During the months of November through March, no more than five events shall be allowed per week. During the months of April through October, no more than seven events shall be allowed per week.

H. Guests: The maximum number of guests for any single event is 300. However, to the extent necessary to comply with Subsection 1203.03, a lower limit may be imposed based on site capacity constraints.

During all other hours, the average peak sound pressure level, when measured off the subject property, of noise created by the home occupation shall not exceed the greater of 50 dB(A) or the ambient noise level.

   a. Noise generated by vehicles entering or exiting the subject property, but not by idling vehicles, shall be exempt from Subsection 806.02(J)(1).

   b. Subsection 806.02(J)(1) shall not apply to noise detectable on public rights-of-way and railroad rights-of-way.

The sign shall not exceed eight square feet in area; shall be placed on private property on the day of the event; shall be removed no more than 24 hours after the event; and shall be physically attached to the premises in a manner which both prevents the sign from being moved or blown from its location, and allows the prompt removal of the sign.

N. **Storage:** Equipment, furniture, goods, and other amenities used for events shall be stored indoors on non-event days.
O. Appearance: On non-event days, the use shall not take an outward appearance nor manifest any characteristics of a business or operation of a service commercial nature, except for those characteristics normally associated with or allowed for a primary use in the subject zoning district, or, in the AG/F, EFU, and TBR Districts, for a use identified as “allowed” by Table 407-1, *Permitted Uses in the AG/F District*, 401-1, *Permitted Uses in the EFU District*, or 406-1, *Permitted Uses in the TBR District*, respectively.
