The parties agree as follows:

AGREEMENT

1. Effective Date and Term. This Cooperative Agreement (“Agreement”) shall become effective on the date this Agreement is fully executed by all parties and approved as required by applicable law and applies to activities during the Funds Availability Period (as defined in Section 2.d). This Agreement expires on the earlier of the date of last payment or August 1, 2023 (“Expiration Date”).

2. Grant.

a. Base Grant. In accordance with the terms and conditions of this Agreement, Department shall subgrant to Subrecipient, from financial assistance the Department receives from the United States Department of Health and Human Services under Title IV-D of the Social Security Act (“Federal Financial Participation”) to administer the State Plan for Collection of Child Support and Establishment of Paternity and approved by United States Department of Health and Human Services in accordance with Title IV-D of the Social Security Act (“State Plan”), an amount (the “Base Grant”) no greater than the actual Allowable Costs (as defined below) necessarily incurred and paid by DA, or by Subrecipient from funds other than those appropriated to the DA, during the term of this Agreement to operate the Program (as defined below). The Base Grant moneys may be used solely to deliver child support services that fall within the responsibility of the DA under ORS 25.080, as further described in Exhibit A, attached hereto and incorporated herein by “Program”.

b. Incentive Funding. In addition, in accordance with the terms and conditions of this Agreement, Department shall subgrant to Subrecipient an additional amount (the “Incentive Funding”) equal to Subrecipient’s share of the incentive payments the Department receives from the United States Department of Health and Human Services based on implementation of the State Plan. The Incentive Funding shall equal Subrecipient’s share of the incentive payments received from the United States Department of Health and Human Services, as determined in accordance with OAR 137-055-1500 and with input from the Oregon District Attorney Representatives. The Incentive Funding moneys may be used solely for reinvestment in the Program, as reinvestment is defined in 45 CFR 305.35. Department will develop the overall estimated revenue from incentives to be included in the Program budget request. The Base Grant and the Incentive Funding, collectively, are referred to as “Grant.”

c. General Fund Appropriation. In accordance with the terms and conditions of this Agreement, Department shall subgrant to Subrecipient an additional amount (“General Fund Funding”) equal to Subrecipient’s share of the applicable General Fund Budget Appropriation the Department receives during the Legislatively Approved Budget Process. The General Fund Funding shall equal Subrecipient’s share of the relevant appropriation, as determined in accordance with the distribution formula outlined in OAR 137-055-1500.

d. Funds Availability. The Base Grant, Incentive Funding, and General Fund Appropriation are available for Program activities commencing July 1, 2019, and ending on June 30, 2023 (Funds Availability Period).

3. Disbursement and Recovery of Grant Moneys.

a. Disbursement Generally.

i. Base Grant. Subject to Sections 2 and 3(b), Department shall disburse the Base Grant moneys to Subrecipient quarterly after the end of each calendar quarter falling in whole or in part during the period commencing on July 1, 2019 and ending on the termination date of this Agreement. Quarterly disbursement will be made within 30 days after Department’s receipt of Subrecipient’s invoice for that quarter. If an invoice is submitted less frequently than quarterly, the disbursement payment may be delayed until the next quarter. Each disbursement shall be in an amount equal to the actual Allowable Costs (as defined below) necessarily incurred and paid by Subrecipient or DA during the quarter in

operating the Program, less enforcement fees or other fees received by Subrecipient or DA with respect to the Program during the quarter, as evidenced by satisfactory documentation multiplied by the federally-authorized rate of federal financial participation set by the United States Department of Health and Human Services in accordance with 42 USC 655.

ii. Incentive Funding. In addition to disbursement of the Base Grant moneys to Subrecipient in accordance with Section 3(a)(i) above but subject to Sections 2 and 3(b), Department shall disburse the Incentive Funding moneys to Subrecipient in accordance with OAR 137-055-1500.

