V DUTIES AND RESPONSIBILITIES OF COUNTY

- A. COUNTY shall assume administrative responsibility to provide services as outlined in the Plan.
- B. COUNTY shall incorporate the principles described below into the Plan:
 - 1. Treatment programs shall be evidence-based. Evidence-based programs are delivered consistent with the findings in research about what works best to reduce recidivism.
 - 2. Assessment which is standardized, objective, and comprehensive shall be used to prioritize treatment, determine criminal risk factors, and to determine the proper level of care. Assessments of risk shall be based on actuarial risk assessment tools.
 - 3. Rules, requirements and expectations for Participants, including consequences for success and for failure are made formal and clear by an authority figure.

 8. Weekly random drug testing shall occur, however frequency may decrease as Participant progresses. - D. COUNTY will prepare and furnish such data, descriptive information and reports as may be requested by DEPARTMENT as needed to comply with ORS 423.520, which states in part, "The department shall require recipients of the grants to cooperate in the collection and sharing of data necessary to evaluate the effect of community corrections programs on future criminal conduct." Clackamas County Community Corrections
M57 Supplemental Fund
Program Summary

- The Corrections Substance Abuse Program (CSAP) is a residential alcohol and drug treatment program providing 50 beds for men and 20 beds for women. CSAP targets felony convicted high and medium-high risk to reoffend male and female clients on supervision. Participants may be on parole, post-prison supervision or probation with Clackamas County Community Corrections.
- The Men's and Women's CSAP programs are approximately one year in length with a minimum of six months in residence at the Corrections Center followed by six months of structured aftercare. Treatment is provided by licensed Mental Health Therapists and Community Corrections Counselors who specialize in both addictions and in working with the offender population. Focus is placed on treatment for substance abuse as well as criminal conduct. Clients spend approximately 38 hours per week in structured activities. Treatment curriculum is evidence based and addresses each participant's assessed risk and needs.
- Both programs utilize in-house sanctions such as additional chores, loss of privileges and extra treatment assignments. Rewards/Reinforcers are used to reinforce the positive changes clients are making. The programs utilize a token economy system where clients can purchase items such as coffee, snacks, and hygiene items and can earn extra privileges in the program.
- The Men's and Women's CSAP programs collaborate with Clackamas County Courts, Jail, Behavioral Health, and Public Health. Through sentencing to these treatment programs, clients are allowed an alternative to jail. The Jail assists this transition to the programs by making clients available for evaluation prior to release to identify if the client is program appropriate. Behavioral Health is contracted to provide Mental Health Therapists who facilitate evaluations and supervise treatment.
- Community Corrections does not anticipate any changes to the program due to the impact of BM110.

**EXHIBIT B
INDEMNIFICATION
CLACKAMAS COUNTY**

Contribution

If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against a party (the "Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party's liability with respect to the Third Party Claim.

With respect to a Third Party Claim for which the Department is jointly liable with the County (or would be if joined in the Third Party Claim), the Department shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the County in such proportion as is appropriate to reflect the relative fault of the Department on the one hand and of the County on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the Department on the one hand and of the County on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The Department's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the Department had sole liability in the proceeding.

With respect to a Third Party Claim for which the County is jointly liable with the Department (or would be if joined in the Third Party Claim), the County shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the Department in such proportion as is appropriate to reflect the relative fault of the County on the one hand and of the Department on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the County on the one hand and of the Department on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The County's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.

Alternative Dispute Resolution

The parties should attempt in good faith to resolve any dispute arising out of this Agreement. This may be done at any management level, including at a level higher than persons directly responsible for administration of the Agreement. In addition, the parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.

Indemnification by Subcontractors

County shall take all reasonable steps to cause its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnatee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of County's contractor or any of the officers, agents, employees or subcontractors of the contractor ("Claims"). It is the specific intention of the parties that the Indemnatee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnatee, be indemnified by the contractor from and against any and all Claims.

Subcontractor Insurance Requirements

GENERAL.

