Ongoing CATF Questions

- **Question:** How are we thinking about involving tribes into this discussion?
- **Question:** Since Oregon City does not have a Climate Action Plan, how will the emissions model include Oregon City emissions data?
- **Question:** What is the low hanging fruit that can impact both the climate, and our community's resiliency?

Business as Planned: Overview

Discuss!

Small groups to consider:

- What was new or surprising?
- What felt exciting? What felt daunting?
- What does the BAP tell you about what we need to do?
- What questions do you have following the presentation?
