.** Except as otherwise set forth herein, this Agreement constitutes the entire agreement between the Parties on the matter of the Project. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver, consent, modification or change of terms of this Agreement shall bind either Party unless in writing and signed by both Parties and all necessary approvals have been obtained. Such waiver, consent, modification or change, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of either Party to enforce any provision of this Agreement shall not constitute a waiver by such Party of that or any other provision.

- H. **Interpretation.** The titles of the sections of this Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

- I. **Independent Contractor.** Each of the Parties hereto shall be deemed an independent contractor for purposes of this Agreement. No representative, agent, employee or contractor of one Party shall be deemed to be a representative, agent, employee or contractor of the other Party for any purpose, except to the extent specifically provided herein. Nothing herein is intended, nor shall it be construed, to create between the Parties any relationship of principal and agent, partnership, joint venture or any similar relationship, and each Party hereby specifically disclaims any such relationship.

- J. **No Third-Party Beneficiary.** Neither Party intends that this Agreement benefit, or create any right or cause of action in, or on behalf of, any person or entity other than the County or the City.

The benefits conferred by this Agreement, and the obligations assumed hereunder, shall inure to the benefit of and bind the successors of the Parties.

- L. **Counterparts.** This Agreement may be executed in any number of counterparts (electronic, facsimile or otherwise) all of which when taken together shall constitute one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.

M. **Authority.** Each Party represents that it has the authority to enter into this Agreement on its behalf and the individual signatory for a Party represents that it has been authorized by that Party to execute and deliver this Agreement.

N. **Necessary Acts.** Each Party shall execute and deliver to the others all such further instruments and documents as may be reasonably necessary to carry out this Agreement.

Contact Person	Joseph Marek, Traffic Safety Program Manager – Department of Transportation and Development – 503-970-8987
Contract No.	SA-21-25-08

BACKGROUND:

The Department of Transportation and Development requests the authorization to enter into contract with the Oregon Department of Transportation to accept a renewal grant award of \$54,550 to provide educational outreach for the County’s Drive to Zero program which has a

mission to eliminate fatal and serious injury crashes by 2035, and has been the recipient of ODOT-TSD funding since program inception in 2005.

This year's focus will expand the South County Drive to Zero project funded by the National Safety Council. Grant will also support overtime for enforcement campaigns that correlate to goals in the Transportation Safety Action Plan (TSAP) such as school zone enforcement in Lake Oswego and Minor Decoy Operations with the Oregon Liquor Control Commission. The following elements integrate into Clackamas County's Transportation and Development Department's Strategic plan:

SAFE ROADS:

The public expects a safe transportation system that supports a healthy, thriving community. This is often challenging as historically we have had to cope with limited resources to maintain and operate the County's 1,400 miles of roads and 186 bridges. We will continue to focus our available funds to provide a safe, accessible and smooth-running transportation system.

COMMUNITY ENGAGEMENT:

The needs and desires of urban and rural residents of the County sometimes differ. The department needs to continue and expand on our communications and community outreach regarding our services to make sure we are reaching customers across the county. Recent social media campaigns and educational efforts have increased the use of our services and improved our ability to proactively communicate with residents about department projects, and programs.

Additionally, the County's Community Health Improvement Plan seeks to integrate crash prevention as a strategy to saving lives and active transportation as a means toward increased physical activity. The Drive to Zero team has been the catalyst for minor decoy operations with local law enforcement and OLCC. With compliance rates lower than they should be, this work needs to continue for both alcohol and marijuana sales.

The contract is effective October 1, 2020 through September 30, 2021. The one-year contract maximum is \$54,550.

County Counsel reviewed the contract on 12/2/2019 and requested some amendments. However, since this funding is federal funds passed through ODOT, changes to the contractual language is extremely complicated and may not be possible. These are clauses that we have accepted in the past, with similar concerns. They are summarized as follows:

1. Under Section 14a, there is a requirement that County would repay the agency for all funds in the event of a contractual default. Counsel would that repayment obligation is only for misspent grant funds, not all funds in the event of a default.
2. Under Section 14b, it would be most advantageous to the County to expand the potential remedies available in the event of state default to all remedies available at law or equity.
3. There are several concerns regarding indemnification of sub-contractors under Section 15a. The language could be more favorable to the County, and we will pass on indemnification to our sub-contractors in our contract requirements.

