

## 172nd Ave Widening and Infrastructure Improvements

*Widen 172nd Ave and add bike lanes and sidewalks from Misty Dr to Maple Hill Ln, add traffic signals at Troge Road and Crossroads Ave, add multi-lane roundabouts at Hemrich Road and the future 190th Ave intersection, expand the roundabout at Scouters Mountain Road, add street lighting and improve crosswalks.*

**What:** Widen 172nd Ave to four travel lanes with a center planter median and turn lanes from Misty Dr to Maple Hill Ln with added bike lanes, landscape strips and sidewalks. Improve major intersections by adding traffic signals at Troge Road and Crossroads Ave, a multi-lane roundabout at Hemrich Road, a multi-lane roundabout at the future 190th Ave intersection and expanding the single-lane roundabout at Scouters Mountain Road to a multi-lane roundabout. Includes right of way acquisitions, moving existing utilities underground, replacing culverts at Troge Road, enhancing pedestrian crossings and adding street lighting.

**Why:** To reduce congestion relief, improve safety, provide safe routes and connectivity for bicyclists and pedestrians and to keep pace with future growth of Happy Valley.

### Timeline:

- Project design: Winter 2023 - Spring 2026
- Right of way: Summer 2023 - Spring 2026
- Construction: Summer 2026 - Summer 2028

**Traffic impact:** Expect single lane closures during construction with delays up to 20 minutes between Sunnyside Road and Maple Hill Lane.

**Cost:** \$53.3 million paid for by City of Happy Valley Funds and city/county transportation system development charges.
