Dear Clackamas County Voter:

This Voters' Pamphlet contains information designed to assist you in voting: ballot titles, explanatory statements and arguments pertaining to local measures which appear on the November 7, 2017 Special Election ballot in Clackamas County. Please remember, in order to vote on a measure, you must be an active registered voter of the jurisdiction placing the measure on the ballot.

Your voted ballot must be received at an official ballot drop site or at the Elections Office, 1710 Red Soils Ct., Ste. 100, in Oregon City by 8:00 p.m. on election night in order to be tallied. Remember, the postmark on a mailed ballot does NOT count.

Results are available on the County Clerk's election webpage after 8:00 p.m. on election night. The web address is www.clackamas.us/elections/results.html.

Official ballot drop sites are listed on the front of this pamphlet. Indoor drop boxes will be available during regular business hours (and outdoor drop boxes are available 24 hours a day) beginning Wednesday, October 18 until 8:00 p.m. on Tuesday, November 7, 2017.

Ballots will be delivered to households between Wednesday, October 18 and Tuesday, October 24. Please contact us if you have not received a ballot by October 24.

If a ballot was delivered to your residence for someone who should no longer be receiving ballots at your address, please write "RETURN" on the envelope and place it back in your mailbox. If a ballot was sent to someone who has passed away, please write "DECEASED" on the envelope and place it back in your mailbox.

If you need assistance voting or have any questions about this particular election or the election process, please call the Elections Division at 503.655.8510.

Sincerely,

A handwritten signature in black ink that reads "Sherry Hall".

Sherry Hall
Clackamas County Clerk

VOTER INFORMATION

YOU MAY REGISTER TO VOTE IF:

1. You are a resident of Oregon;
2. You are at least 17 years of age (though you will not receive a ballot until an election occurs on or after your 18th birthday), and
3. You are a United States citizen.

YOU MUST UPDATE YOUR REGISTRATION IF:

1. Your residence or mailing address changes;
2. Your name changes, or
3. You wish to change political affiliation.

To be eligible to vote, you must be registered by the close of business on the 21st day before an election (October 17, 2017).

If you make a mistake or damage your ballot in any way and need a replacement, or if you have questions on registration or updating your registration, contact the Elections Division by calling **503.655.8510**.

If a ballot was delivered to your residence for someone who should no longer be receiving ballots at that address, please write "RETURN" on the unopened envelope and put it back in your mailbox.

If a ballot was sent to someone at your address who has passed away, please write "DECEASED" on the unopened envelope and place it in your mailbox to be returned to Elections.

Your voted ballot must be received in any county Elections office or ballot drop site by 8:00 p.m. on Election Day, Tuesday, November 7, 2017. **If you return your ballot by mail, remember: the postmark does not count.**

If, instead of mailing your ballot, you'd prefer to take it to an **Official Ballot Drop Site**, the addresses can be found elsewhere in this pamphlet.

Measure Text and Arguments (if any) are printed as filed; no spelling or grammatical corrections are made.

Measure 26-196

CAPTION: BONDS TO CONSTRUCT JOB TRAINING SPACE, IMPROVE CLASSROOMS, SAFETY, TECHNOLOGY.

QUESTION: Shall Portland Community College construct, expand, modernize facilities; estimated to maintain current tax rate by issuing \$185 million in bonds? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

SUMMARY: Projects expected to be financed with bond funds include:

- Construction and improvements to provide students with up-to-date job training spaces;
- Acquisition of modern technology and equipment;
- Improvements to transit and disability access;
- Projects to increase facility lifespan and efficiency through energy efficiency, heating, ventilation, air conditioning, electrical, plumbing, and sustainability improvements;
- Site improvements, demolition, furnishing, equipping, acquiring or purchasing land, bond issuance costs;
- Modernizing the Portland Metropolitan Workforce Training Center;
- Improving the Sylvania Campus Health Technology Building and Health Inter-Professional Training Facility;
- Constructing child care facility on Rock Creek campus;
- Upgrading Cascade Public Safety Building and enhancing safety and security district wide.

If bonds approved, matching state funds of \$8 million would be available to reduce overall cost to taxpayers.

PCC will conduct, issue annual audits to ensure funds used as intended.