DTD plans on submitting these concerns to ODOT to request changes for future contracts. However, we recommend proceeding without these changes for this cycle.

RECOMMENDATION:

Staff respectfully recommends the Board approve and sign the agreement with Oregon Department of Transportation for the purposes of ODOT-TSD – Safe Communities Grant Renewal.

Respectfully submitted,

Joseph Marek

OREGON DEPARTMENT OF TRANSPORTATION
Transportation Safety Division Grant Agreement
(Federal Funded only)

This Transportation Safety Division Grant Agreement ("Agreement") is made by the State of Oregon, acting by and through its Department of Transportation, Transportation Safety Division hereinafter referred to as ODOT or Agency, and Clackamas Co. Dept. of Transportation Development, hereinafter referred to as Grantee or Subrecipient, and collectively referred to as the Parties (the "Project").

Agreement Terms and Conditions

1. Effective Date. This Agreement is effective on the date that it is fully executed and approved as required by applicable law or October 1, 2020, whichever is later (the "Effective Date"). Reimbursements will be made for Project Costs incurred on or after **October 1, 2020** through and including **September 30, 2021** (the "Grant Period"). No Grant Funds are available for expenditures incurred after the Grant Period.

2. Agreement Documents. This Agreement includes the following documents, listed in descending order of precedence for purposes of resolving any conflict between two or more of the parts:

Exhibit C - SUMMARY OF FEDERAL REQUIREMENTS.
The Agreement Terms and Conditions set forth herein
Exhibit A Project Description
Exhibit B ODOT Grant Budget and Cost Sharing
Exhibit D - INFORMATION REQUIRED BY 2 CFR § 200.331(a)(1).

All of the Exhibits attached hereto are incorporated herein by this reference.

3. Grant Award. In accordance with this Agreement, Agency shall provide Grantee an amount not to exceed **\$10,000** (the "Grant Funds") for eligible costs of the Project.

4. Project.

a. Description. The Grant Funds shall be used solely for the activities described in Exhibit A (the "Project") and may not be used for any other purpose. No Grant Funds will be disbursed for any changes to the Project unless such changes are approved by Agency pursuant to **Section 5c** hereof. Grantee shall implement and complete the Project in accordance with Exhibit A.

b. Project Change Procedures. Any proposed changes in the scope of the Project, the Project objectives, key Project personnel, time period, or Budget must be requested in writing and approved by Agency. Grantee shall not perform any Project changes without a Grant Adjustment Form, submitted in the form provided by ODOT, and signed by Agency and Grantee. Any extension of the time period for completion or performance of the Project must be requested at least six weeks prior to the end of the stated time period and

may need approval of the funding agency (identified in **Section 8** of this Agreement) if the end of the grant award year is involved.

c. Conditions of Project Approval. [RESERVED].

5. Grant Funds.

a. Use of Grant Funds. The Grant Funds shall be used solely for the Project activities described in Exhibit A in accord with the ODOT Grant Budget and Cost Sharing set forth in Exhibit B (the "Budget"). Grantee agrees to use its best efforts to fully expend the Grant Funds for their stated purposes within the Grant Period, after which time all unspent award funds are no longer available for the project beyond the end of the Grant Period.

b. Eligible Project Costs. The Grant Funds may be used only for Grantee's actual Project costs to the extent those costs are (a) reasonable, necessary and directly used for the Project; and (b) eligible or permitted uses of the Grant Funds under, as applicable, federal and State law and this Agreement and are (c) not excluded from reimbursement or payment as a result of any later financial review or audit ("Eligible Project Costs"). Eligible Project Costs do not include any expenditures incurred outside of the Grant Period.

c. Reimbursement. ODOT will disburse the Grant Funds only as reimbursement for Eligible Project Costs paid by Grantee and upon receipt and approval of Grantee's Quarterly Reports and Claims for Reimbursement (along with any required supplementary documents like Residual Value Agreement form, receipts indicating proof of purchase, etc.) submitted in accord with **Section 6** of this Agreement. Grantee will be reimbursed only for Eligible Project Costs incurred by Grantee after the date set forth in the "Authorization to Proceed" for the Project provided to Grantee by Agency. Grant Funds shall not be used for Project activities previously carried out with the Grantee's own resources with no declared intent to be reimbursed under this Agreement (supplanting). Income earned through services conducted through the Project should be used to offset the cost of the Project and be included in the Budget.

