November 16-18, 2022 | Riverhouse on the Deschutes Bend, Oregon

Workforce is a major and complex topic. In order to ensure that Oregonians have the skills to meet the needs of Oregon businesses, we need to establish even more effective partnerships and reimagine our understanding of education and work. The Oregon Workforce Partnership provides leadership that promotes and advances Oregon's workforce system.

The WORKing Together 2022 Conference will be held November 16-18, 2022 at the Riverhouse in Bend. The conference will bring together over 350 Oregon businesses, educators, public agency leaders, community-based organizations and workforce professionals to explore local, state and national best practices, emerging workforce trends and innovative solutions.
