If SUBRECIPIENT is a victim service provider or a legal services provider, it may use a comparable database that collects client-level data over time (i.e., longitudinal data) and generates unduplicated aggregate reports based on the data. Information entered into a comparable database must not be entered directly into or provided to an HMIS
- b. **ESG Program Policies.** SUBRECIPIENT agrees to adhere to the Clackamas County ESG Program Policy Manual which is made part of this agreement as Attachment A.

Examples of these programs are included in 24 CFR Part 576.400(c).
- b. Coordinated Housing Assessment. The Continuum of Care has developed a coordinated assessment system in accordance with requirements to be established by HUD, each ESG-funded program or project within the Continuum of Care's area must use that assessment system. A victim service provider may choose not to use the Continuum of Care's coordinated assessment system.
- c. SUBRECIPIENT must establish and consistently apply written standards for providing ESG assistance. At a minimum these written standards must include:
 - i. Standard policies and procedures for evaluating individuals' and families' eligibility for assistance under ESG;
 - ii. Standards for targeting and providing essential services related to street outreach;

 - iv. Policies and procedures for assessing, prioritizing, and reassessing individuals' and families' needs for essential services related to emergency shelter;

 - vii. Standards for determining what percentage or amount of rent and utilities costs each program participant must pay while receiving homelessness prevention or rapid re-housing assistance;
 - viii. Standards for determining how long a particular program participant will be provided with rental assistance and whether and how the amount of that assistance will be adjusted over time; and
 - ix. Standards for determining the type, amount, and duration of housing stabilization and/or relocation services to provide to a program participant, including the limits, if any, on the homelessness prevention or rapid re-housing assistance that each program participant may receive, such as the maximum amount of assistance, maximum number of months the program participant receive assistance, or the maximum number of times the program participant may receive assistance.

If SUBRECIPIENT is a victim service provider or a legal services provider, it may use a comparable database that collects client-level data over time (i.e., longitudinal data) and generates unduplicated aggregate reports based on the data. Information entered into a comparable database must not be entered directly into or provided to an HMIS.
- e. Evaluations. SUBRECIPIENT must conduct an initial evaluation to determine the eligibility of each individual or family's eligibility for ESG assistance and the amount and types of assistance the individual or family needs to regain stability in permanent housing. These evaluations must be conducted in accordance with the centralized or coordinated assessment requirements set forth under § 576.400(d) and the written standards established under § 576.400(e).

- i. If a program participant violates program requirements, SUBRECIPIENT may terminate the assistance in accordance with a formal process established by COUNTY that recognizes the rights of individuals affected. SUBRECIPIENT must exercise judgment and examine all extenuating circumstances in determining when violations warrant termination so that a program participant's assistance is terminated only in the most severe cases.

Smoke detectors must be located, to the extent practicable, in a hallway adjacent to a bedroom. If the unit is occupied by hearing impaired persons, smoke detectors must have an alarm system designed for hearing impaired persons in each bedroom occupied by a hearing-impaired person.
 - c) The public areas of all housing must be equipped with a sufficient number, but not less than one for each area, of battery-operated or hard-wired smoke detectors. Public areas include, but are not limited to, laundry rooms, community rooms, day care centers, hallways, stairwells, and other common areas.
- m. Organizational conflicts of interest. The provision of any type or amount of ESG assistance may not be conditioned on an individual's or family's acceptance or occupancy of emergency shelter or housing owned by the recipient, SUBRECIPIENT, or a parent or subsidiary of SUBRECIPIENT. No subrecipient may, with respect to individuals or families occupying housing owned by SUBRECIPIENT, or any parent or subsidiary of SUBRECIPIENT, carry out the initial evaluation required under § 576.401 or administer homelessness prevention assistance under § 576.103.
- n. Individual conflicts of interest. For the procurement of goods and services, SUBRECIPIENT must comply with the codes of conduct and conflict of interest requirements under 24 CFR 84.42. For all other transactions and activities, the following restrictions apply:
- i. Conflicts prohibited. No person described in paragraph 7.14.2 of this section who exercises or has exercised any functions or responsibilities with respect to activities assisted under the ESG program, or who is in a position to participate in a decision-making process or gain inside information with regard to activities assisted under the program, may obtain a financial interest or benefit from an assisted activity; have a financial interest in any contract, subcontract, or agreement with respect to an assisted activity; or have a financial interest in the proceeds derived from an assisted activity, either for him or herself or for those with whom he or she has family or business ties, during his or her tenure or during the one-year period following his or her tenure.
 - ii. Persons covered. The conflict-of-interest provisions of paragraph (b)(1) of this section apply to any person who is an employee, agent, consultant, officer, or elected or appointed official of SUBRECIPIENT.
 - iii. Exceptions. Upon the written request of the recipient, COUNTY, in conjunction with HUD, may grant an exception to the provisions of this subsection on a case-by-case basis, taking into account the nature of the conflict and the factors listed below:
 - a) Threshold requirements. COUNTY and HUD will consider an exception only after the recipient has provided an opinion of the recipient's attorney that the interest for which the exception is sought would not violate state or local law.
 - b) Factors to be considered for exceptions. In determining whether to grant a requested exception after SUBRECIPIENT has satisfactorily met the threshold requirements, HUD must conclude that the exception will serve to further the purposes of the ESG program and the effective and efficient administration of SUBRECIPIENT's program or project, taking into account the cumulative effect of the following factors, as applicable:
 - (1) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;
 - (2) Whether an opportunity was provided for open competitive bidding or negotiation;
 - (3) Whether the affected person has withdrawn from his or her functions, responsibilities or the decision-making process with respect to the specific activity in question;
 - (4) Whether the interest or benefit was present before the affected person was in the position in which the conflict of interest may have occurred;