d. Conditions Precedent to Reimbursement. ODOT's obligation to disburse Grant Funds to Grantee is subject to the conditions precedent that:

(i) ODOT has received funding (including federal funds), appropriations, limitations, allotments, or other expenditure authority sufficient to allow ODOT, in the exercise of its reasonable administrative discretion, to make the reimbursement;

(ii) Grantee is in compliance with the terms of this Agreement and no Grantee Default under **Section 13** of this Agreement has occurred or is occurring; and

(iii) ODOT has received and approved the reports and Claims for Reimbursement submitted by Grantee.

e. Availability of Federal Funds. The federal funds committed under this Agreement are subject to the continuation of funds made available to Agency by the National Highway Traffic Safety Administration (NHTSA)

and the Federal Highway Administration (FHWA) (each or collectively the "Federal Funding Agency") by statute or administrative action.

6. Project Reporting and Management. Grantee's Project Director (described below) shall be responsible for implementing this Agreement and establishing and maintaining procedures that will ensure the effective administration of the Project.

a. Project Director Responsibilities. The Project Director shall:

(i) **Accounting.** Establish or use an accounting system that conforms to general accepted accounting principles, as described in **Section 10a** of this Agreement, and ensure that source documents are developed which will reliably account for the Grant Funds expended, any required match provided, and any grant project income.

(ii) **Personnel.** Maintain copies of job descriptions and resumes of persons hired for all Project-related positions which are funded at 0.25 FTE or more.

(iii) **Hours Worked.** Maintain records showing actual hours utilized in Project-related activities by all Grant Funded personnel and by all other staff personnel or volunteers whose time is used as in-kind match.

(iv) **Quarterly Reports.** Complete a quarterly highway safety project report ("Quarterly Report"). Each Quarterly Report must be signed by the Project Director or the Designated Alternate and submitted to Agency by the tenth day of the month following the close of each calendar quarter for the duration of the Grant Period. The "Project Director" is the person responsible for implementing this Agreement and establishing and maintaining procedures that will ensure the effective administration of the project objectives. The "Designated Alternate" is an individual who is given the authority to sign Quarterly Reports for the Project Director, in the event he/she is unable to sign due to circumstances beyond his/her control.

(v) **Reimbursement Claims.** Submit a Claim for Reimbursement within 35 days of the end of the calendar quarter in which expenses were incurred (submit claims no more than monthly), using the form provided by Agency as follows:

(A) Residual Value Agreement form, and invoices and/or receipts indicating proof of purchase. Copies of ODOT's pre-approval, invoices and/or receipts for all specified items must be submitted to Agency upon request with the Claim for Reimbursement.

(B) Claims for Reimbursement may be submitted as often as monthly but must be submitted at least quarterly; and

(C) Claims for Reimbursement must be signed (or electronically 'signed/approved', if applicable) by the Project Director or the Designated Alternate (Agency will not accept duplicated signatures).

b. Travel. Grantee shall keep a record of all significant travel. Agency will provide reimbursement without pre-approval only for in-state travel by persons employed by Grantee in Project-related activities. All out-of-state or other travel must be pre-approved by Agency. Grantee must adhere to the State's travel policy, such as utilizing

Government Services Administration (GSA) travel reimbursement rates. To receive approval or reimbursement, the trip must be detailed on the Budget or requested in a grant adjustment as described under Project Change Procedures. All travel outside the Grantee's jurisdiction should be summarized on the Quarterly Reports.

c. Development of Print or Production Materials.

