BACKGROUND:

Clackamas County's paved vehicle parking areas cover approximately 1.6 million square feet and include the Red Soils Campus, Abernethy Complex, North County Buildings, and various other County owned buildings and areas. With heavy public and daily employee use of the parking areas, inclement weather, and other degradations, there is a constant wear on the paved areas requiring continuous maintenance which has resulted in accelerated, deteriorating conditions.

Collectively, work will be required at four (4) separate parking lot locations on the Oregon City campus, and one (1) parking lot location at the Public Safety Training Center. Approximately 146,117 square feet of the paved areas are in good condition and will benefit from a clean and seal coat. This treatment will prolong the life expectancy of those areas significantly. Several parking areas are beyond the point of reseal and are in need of a full replacement. Currently, 53,660 square feet of the paved areas has exceeded its life cycle and has begun to crumble and deteriorate completely, creating pot holes and hazardous conditions.

There are several methods to care for, maintain and replace paving. The two main techniques used by the County at this time are seal coating and repaving; these would be the most cost effective procedures available for the current conditions of the pavement. This contract will allow for the removal and replacement of the pavement that has deteriorated beyond acceptable re-seal limitations and specifications, and re-sealing the parking areas that meet specifications that would extend the life of the pavement.

PROCUREMENT PROCESS:

This project advertised in accordance with ORS 279C and LCRB Rules on August 23, 2018. Bids were publicly opened on November 1, 2018. The County received three (3) bids: Hal's Construction, Inc., \$266,581.63; S-2 Contractors, \$448,259.50; and Brix Paving Northwest, \$281,456.77. After review of the bids it was determined that Hal's Construction was the lowest responsive and responsible bidder.

This contract has been reviewed and approved by County Counsel.

RECOMMENDATION:

Staff respectfully recommends the Board approve the contract with Hal's Construction, Inc. for the County Campus Parking Lot Repave Project.

Sincerely,

Christa Bosserman-Wolfe