County shall require its first tier contractor(s) that are not units of local government as defined in ORS 190.003, if any, to: i) obtain insurance specified under TYPES AND AMOUNTS and meeting the requirements under, "TAIL" COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before the contractors perform under contracts between County and the contractors (the "Subcontracts"), and ii) maintain the insurance in full force throughout the duration of the Subcontracts. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to Department. County shall not authorize contractors to begin work under the Subcontracts until the insurance is in full force. Thereafter, County shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. County shall incorporate appropriate provisions in the Subcontracts permitting it to enforce contractor compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. Examples of "reasonable steps" include issuing stop work orders (or the equivalent) until the insurance is in full force or terminating the Subcontracts as permitted by the Subcontracts, or pursuing legal action to enforce the insurance requirements. In no event shall County permit a contractor to work under a Subcontract when the County is aware that the contractor is not in compliance with the insurance requirements. As used in this section, a "first tier" contractor is a contractor with which the county directly enters into a contract. It does not include a subcontractor with which the contractor enters into a contract.

TYPES AND AMOUNTS.

PROFESSIONAL LIABILITY

Professional Liability Insurance covering any damages caused by an error, omission or negligent act related to the services to be provided under the Subcontract, with limits not less than \$2,000,000, as determined by the Department:

"TAIL" COVERAGE. If any of the required insurance policies is on a "claims made" basis, such as professional liability insurance, the contractor shall maintain either "tail" coverage or continuous "claims made" liability coverage, provided the effective date of the continuous "claims made" coverage is on or before the effective date of the Subcontract, for a minimum of 24 months following the later of : (i) the contractor's completion and County 's acceptance of all Services

required under the Subcontract or, (ii) the expiration of all warranty periods provided under the Subcontract. Notwithstanding the foregoing 24-month requirement, if the contractor elects to maintain "tail" coverage and if the maximum time period "tail" coverage reasonably available in the marketplace is less than the 24-month period described above, then the contractor may request and Department may grant approval of the maximum "tail" coverage period reasonably available in the marketplace. If Department approval is granted, the contractor shall maintain "tail" coverage for the maximum time period that "tail" coverage is reasonably available in the marketplace.

NOTICE OF CANCELLATION OR CHANGE. The contractor or its insurer must provide 30 days' written notice to County before cancellation of, material change to, potential exhaustion of aggregate limits of, or non-renewal of the required insurance coverage(s).

CERTIFICATE(S) OF INSURANCE. County shall obtain from the contractor a certificate(s) of insurance for all required insurance before the contractor performs under the Subcontract. The certificate(s) or an attached endorsement must specify: i) all entities and individuals who are endorsed on the policy as Additional Insured and ii) for insurance on a "claims made" basis, the extended reporting period applicable to "tail" or continuous "claims made" coverage.

If the breaching Party has not entirely cured the breach within fifteen (15) days of deemed or actual receipt of the notice, then the Party giving notice may terminate the Agreement at any time thereafter by giving written notice of termination stating the effective date of the termination. 10. **General Provisions.**

A. **Oregon Law and Forum.** This Agreement, and all rights, obligations, and disputes arising out of it will be governed by and construed in accordance with the laws of the State of Oregon and the ordinances of Clackamas County without giving effect to the conflict of law provisions thereof. Any claim between CCCC and OHSU that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Clackamas County for the State of Oregon; provided, however, if a claim must be brought in a federal forum, then it shall be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. In no event shall this section be construed as a waiver by CCCC of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the

jurisdiction of any court. OHSU, by execution of this Agreement, hereby consents to the in personam jurisdiction of the courts referenced in this section.