(i) **Agency Rights.** Grantee *shall* provide Agency with draft copies of all outreach, media, and/or educational materials to be developed using Grant Funds, and prior to production (regardless of medium: print, broadcast, radio, etc.). Agency may suggest revisions and must pre-approve production of any materials developed using Grant Funds. All brochures; course, workshop and conference announcements; and other materials that are developed and/or printed using Grant Funds shall include a statement crediting Agency. Materials produced through the Project shall be provided to Agency for its use and distribution and may not be sold for profit by either the Grantee or any other party. Every invention, discovery, work or authorship, trade secret or other tangible or intangible item that Grantee is required to deliver to Agency under this Agreement and all intellectual property rights therein ("Work Product"), including derivative works and compilations shall be the property of Agency; any original work of authorship created by Grantee under this Agreement is "work made for hire" of which Agency is the author. Grantee hereby irrevocably assigns to Agency any and all rights, title, and interest in all original Work Product created by Grantee under this Agreement. Upon Agency's reasonable request, Grantee shall execute such further documents and instruments necessary to fully vest such rights in Agency. Grantee forever waives any and all rights relating to Work Product created by Grantee under this Agreement, including without limitation, any and all rights arising under 17 U.S.C. §106A or any other rights of identification of authorship or rights of approval, restriction or limitation on use or subsequent modifications.

(ii) **Grantee Rights.** If the Work Product created by Grantee under this Agreement is a derivative work based on Grantee Intellectual Property, or is a compilation that includes Grantee Intellectual Property, Grantee hereby grants to Agency an irrevocable, non-exclusive, perpetual, royalty-free license to use, reproduce, prepare derivative works based upon, distribute copies of, perform, and display the pre-existing elements of the Grantee intellectual property employed in the Work Product, and to authorize others to do the same on Agency's behalf.

(iii) **Third Party Rights.** If the Work Product created by Grantee under this Agreement is third party intellectual property or a derivative work based on third party intellectual property, or is a compilation that includes third party intellectual property, Grantee shall secure on Agency's behalf and in the name of Agency an irrevocable, non-exclusive, perpetual, royalty-free license to use, reproduce, prepare derivative works based upon, distribute copies of, perform and display the pre-existing element of the third party intellectual property employed in the Work Product, and to authorize others to do the same on Agency's behalf.

(iv) **Other State/Federal Rights.** The rights granted or reserved under this section are subject to any requirements

of the Federal or State Funding Agency, including those set forth in Exhibit C of this Agreement. If state or federal law requires that Agency or Grantee grant to the United States a license to any intellectual property in the Work Product, or if state or federal law requires that Agency or the United States own the intellectual property in the Work Product, then Grantee shall execute such further documents and instruments as Agency may reasonably request in order to make any such grant or to assign ownership in such intellectual property to the United States or Agency.

d. Equipment Purchased with Grant Funds.

(i) **Residual Value Agreement.** If Grant Funds are used in whole or in part to acquire any single item of equipment costing \$5,000 or more (which acquisition is only upon ODOT's pre-approval), Grantee shall complete and submit to Agency an equipment inventory that lists such items and includes Agency's rules governing the removal or release of such items from Grantee's inventory (a "Residual Value Agreement"), in the form provided by Agency. Agency may, at its discretion, require Grantee to execute a Residual Value Agreement for equipment costing less than \$5,000 in order to track the tangible equipment purchased with Grant Funds. A copy of the original vendor's invoice indicating quantity, description, manufacturer's identification number and cost of each item will be attached to the signed agreement. All equipment should be identified with the Grantee's property identification number.

(ii) **Federal Requirements.** Grantee shall comply with all applicable federal requirements related to the purchase of equipment with Grant Funds, including but not limited to any "Buy America," ownership and disposition requirements set forth in Exhibit C.

e. Costs and Expenses Related to Employment of Individuals; Insurance; Workers' Compensation.

Grantee is responsible for all costs and expenses related to its employment of individuals to perform the work under this Agreement, including but not limited to retirement contributions, workers' compensation, unemployment taxes, and state and federal income tax withholding. In addition, Grantee's subcontractors, if any, and all employers working under this Agreement are subject employers under the Oregon Workers' Compensation Law and shall comply with ORS 656.017 and shall provide the required Workers' Compensation coverage, unless such employers are exempt under ORS 656.126. Employer's liability insurance with coverage limits of not less than \$500,000 must be included. Grantee shall ensure that each of its sub-recipient(s), contractor(s), and subcontractor(s) complies with these requirements.