(a) Incentive disbursements must be used within five years from the Grant year or remaining balances will be used within the Program. Subrecipient is notified each quarter of its unclaimed incentive amounts.

(b) Subrecipient cannot request a disbursement of incentives in an amount that is greater than qualified expenses in that quarter.

(c) In the event that this agreement is terminated, Subrecipient's final Incentive Funding disbursement must be reviewed and approved by the Department to ensure Subrecipient has sufficient qualified expenses.

iii. General Fund. In addition to disbursement of the Base Grant and Incentive Funding moneys to Subrecipient, in accordance with Section 3(a)(i) and 3(a)(ii) above but subject to Sections 2 and 3(b), Department shall disburse the General Fund moneys to Subrecipient in accordance with the distribution formula outlined in OAR 137-055-1500.

b. Conditions Precedent to Disbursement. Department's obligation to disburse Grant moneys to Subrecipient under this Agreement is subject to satisfaction, with respect to each disbursement, of each of the following conditions precedent:

i. Department has received sufficient funding, appropriations, and other expenditure authorizations to allow Department, in the exercise of its reasonable administrative discretion, to make the disbursement.

ii. Department has received sufficient Federal Financial Participation, including Incentive Funding, and General Fund Appropriation to allow Department, in the exercise of its reasonable administrative discretion, to make the disbursement.

iii. No Subrecipient or DA default as described in Section 9 has occurred.

iv. With respect to the disbursement of Base Grant moneys only, Department has received a quarterly invoice for the disbursement accompanied by satisfactory documentation evidencing the Allowable Costs for which Subrecipient is seeking reimbursement (to the extent provided for in Section 3.a.i).

v. With respect to the disbursement of Incentive Funding and State General Fund moneys only, Subrecipient and DA are operating the Program, reimbursement documents for the last completed Federal Fiscal Year have been submitted and accepted by the Program and the operating Subrecipient budget for the current fiscal year has been submitted and accepted by the Program.

c. Recovery of Grant Moneys. In addition to any other remedies that may be available to Department in the event DA or Subrecipient fails to comply with the terms of this Agreement, Department may recover, in accordance with ORS 25.080(7)(b), the amount of any payments made to Subrecipient of federal funds, under Title IV-D of the Social Security Act, that are, as a result of DA's or Subrecipient's actions or omissions, later excepted, deferred, disallowed, or unsupported as part of a federal or state audit or review. Funds will be recovered from the next disbursement or as mutually agreed

by parties. Notwithstanding the immediately preceding sentence, Department may not recover excepted, deferred, or disallowed payments that arise solely from (i) external problems beyond the control of Subrecipient or DA; (ii) DA or Subrecipient actions or omissions that are consistent with relevant administrative rules of the Department's Division of Child Support, relevant approved procedures of the Department's Division of Child Support, or relevant policy advice from the Child Support Program Policy Team; (iii) the failure of Department to perform its obligations under Section 7 hereof; or (iv) any combination of the foregoing.

4. Use of Grant Moneys.

a. Base Grant. The Base Grant moneys are available solely to cover actual Allowable Costs (as defined below) necessarily incurred and paid by DA, or Subrecipient from non-federal funds including those appropriated to the DA, to operate the Program during the term of this Agreement. Allowable Costs are those defined in 45 CFR Part 75, Subpart F (audit requirements), except to the extent otherwise limited or excluded by the terms of this Agreement. Allowable Costs include the following:

i. Personal Services: Salaries and fringe benefits of employees of DA and Subrecipient who operate the Program. If an employee spends only part of his or her time on Program operations, that employee's salary and fringe benefit costs must be equitably distributed among the Program and the employee's other activities, based on the relative amount of employee time and effort devoted to each activity. Subrecipient must maintain time distribution records in accordance with 45 CFR Part 75, Subpart F (audit requirements) for employees who only spend a portion of their time on Program operations. Upon request, Subrecipient and DA shall furnish Department with copies of the time distribution records and a description of the formula or method used by Subrecipient or DA to determine the distribution of salary and fringe benefit costs.