- B. **Compliance with Applicable Law.** Both Parties shall comply with all applicable local, state and federal ordinances, statutes, laws and regulations. All provisions of law required to be a part of this Agreement, whether listed or otherwise, are hereby integrated and adopted herein. Failure to comply with such obligations is a material breach of this Agreement.
- C. **Non-Exclusive Rights and Remedies.** Except as otherwise expressly provided herein, the rights and remedies expressly afforded under the provisions of this Agreement shall not be deemed exclusive, and shall be in addition to and cumulative with any and all rights and remedies otherwise available at law or in equity. The exercise by either Party of any one or more of such remedies shall not preclude the exercise by it, at the same or different times, of any other remedies for the same default or breach, or for any other default or breach, by the other Party.
- D. **Access to Records.** OHSU shall retain, maintain, and keep accessible all records relevant to this Agreement (“Records”) for a minimum of six (6) years, following Agreement termination or full performance or any longer period as may be required by applicable law, or until the conclusion of an audit, controversy or litigation arising out of or related to this Agreement, whichever is later. OHSU shall maintain all financial records in accordance with generally accepted accounting principles. All other Records shall be maintained to the extent necessary to clearly reflect actions taken. During this record retention period, OHSU shall permit the County’s authorized representatives’ access to the Records at reasonable times and places for purposes of examining and copying.
- E. **Work Product.** “Background Intellectual Property” means any Intellectual Property developed before the Effective Date and/or independent of the Scope of Services. All Background Intellectual Property used in connection with the Scope of Services shall remain the property of the Party who owned or was in possession of such Background Intellectual Property prior to the Effective Date. OHSU acknowledges and agrees that – aside from the Background Intellectual Property detailed above - all work performed under this Agreement shall be considered work made for hire and shall be the sole and exclusive property of CCCC. CCCC shall own any and all data, documents, plans, specifications, working papers and any other materials produced in connection with this Agreement. On completion or termination of the Agreement, OHSU shall promptly deliver these materials to the CCCC’s Project Manager.
- F. **Publication.** OHSU is entitled to publish work based on this project, with CCCC as co-author, if desired, after providing CCCC with a copy of the publication at least thirty (30) days prior to the intended submission for publication to allow review of materials for any inadvertent disclosure of confidential information. If CCCC believes such disclosure is contained in the proposed publication, CCCC may request that OHSU delete or amend the relevant part of the publication.

- G. **Hazard Communication.** OHSU shall notify CCCC prior to using products containing hazardous chemicals to which CCCC employees may be exposed, which includes any hazardous, toxic, or dangerous substance, waste, or material that is the subject of environmental protection legal requirements or that becomes regulated under any applicable local, state or federal law, including but not limited to the items listed in the United States Department of Transportation Hazardous Materials Table (49 CFR §172.101) or designated as hazardous substances by Oregon Administrative Rules, Chapter 137, or the United States Environmental Protection Agency (40 CFR Part 302), and any amendments thereto. Upon CCCC's request, OHSU shall immediately provide Material Safety Data Sheets for the products subject to this provision.
- H. **Debt Limitation.** This Agreement is expressly subject to the limitations of the Oregon Constitution and Oregon Tort Claims Act, and is contingent upon appropriation of funds. Any provisions herein that conflict with the above referenced laws are deemed inoperative to that extent.
- I. **Severability.** If any provision of this Agreement is found to be unconstitutional, illegal or unenforceable, this Agreement nevertheless shall remain in full force and effect and the offending provision shall be stricken. The Court or other authorized body finding such provision unconstitutional, illegal or unenforceable shall construe this Agreement without such provision to give effect to the maximum extent possible the intentions of the Parties.
- J. **Integration, Amendment and Waiver.** Except as otherwise set forth herein, this Agreement constitutes the entire agreement between the Parties on the matter of the Project. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver, consent, modification or change of terms of this Agreement shall bind either Party unless in writing and signed by both Parties and all necessary approvals have been obtained. Such waiver, consent, modification or change, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of either Party to enforce any provision of this Agreement shall not constitute a waiver by such Party of that or any other provision.
- K. **Interpretation.** The titles of the sections of this Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.
- L. **Independent Contractor.** Each of the Parties hereto shall be deemed an independent contractor for purposes of this Agreement. No representative, agent, employee or contractor of one Party shall be deemed to be a representative, agent, employee or contractor of the other Party for any purpose, except to the extent specifically provided herein. Nothing herein is intended, nor shall it be construed, to create between the Parties any relationship of principal and agent, partnership, joint venture or any similar relationship, and each Party hereby specifically disclaims any such relationship.