7. Final Report. Grantee must prepare a Project Director's Final Evaluation Report ("Final Report") in accordance with the Evaluation Plan described in Exhibit A and in the form provided by Agency to Grantee. This report is separate and distinct from the required fourth Quarterly Report; this Final Report must cover the entire grant year. The Final Report must be submitted within 35 days following the last day of the Grant Period. The

report may be no more than ten pages and must include the following elements:

a. Objective and Activities. A summary of the Project including problems addressed, objectives, major activities and accomplishments as they relate to the objectives;

b. Costs. A summary of the costs of the Project including the amount of Grant Funds and amounts paid by Grantee, other agencies and private sources. The amount of volunteer time should be identified;

c. Implementation. Discussion of implementation process so that other agencies implementing similar projects can learn from Grantee's experiences; including descriptions of what went as planned, what didn't work as expected, what important elements made the Project successful or as successful as expected;

d. Evaluation. Respond to each of the evaluation questions set forth in Exhibit A, including completing and referencing the Data Table (as applicable);

e. Completed Data Table. Complete the Data Table (as applicable) by inserting the information in the format required in Exhibit A.

8. Recovery of Grant Funds.

a. Recovery of Grant Funds. Any Grant Funds disbursed to Grantee under this Agreement that are expended in violation of one or more of the provisions of this Agreement, including any Grant Funds used for ineligible or unauthorized expenditures as determined by a state or federal review for which Grant Funds have been claimed and payment received, ("Misexpended Funds") must be returned to Agency. Grantee shall return all Misexpended Funds to Agency no later than fifteen (15) days after ODOT's written demand.

b. Audit.

i. Grantee shall comply, and require any subcontractor to comply, with applicable audit requirements and responsibilities set forth in this Agreement and applicable state or federal law.

ii. If Grantee receives federal awards in excess of \$750,000 in a federal fiscal year, Grantee is subject to audit conducted in accordance with the provisions of 2 CFR part 200, subpart F.

iii. Grantee shall save, protect and hold harmless from the cost of any audits or special investigations performed by the Secretary of State with respect to the funds expended under this Agreement. Grantee acknowledges and agrees that any audit costs incurred by Grantee as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between Grantee and the State or Oregon.

9. General Representation and Warranties of

Grantee. Grantee represents and warrants to ODOT as follows:

a. Organization and Authority. Grantee is duly organized and validly existing under the laws of the

State of Oregon and is eligible to receive the Grant Funds. Grantee has full power, authority and legal right to make this Agreement and to incur and perform its obligations hereunder, and the making and performance by Grantee of this Agreement:

- (i) have been duly authorized by all necessary action of Grantee;

- (iii) do not and will not result in the breach of, or constitute a default or require any consent under any other agreement or instrument to which Grantee is a party or by which Grantee or any of its properties may be bound or affected, and
- (iv) no further authorization, consent, license, approval of, filing or registration with or notification to any governmental body or regulatory or supervisory authority is required for the execution, delivery or performance by Grantee of this Agreement.

b. Binding Obligation. This Agreement has been duly executed and delivered by Grantee and constitutes a legal, valid and binding obligation of Grantee, enforceable in accordance with its terms subject to, if applicable, the laws of bankruptcy, insolvency, or other similar laws affecting the enforcement of creditors' rights generally.

c. No Gratuities. Grantee's officers, employees, and agents shall neither solicit nor accept gratuities, favors, or any item of monetary value from contractors, potential contractors, or parties to subagreements, except as permitted by applicable law. No member or delegate to the Congress of the United States or State of Oregon employee shall be admitted to any share or part of this Agreement or any benefit arising therefrom.

The warranties set in this **Section 9** are in addition to, and not in lieu of, any other warranties set forth in this Agreement or implied by law.

10. Records Maintenance and Retention.

a. Records, Access to Records and Facilities.

Grantee shall make and retain proper and complete books of record and account and maintain all fiscal records related to this Agreement and the Project in accordance with, as applicable, all generally accepted accounting principles, generally accepted governmental auditing standards, and minimum standards for audits of non-profit organizations. Grantee shall ensure that each of its sub-recipients and subcontractors, if any, complies with these requirements. Agency, the Secretary of State of Oregon (Secretary), the federal government (including the Federal Funding Agency or the Comptroller General of the United States), and their duly authorized representatives shall have access to the books, documents, papers and records of Grantee that are directly related to this Agreement, the Grant Funds, or the Project for the purpose of making audits and

examinations and may make and retain excerpts, copies, and transcriptions of the foregoing books, documents, papers, and records. Nothing herein is meant to be or will be interpreted to be a waiver of any protection against disclosure of records or communication otherwise provided by law, including protection provided by attorney-client privilege or the attorney work product doctrine.