ii. Materials and Contracted Services: The costs of materials and contracted services used in locating noncustodial parents, establishing paternity, and establishing, modifying, and enforcing support obligations.

iii. Administrative Costs: Administrative costs incurred by Subrecipient and DA in operating the Program, but only to the following extent:

(a) If Subrecipient has prepared a direct cost plan, to the extent and in accordance with the direct cost plan;

(b) If Subrecipient has prepared an indirect cost plan, to the extent and in accordance with the indirect cost plan; or

(c) If Subrecipient has not prepared either a direct cost plan or an indirect cost plan approved by the State Program or the Federal Government, the federal de minimis indirect cost rate as defined in 45 CFR 75.414 (f) is used. The de minimis for this purpose is defined as 10% of modified total direct costs ("MTDC"). MTDC includes all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards and subcontracts up to the first \$25,000 of each subaward or subcontract (regardless of the period of performance of the subawards and subcontracts under the award). MTDC excludes equipment, capital expenditures, and the portion of each subaward and subcontract in excess of \$25,000.

As described in §75.403, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. If chosen, this methodology once elected must be used consistently for all Federal awards until such time as a non-Federal entity chooses to negotiate for a rate, which the non-Federal entity may apply to do at any time with the Federal Government. Rates with the State Program are negotiated annually with the submission of the Subrecipient's budget.

iv. Capital Outlay: The cost of equipment or furniture with a unit cost in excess of \$5,000, if approved in advance by Department. The full cost of automatic data processing equipment with a unit cost of less than \$25,000 that is used exclusively in Program operations is an Allowable Cost during the quarter in which the equipment is purchased and paid for. All other capital acquisitions must be depreciated and the costs of those capital acquisitions are Allowable Costs in a quarter only to the extent of the depreciation during that quarter. Subrecipient must maintain records of all capital acquisitions whose costs are covered in whole or in part by Grant moneys. Subrecipient may use any generally accepted method of computing depreciation but the method of computing depreciation must be consistently applied for any specific asset or class of assets and must result in equitable charges considering the extent of use of the assets. Subrecipient shall furnish property records and depreciation schedules to Department upon request.

b. Incentive Funding. The Incentive Funding moneys may be used solely for reinvestment in the Program, as reinvestment is defined in 45 CFR 305.35, in accordance with 45 CFR Part 75, Subpart F (audit requirements).

5. Records Maintenance, Audit, Access, and Confidentiality.

a. Maintenance of Records. Subrecipient shall document the use of all Grant moneys disbursed by Department under this Agreement and shall maintain such additional fiscal and other records related to this Agreement as may be required by applicable law. Specifically, but without limiting the generality of the preceding sentence, Subrecipient must maintain records of revenue and fees collected, expenditures made and costs incurred in operating the Program, and other such records as may be required by Department or the United States Department of Health and Human Services.

b. Audits Generally. The Grant moneys disbursed to Subrecipient under this Agreement are federal funds received by Department from the United States Department of Health and Human Services under the Department's Child Support Enforcement Title IV-D Grant, whose CFDA Number is 93.563, and are subject to 45 CFR Part 75, Subpart F. Subrecipient shall comply with 45 CFR Part 75, Subpart F as applicable. If Subrecipient must have an audit performed in accordance with 45 CFR Part 75, Subpart F, Subrecipient shall notify Department in writing promptly after Subrecipient determines that it must have such an audit and Subrecipient shall report the Grant moneys received hereunder as pass-through funds on Subrecipient's Schedule of Expenditures of Federal Awards, and promptly after completion of the audit shall furnish Department with a written copy of all audit findings applicable to Subrecipient's Program or the Oregon Child Support Program (as defined in Section 6.a.) or notify Department in writing that the audit resulted in no findings applicable to Subrecipient's Program or the Oregon Child Support Program.

