

# School Waste Reduction Grant Application: Oregon Green Schools certification support

**School:**

**Application date:**

---

Congratulations on being recognized as an Oregon Green School! (Or maybe you're on your way to earning it...) Your hard work makes a tangible improvement in your school's environmental impacts while modeling sustainability practices that students and staff take home with them.

Grants are available for amounts up to \$500 to support your certification and ongoing efforts, such as compensating for staff time or purchasing products and services.

Describe your school's proposed project in a few sentences:

Total: \$ \_\_\_\_\_

**Applications are due by April 30 to ensure project completion by the end of the school year.**

Has your school received a grant from Clackamas County within the past 2 years? \_\_\_\_\_

If not, include a completed [W-9 form](#) for your school along with your application.

School's street address:

School district:

---

---

---

---

Whom should the check be made out to? (Include mailing address)
