

Need vaccines?

School Based Health Centers can help!

Immunizations are required by law for children in schools, preschools and child care facilities to keep our schools safe and healthy places for all children.

If your child is missing immunizations for school or needs a flu or COVID-19 vaccine, now is a great time to catch up.

Call your nearby school based health center for an appointment today!

- **Adrienne C. Nelson High School**
503-353-5770
- **Clackamas High School**
503-353-5890
- **Estacada High School**
503-630-8550
- **Milwaukie High School**
503-353-5847