c. Compliance Audits. Subrecipient shall assist in all compliance audits of Subrecipient's Program or the Oregon Child Support Program conducted by Department, the Secretary of State's Office of the State of Oregon, the United States Department of Health and Human Services, the federal Office of Child Support Enforcement, or their authorized representatives.

d. Accounting. Unless applicable federal law requires Subrecipient to utilize a different accounting system, Subrecipient shall create and maintain all fiscal records in accordance with generally accepted accounting principles and in sufficient detail to permit Department, the Secretary of State's Office of the State of Oregon, the United States Department of Health and Human Services, the federal Office of Child Support Enforcement, and their authorized representatives, to verify how the Grant moneys were used.

e. Retention of Records. Subrecipient shall retain and keep accessible all books, documents, papers, and records (whether in electronic or hard copy form) that are directly related to this Agreement or the Grant moneys for a minimum of six (6) years, or such longer period as may be required by other provisions of this Agreement or applicable law, following termination of this Agreement. If there are unresolved audit questions at the end of the six-year period, Subrecipient shall retain the records until the questions are resolved.

f. Access to Records and Facilities. The Department, the Secretary of State's Office of the State of Oregon, the United States Department of Health and Human Services, the federal Office of Child Support Enforcement, and their duly authorized representatives shall have access to the books, documents, papers and records (whether in electronic or hard copy form) of Subrecipient that are directly related to this Agreement or the Grant moneys provided hereunder, including but not limited to the books, documents, papers and records described in 45 CFR 305.65, for the purpose of making audits and examinations, including but not limited to audits required by 45 CFR Part 75, Subpart F. In addition, the Department, the Secretary of State's Office of the State of Oregon, the United States Department of Health and Human Services, the federal Office of Child Support Enforcement and their duly authorized representatives may make and retain excerpts, copies, and transcriptions of the foregoing books, documents, papers, and records. Subrecipient shall permit authorized representatives of Department, the Secretary of State's Office of the State of Oregon, the United States Department of Health and Human Services, and the federal Office of Child Support Enforcement to perform site reviews of all services delivered as part of the Program. Subrecipient or DA shall facilitate and participate in physical site reviews of DA's or Subrecipient's facilities, records storage facilities, or any Oregon Child Support Program facilities, conducted by Department, the Secretary of State's Office of the State of Oregon, the United States Department of Health and Human Services, the federal Office of Child Support Enforcement, the Internal Revenue Service, or their authorized representatives. Site reviews are scheduled on an 18 month rotation. On the basis of site reviews, specific corrective measures may be required of DA and Subrecipient where Subrecipient or DA is found noncompliant with applicable requirements of state or federal regulatory entities and may require a more frequent site review schedule.

g. Non-Disclosure and Confidentiality Obligations. Subrecipient and DA must comply with all non-disclosure and confidentiality obligations. Subrecipient and DA must comply with all applicable laws, including without limitation ORS 646A.600 through 646A.628, the Oregon Consumer Identity Theft Protection Act. The use and disclosure of case information and other confidential information is strictly limited to performance of the Services required under this Agreement.

Subrecipient and DA agree to comply with all reasonable requests to ensure the confidentiality and non-disclosure of the confidential information, including without restriction:

i. Obtaining confidentiality and non-disclosure agreements for every current and new employee, in a form approved by Department from each employee and agent who performs Services under this Agreement.

ii. Performing criminal background checks on each employee and agent who perform services under this agreement.

h. Confidentiality. In operating the Program, Subrecipient and DA shall comply with 42 USC § 654(26), 26 USC § 6103, 45 CFR 303.21, ORS 25.260 and 412.094, OAR 137-055-1140, and all other applicable laws relating to confidentiality.