Bonds would mature in not to exceed 16 years from issuance. Bond cost estimated to maintain fiscal year 2017 rate of 40 cents per \$1,000 of assessed value. Actual rates may differ and depend on interest rates incurred and assessed value growth.

EXPLANATORY STATEMENT

Portland Community College (PCC) is the largest post-secondary institution in Oregon. It assists 78,000 full and part-time students in Multnomah, Washington, Yamhill, Clackamas and Columbia counties to obtain career training and further their education.

PCC is conducting a district wide examination of its physical infrastructure and academic program needs, to strategically plan for the future. PCC's strategic plan (the "Plan") adopted by the Board focuses on three essential goals which have led to this bond request:

- 1. Improve workforce training programs to better align with current and future jobs:** Expanded facilities and updated technology for students will help develop skills for the jobs of tomorrow, with the goal of securing higher paying jobs to meet the growing cost of living in the metro area.
- 2. Invest in training for Health and STEAM (Science, Technology, Engineering, Arts and Math) programs:** Students studying these disciplines require access to the latest technology and adequate facilities to enter the workforce career ready.

- 3. Invest in meeting safety and security needs, and provide disability access:** PCC goals include investing in safety, security and accessibility, so students are safe and invited to learn.

If approved, bond proceeds are expected to include the following investments:

- Improvements to the Portland Metropolitan Workforce Training Center to provide students with up-to-date job training spaces by rebuilding two outdated buildings and combining programs into one multi-story facility.
- Sylvania campus Health Technology Building renovation: including updates to science and biology labs, nursing education suites and faculty workspace for health-related career fields. Seismic, safety and accessibility needs will also be addressed.
- Development and redesign of spaces used for health inter-professional training.
- Safety, security, longevity, and accessibility upgrades.
- Long range planning to align overall facilities and academic plans. A comprehensive approach is expected to increase coordination and efficiency, reducing long term costs.

What would the bond cost?

Because of expiring bonds, the PCC bond measure is estimated to maintain current tax rates for local homeowners. If voters approve the bond it is expected to maintain the fiscal year 2017 rate of \$0.40 per \$1,000 for 16 years. For a house assessed at \$200,000 the cost is estimated at \$80 per year, or \$6.66 per month. The total principal amount of bonds authorized will not exceed \$185 million. Actual levy rates may differ depending on interest rates incurred and growth in assessed value.

Accountability

Funds from the bond would go directly to the projects that are expected to help achieve the goals outlined above. PCC would emphasize openness and transparency so that the public can track how funds from the bonds are spent.

Submitted by
Sylvia Kelley, Executive Vice President
Portland Community College

Measure 26-196

ARGUMENT IN FAVOR

Over the years, taxpayers in our district have invested in the future of our community by supporting Portland Community College. And here at PCC, we have worked hard to return on those investments.

Portland Community College now is the largest post-secondary institution in Oregon, serving nearly 78,000 full-time and part-time students, online and on campus.

In fact, PCC ranks in the top 20 community colleges in the nation.

PCC also ranks #1 in Oregon in graduates' salaries compared to tuition cost.

This bond renewal will enable PCC to continue to build on that foundation of success.

This bond will help:

- Modernize PCC's job training centers
- Update technology and equipment
- Improve transit access
- Construct a child care facility
- Upgrade safety and security on campuses
- Increase facility lifespan, energy efficiency and sustainability – to decrease costs in the long run

PCC values equity and inclusion for minority businesses, workers, and contractors.

Future PCC bond projects will include clear goals to provide more contracting opportunities to minority, women-owned, and emerging small businesses. Together, we can make investments that do more than build a college – we can help build a stronger, more diverse business community.

We are proud of what our bond program has built, and committed to providing up to date information on the planning and implementation these projects – that information can be found at <https://www.pcc.edu/about/bond/>.

We thank the community for your continued support of one of our area's greatest assets: our community college and the dedicated PCC employees and students who are doing their part to make our community shine.

Please join us in voting YES on M26-196

Measure 26-196

ARGUMENT IN FAVOR

Business Leaders Urge a YES Vote on M26-196

As business leaders in the metro area, we are well aware of how our region is changing. We are now competing with people from around the world for jobs and for business.

