

Research a Property Permit Status

Visit <https://accela.clackamas.us/citizenaccess>.

Click the yellow "Search" button and select the department you will be searching
or
click "Search Applications" under Building.

A screenshot of the Clackamas County ePermitting System website. The browser address bar shows "accela.clackamas.us/citizenaccess/". The website header includes the Clackamas County logo, a "Home" link, and the phone number "Need help? 503-742-4400". Below the header are four large buttons: "+ Apply" (teal), "Q Search" (yellow), "Schedule" (green), and "? Resources" (dark grey). A navigation menu includes "Home", "Building", "Engineering", "Planning", "Soils", and "Code Enforcement", with a search bar to the right. The main content area is titled "Advanced Search" and contains a welcome message, a list of site features, and a "Login and apply for permits" section with input fields for "User Name or E-mail" and "Password", and a "Login »" button. There are also links for "Remember me on this computer", "I've forgotten my password", and "New Users: Register for an Account". The "Building" section is expanded, showing "Search Applications" and "Schedule an Inspection" links.

At this screen, enter the permit number or address of the property you are searching. (Hint: Only enter the street number and name. DON'T enter the direction or street type. Less information is better for this search.)

General Search

Search for record information by typing in your Record (permit) number and click Search. You may use the other search criteria to narrow down your search results, if needed.