- (5) Whether undue hardship results to SUBRECIPIENT, or the person affected, when weighed against the public interest served by avoiding the prohibited conflict; and
 - (6) Any other relevant considerations.
 - iv. Contractors. All contractors of SUBRECIPIENT must comply with the same requirements that apply to subrecipients under this section.
- o. Homeless Participation.
 - i. SUBRECIPIENT must provide for the participation of not less than one homeless individual or formerly homeless individual on the board of directors or other equivalent policy-making entity of SUBRECIPIENT, to the extent that the entity considers and makes policies and decisions regarding any facilities, services, or other assistance that receive funding under ESG.
 - ii. If SUBRECIPIENT is unable to meet the homeless participation requirement, it must instead develop and implement a plan to consult with homeless or formerly homeless individuals in considering and making policies and decisions regarding any facilities, services, or other assistance that receive funding under ESG. The plan must be submitted to COUNTY to be included in the annual action plan required under 24 CFR 91.220.
 - iii. To the maximum extent practicable, SUBRECIPIENT must involve homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under ESG, in providing services assisted under ESG, and in providing services for occupants of facilities assisted under ESG.

Contract No.	#8946, Amendment #02

BACKGROUND:

The Administration Division of the Health, Housing, and Human Services Department requests the approval of Amendment #02 to Agency Service Contract #8946 with Central City Concern (CCC). CCC is the comprehensive service provider with the Law Enforcement Assisted Diversion (LEAD) program. LEAD is a program developed to address low-level drug street crime in Clackamas County. The goal of LEAD is to improve community health and safety by using specific human services tools and coordinating them with law enforcement to divert people from the criminal justice system toward systems of care that address their underlying needs.

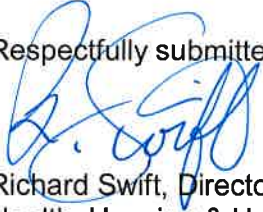

H3S Admin, in partnership with Children, Families, and Community Connections applied in 2020 for a federal Comprehensive Opioid Abuse Site Based Program grant to sustain and expand service levels of the LEAD program beginning in January 2021. This Amendment will allow for sustainment of current service levels provided by Central City Concern until December 31, 2020. This will cover the needs of CCC for six months to continue to help lower the rates of arrests, new criminal charges, nights in jail, and failure to appear in court while assisting clients with other needs as necessary. It is anticipated that notification of awards for the comprehensive opioid abuse site based program grant funding will occur before December 31, 2020. If the federal grant application is not successful H3S will redirect unallocated funds from the Affordable Housing and Services Fund to maintain service levels beginning in calendar year 2021.

This Amendment adds \$174,141.00 to the contract increasing the maximum contract value to \$458,445.00 This Amendment is effective July 1, 2020 and terminates December 31, 2020.

RECOMMENDATION:

Staff recommends Board approval of the Amendment and authorization for Richard Swift, H3S Director to sign on behalf of Clackamas County.

Respectfully submitted,