- M. **No Third-Party Beneficiary.** OHSU and CCCC are the only parties to this Agreement and are the only parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly or otherwise, to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement.
- N. **Subcontract and Assignment.** OHSU shall not enter into any subcontracts for any of the work required by this Agreement, or assign or transfer any of its interest in this Agreement by operation of law or otherwise, without obtaining prior written approval from the CCCC, which shall be granted or denied in the CCCC's sole discretion. CCCC's consent to any subcontract shall not relieve OHSU of any of its duties or obligations under this Agreement.
- O. **Counterparts.** This Agreement may be executed in several counterparts (electronic or otherwise), each of which shall be an original, all of which shall constitute the same instrument.
- P. **Survival.** All provisions in Sections 5, 7, and 10 (A), (C), (D), (E), (F), (G) (H), (I), (J), (M), (P), (S), (U), and (V) shall survive the termination of this Agreement, together with all other rights and obligations herein which by their context are intended to survive.
- Q. **Necessary Acts.** Each Party shall execute and deliver to the others all such further instruments and documents as may be reasonably necessary to carry out this Agreement.
- R. **Time is of the Essence.** OHSU agrees that time is of the essence in the performance this Agreement.
- S. **Successors in Interest.** The provisions of this Agreement shall be binding upon and shall inure to the benefit of the parties hereto, and their respective authorized successors and assigns.
- T. **Force Majeure.** Neither OHSU nor CCCC shall be held responsible for delay or default caused by events outside of OHSU or CCCC's reasonable control including, but not limited to, fire, terrorism, riot, acts of God, or war. However, OHSU shall make all reasonable efforts to remove or eliminate such a cause of delay or default and shall upon the cessation of the cause, diligently pursue performance of its obligations under this Agreement.
- U. **Confidentiality.** OHSU acknowledges that it and its employees or agents may, in the course of performing their responsibilities under this Agreement, be exposed to or acquire confidential information. Any and all information of any form obtained by OHSU or its employees or agents in the performance of this Agreement shall be deemed confidential information of the CCCC ("Confidential Information"). OHSU agrees to hold Confidential Information in strict confidence, using at least the same degree of care that OHSU uses in maintaining the confidentiality of its own confidential information, and not to copy, reproduce, sell, assign, license, market,

transfer or otherwise dispose of, give, or disclose Confidential Information to third parties or use Confidential Information for any purpose unless specifically authorized in writing under this Agreement.

- V. **No Attorney Fees.** In the event any arbitration, action or proceeding, including any bankruptcy proceeding, is instituted to enforce any term of this Agreement, each party shall be responsible for its own attorneys' fees and expenses.

IN WITNESS HEREOF, the Parties have executed this Agreement by the date set forth opposite their names below.

- K. In the event that the COUNTY retains funds to spend in the next biennium under Subsection VII(F), then Subsections VII (D)-(G) and (I)-(J) will survive termination or expiration of this Agreement.

VIII NONCOMPLIANCE

- A. The Assistant Director of Community Corrections or the Assistant Director's designee shall annually review COUNTY's compliance with this Agreement under ORS 423.500 to 423.560. COUNTY must substantially comply with the provisions of the Plan received by DEPARTMENT and this Agreement.
- B. If, upon review, DEPARTMENT determines that there are reasonable grounds to believe that COUNTY is not in substantial compliance with this Agreement or Plan, DEPARTMENT shall contact COUNTY regarding the alleged noncompliance and offer technical assistance to reach compliance. If COUNTY does not resolve the alleged noncompliance, DEPARTMENT shall, after giving COUNTY not less than 30 calendar days' notice, conduct a hearing to ascertain whether there is substantial compliance or satisfactory progress being made toward compliance. After technical assistance, which may include peer review or other assistance, is provided and the hearing occurs, DEPARTMENT may suspend any portion of the funding made available to COUNTY under ORS 423.500 to 423.560 until County complies as required.
- C. In the event that a dispute arises, COUNTY may appeal to the Director of the Department of Corrections.

**EXHIBIT C
CONTRIBUTION
CLACKAMAS COUNTY**

Contribution

If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against a party (the "Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party's liability with respect to the Third Party Claim.

With respect to a Third Party Claim for which the Department is jointly liable with the County (or would be if joined in the Third Party Claim), the Department shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the County in such proportion as is appropriate to reflect the relative fault of the Department on the one hand and of the County on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the Department on the one hand and of the County on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The Department's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the Department had sole liability in the proceeding.

With respect to a Third Party Claim for which the County is jointly liable with the Department (or would be if joined in the Third Party Claim), the County shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the Department in such proportion as is appropriate to reflect the relative fault of the County on the one hand and of the Department on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the County on the one hand and of the Department on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The County's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.