In this changing environment, our goal is to hire employees who will stay and grow with us – employees with strong roots in the community, who have the skills and qualifications required for the jobs of tomorrow.

We find those employees here in the Northwest – with certificates and degrees from local colleges and universities. PCC is the largest of those institutions; in fact it is the largest post-secondary institution in Oregon.

PCC graduates students with the skills and training to fill the positions we need. For example, PCC offers certificates and degrees in:

- Bioscience
- Building Construction
- Computer Science
- Engineering
- Health Information Management
- Manufacturing
- Medical Professions & Nursing

As business leaders in the metro area, we support PCC's bond renewal because PCC graduates are our employees, our managers, our directors – and for some of us – the heads of our companies and our industries.

YES! PCC is a smart investment in our future.

Measure 26-196

ARGUMENT IN FAVOR

As health care professionals in the metro area, we support PCC's bond renewal measure because it will help to strengthen an industry we all rely upon, and lift up our families in the process.

The health care industry is expected to lead job growth in Oregon over the next decade; it is one of the fastest growing industries in the state.

Oregon's education system is working to keep pace with this growth – graduating qualified practitioners and incorporating new competencies into traditional training programs.

PCC offers degrees and certificates in some of the most in-demand health care fields, including:

- Dental Hygiene
- Emergency Medical Technician
- Gerontology
- Medical Imaging
- Medical Laboratory Technology
- Nursing

The 2017 bond renewal will go to expanding and modernizing PCC's health care training programs. The facilities and equipment used by PCC's health care certificate and degree programs (medical, nursing and dental) are essential to those programs.

By continuing to improve upon the success of these programs, PCC is not only investing in an industry that is essential to our economy – it is also providing a pathway for individuals in our area to a stable and well-paying career.

Please join us in voting YES for PCC.

Measure 26-196

ARGUMENT IN FAVOR

We're voting YES for PCC

Community groups, organizations and non-profits support this measure because this bond renewal isn't just about building a community college – it's about building a community.

Portland Community College is our partner.

Access, student success, quality education, equity, inclusion, sustainability and resilience – these are core principles we share with PCC and its vision for the future of our community.

PCC supports underserved and underrepresented communities in the metro area by providing a less expensive, more accessible path to a college degree.

PCC teaches the skills necessary to secure better paying jobs – strengthening families and communities as a result.

PCC is actively working to increase equity and inclusion by recruiting diverse faculty, administrators and staff.

PCC is doing its part to combat climate change. The college is a nationally recognized leader in the higher education community for sustainability and climate action.

PCC supports metro area youth by offering advanced courses for high schoolers, GED programs, and an affordable pathway to a four-year degree.

PCC supports people who are unemployed and underemployed, by offering training courses for individuals re-entering the workforce or changing careers.

PCC supports students with jobs, children at home, or other commitments, by offering online classes and flexible schedules.

PCC partners with us – our schools, our non-profits, community groups and organizations – to provide opportunities and services we have all come to count on.

We support PCC because PCC supports us.

Measure 26-196

ARGUMENT IN FAVOR

Our economic development organizations – chambers of commerce, business associations, and others – support the PCC bond because it is an investment in the future of our area.

PCC Helps Our Economy Grow

PCC's job training programs supply students with the skills businesses in our area demand – so that they can compete in the region's major industries. Without a skilled workforce, metro area businesses are unable to keep pace, and are forced to recruit from elsewhere.

Local employers face challenges finding the highly skilled employees they need to grow their business and compete successfully. This bond renewal will increase access to critical career and technical education programs that prepare students for good-paying jobs and support employers who are ready to expand.

PCC is a Safe Investment

Portland Community College has a proven track record of offering courses that fit the needs of our local economy – and when the economic landscape changes, PCC changes with it. PCC has demonstrated success in graduating students who are qualified for – and hired for – the jobs that fuel our local economy.

We support this bond renewal – and PCC – because PCC supports our economy and helps keep our community strong.

Join business and economic development leaders in voting YES on M26-196.