b. Retention of Records. Grantee shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, the Grant Funds or the Project (including all records required under 49 CFR Part 18.42) until the date that is the later of: (i) any date required under 49 CFR Part 18.42 or (ii) six (6) years following the expiration of the Grant Period.

c. Expenditure Records. Grantee shall document the expenditure of all Grant Funds reimbursed by ODOT under this Agreement. Grantee shall create and maintain all expenditure records in sufficient detail to permit Agency to verify how the Grant Funds were expended. This Section 10 shall survive any expiration or termination of this Agreement.

11. Sub-agreements.

a. Subcontractors. Performance of this Agreement shall not be subcontracted in whole or in part, except with the written consent of Agency. If applicable, Grantee shall not assign this Agreement or the Project described herein, either in whole or in part, or otherwise attempt to convey any right, privilege, duty or obligation hereunder, without the prior written consent of Agency.

b. Terms of Subcontracts. Any contracts or other service agreements that are entered into by the Grantee as part of the Project shall be reviewed and approved by Agency to determine whether the work to be accomplished is consistent with the objectives and funding criteria of the Project. Grantee shall ensure that any subcontractors adhere to applicable requirements established for the Grant Funds and that any subcontracts include provisions for the following:

- (i) Administrative, contractual, or legal remedies in instances where subcontractors violate or breach sub contract terms, and provide for such sanctions and penalties as may be appropriate;
- (ii) Access by the Grantee, the state, the federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives, to any books, documents, papers, and records of the contractor which are directly pertinent to that specific subcontract, for the purpose of making audit, examination, excerpts, and transcriptions. Subcontractors shall maintain all required records for six years after Grantee makes final payments and all other pending matters are closed;
- (iii) Notice of Agency's requirements and regulations pertaining to reporting, requirements and regulations pertaining to patent rights with respect to any discovery or invention which arises or is developed in the course of or under such subcontract, and requirements and regulations pertaining to copyrights and rights in data; and

EXHIBIT A
GRANT PROJECT APPLICATION

Project No: SA-21-25-08

Project Name: CLACKAMAS COUNTY SAFE COMMUNITY

Answer each question in the boxes provided. Answer each question completely and according to the instructions in *Italics*. All fields are required.

I. Project Description

The Clackamas County Safety Communities Program (CSCP) has continued to grow since formation in 2005 as a result of strong support from ODOT-TSD and other safety agencies. In 2018 we focused on updating the Transportation Safety Action Plan (TSAP) adopted in March 2019. In 2019 we focused the Safe Communities program on building and implementing a comprehensive communications and outreach plan for the TSAP. We obtained a one year grant from the National Safety Council (NSC) to pilot key marketing and low- cost infrastructure improvement projects in a targeted rural area of the County. This grant has been extended to 6/30/2021 due to the COVID-19 pandemic.

This year's request is to complete our work planned in 2020 but placed on hold due to COVID-19. The request will also support overtime for enforcement campaigns targeting that correlate to our goals in the TSAP.

II. Problem Statement

- A. Describe the problem(s) this project will try to impact:
(Describe the problem(s) you intend to impact with this grant.)

The County's Drive to Zero initiative is an inspiring but daunting goal - to eliminate fatal and serious injury crashes by 2035. To be successful, we need active partners throughout the county that will engage in the implementation of various elements and work toward the behavioral change that is necessary. Rural communities present unique challenges that cannot be addressed in the same way as more urbanized areas. While 20% of the County's population lives in communities served by rural roads, 45% of our fatal and serious crashes are on rural roads. Ultimately, the problem we are trying to impact is the number of fatalities and serious injuries due to traffic

crashes in the county.

The following are elements integrated into Clackamas County's Transportation and Development Department's Strategic plan:

SAFE ROADS:

The public expects a safe transportation system that supports a healthy, thriving community. This is often challenging, as historically we have had to cope with limited resources to maintain and operate the County's 1,400 miles of roads and 180 bridges. We will continue to focus our available funds to provide a safe, accessible and smooth-running transportation system.