Alternative Dispute Resolution

The parties should attempt in good faith to resolve any dispute arising out of this agreement. This may be done at any management level, including at a level higher than persons directly responsible for administration of the agreement. In addition, the parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.

Indemnification by Subcontractors

County shall take all reasonable steps to cause its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of County's contractor or any of the officers, agents, employees or subcontractors of the contractor ("Claims"). It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the contractor from and against any and all Claims.

Subcontractor Insurance Requirements

GENERAL

County shall require its first tier contractor(s) that are not units of local government as defined in ORS 190.003, if any, to: i) obtain insurance specified under TYPES AND AMOUNTS and meeting the requirements under, "TAIL" COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before the contractors perform under contracts between County and the contractors (the "Subcontracts"), and ii) maintain the insurance in full force throughout the duration of the Subcontracts. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to County. County shall not authorize contractors to begin work under the Subcontracts until the insurance is in full force. Thereafter, County shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. County shall incorporate appropriate provisions in the Subcontracts permitting it to enforce contractor compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. Examples of "reasonable steps" include issuing stop work orders (or the equivalent) until the insurance is in full force or terminating the Subcontracts as permitted by the Subcontracts, or pursuing legal action to enforce the insurance requirements. In no event shall County permit a contractor to work under a Subcontract when the County is aware that the contractor is not in compliance with the insurance requirements. As used in this section, a "first tier" contractor is a contractor with which the county directly enters into a contract. It does not include a subcontractor with which the contractor enters into a contract.

TYPES AND AMOUNTS

PROFESSIONAL LIABILITY

Professional Liability Insurance covering any damages caused by an error, omission or negligent act related to the services to be provided under the Subcontract, with limits not less than \$2,000,000, as determined by the Department:

"TAIL" COVERAGE If any of the required insurance policies is on a "claims made" basis, such as professional liability insurance, the contractor shall maintain either "tail" coverage or continuous "claims made" liability coverage, provided the effective date of the continuous "claims made" coverage is on or before the effective date of the Subcontract, for a minimum of 24 months following the later of : (i) the contractor's completion and County 's acceptance of all Services required under the Subcontract or, (ii) the expiration of all warranty periods provided under the Subcontract. Notwithstanding the foregoing 24-month requirement, if the contractor elects to maintain "tail" coverage and if the maximum time period "tail" coverage reasonably available in the marketplace is less than the 24-month period described above, then the contractor may request and the Department may grant approval of the maximum "tail " coverage period reasonably available in the marketplace. If Department approval is granted, the contractor shall maintain "tail" coverage for the maximum time period that "tail" coverage is reasonably available in the marketplace.

NOTICE OF CANCELLATION OR CHANGE The contractor or its insurer must provide 30 days' written notice to County before cancellation of, material change to, potential exhaustion of aggregate limits of, or non-renewal of the required insurance coverage(s).

CERTIFICATE(S) OF INSURANCE County shall obtain from the contractor a certificate(s) of insurance for all required insurance before the contractor performs under the Subcontract. The certificate(s) or an attached endorsement must specify: i) all entities and individuals who are endorsed on the policy as Additional Insured and ii) for insurance on a "claims made" basis, the extended reporting period applicable to "tail" or continuous "claims made" coverage.

Program Name:	Parole and Probation Supervision Program: Sex Offender Services
Program Description:	This program provides contracted sex offender treatment services and polygraphs for indigent offenders. All sex offender treatment groups are cognitive-based programs designed to address thinking errors and thereby change behavior. Offenders may be required to pay a portion of the treatment services based on the sliding fee scale. Sex offender treatment services include individual assessment and evaluation, a long-term sex offender treatment group, a shorter-term treatment, an intervention group for non-paraphilic offenders, individual counseling, biofeedback, arousal reconditioning therapy and an aftercare group. In conjunction with regular sex offender treatment, all sex offender treatment providers provide educational sessions that all safety plan supervisors must attend. This is called a chaperone program and it follows a set curriculum that is approved by the sex offender supervision team. Sex offenders attend weekly, bi-weekly and monthly meetings. The length of time in treatment can range from 6 months to 5 years depending on the offender's risk to the community, and their compliance with treatment and other conditions of supervision.
