

Appointed Boards and Commissions (ABCs) Recommendation

The Clackamas County Community Health Council, under the Health, Housing and Human Services Department, opened their recruitment for consumer and non-consumer representation. The Community Health Council has a federal grant requirement to maintain a majority of consumer members, and its by-laws require a minimum of nine members. This ABC holds a current roster of 8 members.

Members voted unanimously at the regularly scheduled meeting on February 16th 2022 to recommend to reinstate member, Linda Smith and Janet Squire, to serve their 2nd term on the council.

Linda is a retired critical care nurse with over 30 years of experience serving veterans in the Veteran's Administration (VA) healthcare system. Linda's greatest desire in volunteering on the Community Health Council is to ensure access to care for all Clackamas County residents.

Janet is a consumer of Clackamas County Health Centers, who has worked on the Community Health Council as the Member at Large helping to mentor new members to the Council. She is an active volunteer for NAMI, as well as several other agencies.

Our recommendation is as follows (list all applicants if applicable):

Linda Smith - Appointment to 2nd term to end February 28, 2025
Janet Squire - Appointment to 2nd term to end February 28, 2025

The Board of County Commissioners could select other candidates or require further recruitment.
