President Peterson,

I am reaching out on behalf of the Board of County Commissioners to respectfully reiterate our request for a meeting with the Metro Council and all three county Boards. We understand Metro Council received recommendations from Metro COO Marissa Madrigal earlier this month. However, in advance of any final decisions regarding changes to the supportive housing services program it is imperative to share essential information about service delivery cost and challenges. As the implementing partners of this regional program we would appreciate an opportunity to sit down and discuss our programmatic landscape and what it needs to be successful.

Thank you for your consideration of this request, we look forward to hearing from you.

Chair Smith

On behalf of the Board of County Commissioners
