HELD October 15, 2020**

Please direct all calls and correspondence to the staff contact indicated below.

Hearing Time: 9:30 a.m.

File Number: Z0487-17-I Remand

Proposal: The applicant is requesting authorization of a similar use, which requires an interpretation of the Zoning and Development Ordinance. They request that their proposed use be found similar to one or more recreational uses that are listed as conditional uses in the RRFF-5 zone. If the use is found similar to a listed conditional use, it would also be potentially permitted as a conditional use, subject to applicable development standards and conditional use review processes. Alternatively, the applicant requests that the county find that the proposed use is expressly allowed as a conditional use in the RRFF-5 District as a “park” or a “recreational use.”
