

CITY OF WILSONVILLE

SUBMITTED TO THE LEGAL VOTERS OF SAID CITY.

**REASONS FOR DEMANDING RECALL OF BENNY HOLT,
CITY COUNCILOR, CITY OF WILSONVILLE**

The people want a vote on whether to build a new City Hall. The only way to assure a vote on the new City Hall is by voting to recall Mayor Charlotte Lehan, Councilman Benny Holt, and Councilman Bruce Barton.

Charlotte Lehan, Benny Holt, Bruce Barton have irresponsibly voted to authorize the Wilsonville Urban Renewal District to execute a contract to build a new City Hall, rather than honor the people's vote on the City Hall Ballot Measure that will be on the ballot on November 5, 2002. If the Ballot Measure passes, the City will not have the legal authority to honor the contract, even though the City will have the legal obligation to do so. Signing the contract has exposed the City to liability if the Ballot Measure passes.

By disregarding the public process and by wasting city resources to further their political agenda, these three elected officials have violated the public trust. Any elected official who has lost the trust of the people should no longer serve.

**JUSTIFICATION OF HIS COURSE IN OFFICE BY
BENNY HOLT, CITY COUNCILOR, CITY OF WILSONVILLE**

Two hundred words aren't very many to defend yourself against determined opposition. I have done my best to serve you. I've kept my commitment to you to spend the time to understand the issues, consider the options and make the soundest decisions possible.

I listened when you asked us to not put a levy on the ballot this fall that would compete with schools. Instead, I voted to deeply cut the City's budget this year and use the \$2.5 million set aside for city hall construction and directed it to police and library services. I also voted to use urban renewal funds to build city hall because we need office space. It is the most responsible choice for the use of taxpayer dollars in this faltering economy.

For these decisions, some in our community would say I deserve the worst punishment available - recall. Recall, though, is intended for those who have committed fraud or criminal acts, not for making one decision some disagree with.

I have been honored to serve you. In the end, you will determine my fate as your city councilor. I hope you will reject this hurtful recall and allow me to complete my term.

Together, we have faced many controversial issues. When a prison was to be sited at Dammasch, I stood up with you against the highest levels of state government to find a better solution. When our wells gave out, I worked to find a water source that would provide for generations to come.

In many instances such as these, I have worked closely with community and regional partners to bring things to our city like the Wilsonville Tract, transportation funding, a beautiful library, a new high school and new primary school, - always looking not just to today's needs, but to our future.

Now I am asked to pay the price for leading - recall. It hurts me deeply and could greatly damage our city's reputation. I am given 200 words to ask that you consider the whole of my work, not any one decision where we may have disagreed.

JUSTIFICATION OF HIS COURSE IN OFFICE BY BRUCE BARTON, CITY COUNCILOR, CITY OF WILSONVILLE

Serving you as your city councilor for the last six years, I have supported the following:

- Metro's purchase of the 250 acre Wilsonville Tact
Not building the prison on the Dammasch property
\$10,000,000 sewer treatment plant expansion
Ball fields and lighting in Memorial Park
Ball fields at local schools
Trails and bike paths within the City
Building the water treatment plant
Expanding public library services
Road improvements and the maintenance of roads
Working with neighborhoods to improve their parks
An excellent police force in our City
Codes to preserve the environment and livability of our city
Building a new city hall

Now some people want to recall me for supporting building a new city hall. Building now makes the most sense. I can go into many reasons why, which you have all heard. Mainly, I support this decision because it is a long term solution that will serve this community for the next forty years or more and will save us and our children tax dollars.

If you vote yes to recall me, I would hope you would also run for City Council.