COMMUNITY ENGAGEMENT:

The needs and desires of urban and rural residents of the County sometimes differ. The department needs to continue and expand on our communications and community outreach regarding our services to make sure we are reaching customers across the county. Recent social media campaigns and educational efforts have increased the use of our services and improved our ability to proactively communicate with residents about department projects, programs and services.

Additionally, the County's Community Health Improvement Plan seeks to integrate crash prevention as a strategy to saving lives and active transportation as a means toward increased physical activity.

The Drive to Zero team has been the catalyst for minor decoy operations with local law enforcement and OLCC as well as investing in local police efforts to target speeding in school zones.

- B. Provide summary data about the problem(s):
(Give summary data regarding the problem as it exists in your jurisdiction.)

From 2009 to 2018, traffic crashes killed 295 people in Clackamas County. Crashes injured 34,271 people in 43,784 crashes. 45% of reported severe crashes occurred in rural areas, while 20% of the population lives in rural areas. Over the past ten years of reported data, reported total crashes (105%), and reported injury crashes (35%) have generally increased in the County. This increase has outpaced the county's population growth of 4% over the same time.

The county's top three F&SI crash factors continue to be Roadway Departure, Young Drivers and Aggressive Driving. While the rankings have changed, these have remained the top three. Other areas of high crash causes include alcohol/drugs, motorcyclists, bicyclists, pedestrians and older drivers.

- C. List current activities and associated agencies already involved in solving the problem(s):

(Include all related activities and agencies involved. If you have a current project, list the objectives of that project and progress in achieving them.)

III. Objectives

(Describe quantifiable products or outcomes that address those problems identified in Section II that should result from the proposed activities. Normally at least three very specific objectives should be given and each should include beginning and ending date.

The following are examples:

“To increase safety belt usage in (funded jurisdiction) from 85% to 90% by September 30, 2004, with the use rate determined by conducting observed use surveys.”

“To reduce nighttime fatal and injury crashes occurring in (funded jurisdiction) by 20% from 60, the average for the 1998-2001 period, to 48 during the 12-month period starting October 1, 2003, and ending September 30, 2004.”

“To provide intensive probation supervision to a minimum of 30 additional persons convicted of DUII in (funded jurisdiction) by making at least three face-to-face contacts with each person weekly from October 1, 2003, through September 30, 2004.”

“To complete an evaluation by July 1, 2004, to determine if using photo radar will lead to a significant reduction in fatal and injury traffic crashes in that location.”

	Start Date	End Date	Objective
1.	10/01/2020	9/30/2021	Provide targeted marketing efforts in Clackamas County using a professional social marketing consultant.
2.	10/01/2020	9/30/2021	Amplify the messaging of key partners on programs such as child passenger protection devices, senior safe driving programs and alcohol and drug prevention programming.
3.	10/01/2020	9/30/2021	Reinforce the TSAP through ongoing educational opportunities such as the Clackamas County Fair, tabling at events, and other activities consistent with the County's work. Present at 4-10 community events.
4.	10/01/2020	9/30/2021	Make presentations at community events, schools, business meetings, etc. to highlight the TSAP and how county residents can engage with the work. This work will shift to more on-line virtual activities as schools and communities adjust to Covid19 phased returns.
5.	10/01/2020	9/30/2021	Conduct minor decoy enforcement details with OLCC and local law enforcement for alcohol and/or marijuana along with localized police enforcement targeting behaviors such as distracted driving and speeding.

*(List major activities to be carried out to achieve objectives stated in Section III above. List the start and end date for each activity, and include in your description **what** will be done, **who** will do it, and **who** will be affected.)*

	Start Date	End Date	Activity
1.	10/01/2020	11/30/2021	Engage social marketing consultant on project. (Consultant managed by TSOC, targeted populations that see higher proportion of serious crashes such as teens, motorcyclists and seniors).

Plans for sharing the project activities with others:

The project main goal is to reach as many people as we can. We will use social media, earned media, purchased media, and direct community engagement to achieve these goals. We would be happy to present at ODOT Safety Conference and are working with National Safety Council and the National Center for Rural Road Safety to conduct a webinar.

B. Coordination

(List the groups and agencies with which you will be cooperating to complete the activities of the project. Explain how you will be working together. In those projects not requiring the involvement of other agencies, a statement justifying the ability of the applicant to carry out the project independently should be included.)