Measure 26-196

ARGUMENT IN FAVOR

ELECTED LEADERS URGE A YES VOTE ON 26-196

Portland Community College provides access to affordable education for ALL

Now, more than ever, access to affordable education is critical to the future of our community and the people who want to make a home here for themselves and their family. Oregon's economic recovery is not reaching everyone equally. Too many low-income and communities of color are being left behind. Affordable, accessible education is the key to unlocking opportunity for all. As the state's largest college, PCC holds the key to a successful future for individuals and communities across the region.

We urge you to vote YES!

PCC is a vital part of our economy

Demand for a skilled and educated workforce is expanding among the region's top employers. Good paying jobs are growing increasingly complex and require workers with the technical training necessary to adapt. PCC is focused on meeting the needs of Portland metro's workforce. Funds from the bond will go to improving workforce training programs and prepare us all for a better future.

Smart investment for today and tomorrow

This bond is simply a renewal of an existing rate so your YES vote will not increase your current tax rate but will allow PCC to leverage \$8 million in matching funds from the State of Oregon. Taxpayer oversight includes annual audits and project transparency through a public information portal to be found on the PCC website.

Measure 26-196

ARGUMENT IN FAVOR

As PCC faculty, we help to train and educate a wide variety of students throughout the region. Students representing every age group, income level and cultural background - seeking vocational training, technical degrees, or a jump start to a 4-year degree.

These students require the most up-to-date technology and classrooms in order to prepare for their future careers. When our students graduate, they go on to compete with students from across the nation – and in order to help them secure the jobs they've trained for, PCC needs up-to-date tools and facilities.

If passed, this bond will help:

- Modernize the Portland Metropolitan Workforce Training Center
- Update the Sylvania Campus Health Technology Building and Health Inter-Professional Training Facility – including updating science and biology labs, nursing education suites, and workspace for other health-related career fields
- Improve classrooms
- Acquire modern technology and equipment

As commutes get longer and rents get higher, students are turning more to local community colleges and online courses. To meet that demand, PCC must continue providing its students with up-to-date training and technological tools. Join us in voting YES on this bond so we can continue to do that.

Please vote YES for PCC

Measure 26-196

ARGUMENT IN FAVOR

Dear Voter:

As a first-generation college student, I face pressures and financial hardships many students don't. I was destined to get lost in the system. But instead I prevailed.

I enrolled at PCC to begin my journey toward a better life. While working three jobs to pay for tuition and provide for myself, I made a promise that I would always put my best self forward and advocate for others so that they may have the same opportunities. While taking classes, I worked for PCC's Career Exploration Center, Women's Resource Center, and soon after became the student body President at PCC Rock Creek.

Now, as my time at PCC is reaching its close, it is important that I pass the torch and help open doors that I did not have access to. As the community changes, PCC must continue to change with it.

I'm supporting PCC's bond renewal measure because it will help change the lives of students all over Portland. The affordability, resources and opportunities that flow from Portland Community College enrich our community and workforce.

Voting YES will make an extraordinary difference in the lives of thousands of people and families throughout the five counties that PCC serves – people just like me.

Ivan Hernandez, PCC Student

(This information furnished by Hailey Sheldon, PCC Forward)

Measure 26-196

ARGUMENT IN FAVOR

When I signed up for my very first college class at the PCC campus in my neighborhood, I had no way of knowing I was starting an education journey that would eventually take me to the Harvard Kennedy School. I would not have thought that possible considering my financial means at the time. I didn't know what courses I wanted to take. All I knew then was that I had a hunger to learn and I needed to start somewhere that felt accessible and welcoming.

My very first class set the tone and gave me the confidence I needed to continue pushing forward. I had signed up for a math class and was a little worried because I didn't think I was good at math. My instructor changed all of that for me. Not only did I learn that I was good at math, I learned that I could excel in college.

Over the next few years I was encouraged, supported, and challenged to push myself by faculty, staff, and administrators who prioritized student success. At PCC I engaged with some of the smartest, most thoughtful and supportive instructors I've had in any institution of learning.

As our community continues to grow, and more people feel the pressure of an economy that isn't lifting everyone up, PCC holds the promise of a brighter future. It's not just the general affordability of PCC that makes the difference, but the rich and supportive learning environment that comes with it.

I support the PCC bond because I know PCC supports our community. The investment we make today to modernize classrooms and improve training programs will come back to us in the form of graduates who will have the skills and commitment to make our community stronger.
