**EXECUTIVE SUMMARY:** The Behavioral Health Division of the Health, Housing and Human Services Department requests the approval of a Local Subrecipient Grant Agreement with Recovery Works NW LLC to assist with the establishment of a Medically Monitored Withdrawal Management Program Services. The common term for this program is Detox.

At present, there are no detox providers in Clackamas County; however, Recovery Work NW will be opening a sixteen (16) bed Medically Monitored Withdrawal Management Program in Multnomah County at 122<sup>nd</sup> and Foster Road. They are currently the only substance use provider seeking to lift up a detox program in the proximity of Clackamas County. Based on these factors Behavioral Health requested and received sole source grant approval from Grants on May 22, 2023.

Funding provided through this Agreement will support the recruitment, relocation and six (6) months' wages for two (2) Registered Nurse Managers; six (6) months' wages and benefits for a Facilities and Program Manager; and recruitment and relocation of three (3) to five (5) registered nurses (RNs) and/or licensed practical nurses (LPNs).

The maximum funding of \$236,075.00 is available for up to twelve (12) months and is being made available to ensure dedicated access for Clackamas County residents. Recovery Works has committed to providing targeted communication to Clackamas County residents regarding the availability of the services and how to access a treatment bed.

For Filing Use Only

Following this initial partnership, an ongoing relationship will be sought to ensure that Clackamas County has access to up to four (4) beds dedicated to Clackamas County residents seeking withdrawal management (detox) services.

**RECOMMENDATION:** Staff recommends Board approval of this Local Subrecipient Grant Agreement.

Respectfully submitted,

*Rodney A. Cook*

Tracking System (MOTS) as specified in OHA's MOTS Reference Manual, located at: <http://www.oregon.gov/oha/hsd/amh-mots/Pages/index.aspx>, and the "Who Reports in MOTS Policy", as follows:

### **Which Behavioral Health Providers are Required to Report in MOTS?**

The data collection system for the Health Systems Division (HSD) is the Measures and Outcomes Tracking System or MOTS. In general, behavioral health providers who are either licensed or have a letter of approval from the HSD (or the former Addictions & Mental Health Division [AMH]), and receive public funds to provide treatment services are required to report to MOTS. In addition to the general rule above, there are four basic ways to classify who is required to submit data to MOTS:

- i. Providers with HSD Agreements that deliver treatment services (this includes Community Mental Health Programs [CMHP], Local Mental Health Authorities [LMHA] and other types of community behavioral health providers); these programs should all have a license or letter of approval from the HSD or AMH;
- ii. Providers that are subcontractors (can be a subcontractor of a CMHP or other entity that holds a contract with HSD or OHA, such as a Mental Health Organization [MHO], or a Coordinated Care Organization [CCO]);
- iii. Providers that HSD does not contract with but are required to submit data to MOTS by State/Federal statute or rule; these include DUII providers and methadone maintenance providers; and
- iv. Providers that contract with other governmental agencies (e.g., Oregon Youth Authority [OYA] or the Department of Corrections [DOC] to deliver mental health and/or substance abuse services).

NOTE: Primary care physicians that provide a single service on behalf of the CMHP are not required to report the MOTS status or service level data.

If there are any questions, contact MOTS Support at [MOTS.Support@dhsosha.state.or.us](mailto:MOTS.Support@dhsosha.state.or.us).

SUBRECIPIENT shall work with OHA if it does not have staff that fluently speak the language of an eligible Client, including qualified Sign Language Interpreters for Clients who are deaf or hard of hearing and whose preferred mode of communication is sign language.

For purposes of the foregoing, “written material” means materials created by SUBRECIPIENT, in connection with the services being provided to the requestor. The SUBRECIPIENT may develop its own forms and materials and with such forms and materials the SUBRECIPIENT shall be responsible for making them available to a Client, without charge to the Client, in the prevalent non-English language(s) within the COUNTY service area. OHA shall be responsible for making it forms and materials available, without charge to the Client or Provider, in the prevalent non-English language(s) within the COUNTY’s service area.

With respect to that portion of the intellectual property SUBRECIPIENT owns, SUBRECIPIENT grants to OHA and COUNTY a perpetual, worldwide, non-exclusive, royalty-free and irrevocable license, subject to any provisions in the Agreement that restrict or prohibit dissemination or disclosure of information, to: (1) use, reproduce, prepare derivative works based upon, distribute copies of, perform and display the intellectual property; (2) authorize third parties to exercise the rights set forth in Section 13.a.(1) on OHA and COUNTY's behalf; and (3) sublicense to third parties the rights set forth in Section 13.a.(1).
  - b. To the extent that OHA becomes the owner of any intellectual property created or delivered by SUBRECIPIENT in connection with the Services, OHA will grant a perpetual, worldwide, non-exclusive, royalty-free and irrevocable license, subject to any provisions in the Agreement that restrict or prohibit dissemination or disclosure of information, to SUBRECIPIENT to use, copy distribute, display, build upon and improve the intellectual property.