V. Evaluation Plan

A. Evaluation Questions

(You will be reporting on your objectives in your Project Evaluation. At a minimum each objective should be rephrased as an evaluation question. For example, what percentage of the public in (funded jurisdiction) wears a safety belt? What percentage increase is this? Add questions that demonstrate expected or potential impact of the project on the state or jurisdiction's traffic safety environment. Avoid yes/no evaluation questions.)

	Evaluation Question
1.	How many people, and what subsets of the rural population, were targeted with social marketing messages?
2.	How many people engaged with the marketing through analyzing use of social media hashtags, google analytics and received presentations?
3.	Has the County developed a core competency of social marketing that can be used in other campaigns and efforts and to expand Drive to Zero in the future?
4.	How many enforcement operations were completed? What were the sales rates for minor decoy operations? How many citations were issued?

No federal funds may be used to provide work in violation of 42 U.S.C. 14402.

2. Equal Employment Opportunity. If this Agreement, including amendments, is for more than \$10,000, then Grantee shall comply and require all subcontractors to comply with Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 CFR Part 60).

- Acknowledges that the United States has a right to seek judicial enforcement with regard to any matter arising under these Non-Discrimination Authorities and this Assurance;
- Agrees to insert in all contracts and funding agreements with other state or private entities the following clause:
 "During the performance of this contract/funding agreement, the contractor/funding recipient agrees—
a. To comply with all Federal nondiscrimination laws and regulations, as may be amended from time to time;
b. Not to participate directly or indirectly in the discrimination prohibited by any Federal non-

- discrimination law or regulation, as set forth in Appendix B of 49 CFR part 21 and herein;
- c.** To permit access to its books, records, accounts, other sources of information, and its facilities as required by the State or Oregon highway safety office, US DOT or NHTSA;
- d.** That, in event a contractor/funding recipient fails to comply with any nondiscrimination provisions in this contract/funding agreement, the State highway safety agency will have the right to impose such contract/agreement sanctions as it or NHTSA determine are appropriate, including but not limited to withholding payments to the contractor/funding recipient under the contract/agreement until the contractor/funding recipient complies; and/or cancelling, terminating, or suspending a contract or funding agreement, in whole or in part; and
- e.** To insert this clause, including paragraphs (a) through (e), in every subcontract and subagreement and in every solicitation for a subcontract or sub-agreement, that receives Federal funds under this program.

11. Buy America Act. All material and equipment purchased shall be produced in the United States in accordance with Section 165 of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424; 96 Stat. 2097) unless the Secretary of Transportation has determined under Section 165 that it is appropriate to waive this agreement.

The State and each subrecipient will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using Federal Funds. Buy America requires a State, or subrecipient, to purchase with Federal funds only steel, iron and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use Federal funds to purchase foreign produced items, the State must submit a waiver request that provides an adequate basis and justification for approval by the Secretary of Transportation.

12. Prohibition on Using Grant Funds to Check for Helmet Use. The State and each subrecipient will not use 23 U.S.C Chapter 4 grant funds for programs to check helmet usage or to create checkpoints that specifically target motorcyclists.

13. Political Activity (Hatch Act). The State will comply with provisions of the Hatch Act (5 U.S.C. §§1501-1508) which limits the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

14. Certification Regarding Federal Lobbying.

Certification for Contracts, Grants, Loans, and Cooperative Agreements.

Grantee certifies by the signature of its authorized representative to this Agreement that, to the best of his or her knowledge and belief:

a. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions;

c. The undersigned shall require that the language of this certification be included in the award documents for all sub-award at all tiers (including subcontracts, subgrants, and contracts under grant, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

15. Restriction on State Lobbying. None of the funds will be used for any activity specifically designed to urge or influence a state or local legislator to favor or oppose the adoption of any specific legislative proposal pending before any State or local legislative body. Such activities include both direct and indirect (e.g., "grassroots")

lobbying activities, with one exception. This does not preclude a State official whose salary is supported with NHTSA funds from engaging in direct communications with State or local legislative officials, in accordance with customary State practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

16. Certification Regarding Debarment and Suspension.

Instructions for Primary Tier Participant Certification (States)

a. By signing and submitting this proposal, the prospective primary tier participant is providing the certification set out below and agrees to comply with the requirements of 2 CFR Parts 180 and 1200.