6. Coordination of State Plan Implementation and Administration.

a. Federal Coordination. The parties agree and acknowledge that the Program is part of the overall child support program administered by Department throughout the State of Oregon in accordance with the State Plan, ORS 25.080 and Title IV-D of the Social Security Act (the "Oregon Child Support Program"). The parties further agree and acknowledge that the director of the Department's Division of Child Support is the Oregon IV-D Director (the "Oregon Child Support Program Director") and that the Oregon Child Support Program Director is responsible for direct coordination of Oregon Child Support Program activities with other states and the federal government, and for necessary coordination with the United States Department of Health and Human Services. The parties further agree and acknowledge that the Department is responsible for communications, on behalf of the Oregon Child Support Program, with the federal government related to law, proposed or pending legislation, regulations, policies, and procedures concerning Title IV-D of the Social Security Act. If Subrecipient or

DA wishes to communicate, on behalf of the Oregon Child Support Program, with the federal government regarding such matters, Subrecipient or DA, as the case may be, must consult with the Oregon Child Support Program Director prior to making such communication. Department will provide to Subrecipient and DA, in a timely manner, all relevant information concerning any new federal policies, requirements, and procedures relating to any aspect of child support or the Oregon Child Support Program. This Section 6.a. is not intended, and shall not be construed as giving, the Department the authority to prevent Subrecipient and DA from communicating with the federal government. Rather, the purpose of this Section 6.a. is to support the Oregon Child Support Program Director's responsibility to administer a coordinated Oregon Child Support Program, by making the Oregon Child Support Program Director aware of such communications on behalf of the Oregon Child Support Program.

b. Policy and Procedure Coordination. Department, Subrecipient, and DA shall cooperate in the creation and maintenance of procedures for the purpose of establishing and revising policies, procedures, and proposed legislation relating to the Oregon Child Support Program that affects the parties to this Agreement. Department, Subrecipient, and DA shall provide to each other party to this Agreement advance copies of policy and legislative proposals, including proposed administrative rules and draft legislation. If DA pursues legislation independent of the Oregon Child Support Program, DA will consult with the Oregon Child Support Program Director and coordinate such legislation with the Oregon Child Support Program Director to the fullest extent possible. Nothing herein seeks to preclude DA, either directly or through the Oregon District Attorneys Association, or any other party to this Agreement, from seeking or opposing legislation deemed to have an effect on that party. If Subrecipient or DA attempts to influence federal legislation, Subrecipient or DA, as the case may be, shall file any reports required under the federal "Truth in Lobbying Act" (31 USC 1352) or other applicable federal law.

c. Information Systems Access and Database Coordination.

i. Subject to the conditions set forth below, Department shall provide DA and Subrecipient with access to the Department's federally certified Child Support System, ("Origin") or any federally certified successor system, via a mutually agreed connection, for computer terminals, printers and ancillary information technology equipment installed in the appropriate offices designated by DA or Subrecipient for the purpose of operating the Program. In connection with Origin access, Department shall provide Subrecipient and DA with the Department's policies, procedures, and technical information regarding access to Origin; related and necessary software' assistance in the installation of computer terminals, printers, and ancillary information technology equipment necessary to access Origin, as reasonably necessary, and; technical assistance, as reasonably requested, in accessing and using Origin programs and information in the database, including support for generation of automated forms, printer connectivity, and caseload distribution, all in accordance with the terms and conditions of this Agreement. Subrecipient and DA may access Origin and child support confidential information contained therein solely for the purpose and to the extent necessary to operate the Program and consistent with all federal and state laws, rules, regulations and policies including, but not limited to, those governing the confidentiality and security of the information contained in Origin. Department's obligation to provide the DA and Subrecipient with access to Origin is subject to satisfaction of each of the following conditions precedent:

- (a)** Origin is operational.
- (b)** Provision of such access will not degrade the service provided to other users of Origin.
- (c)** Subrecipient assumes the reasonable cost of providing the information systems and database service.
- (d)** Subrecipient purchases, installs, and maintains, at its expense (except to the extent such expenses are Allowable Costs), computer terminals, printers, and other ancillary information technology equipment, necessary to access Origin, in a secured location and limits access to

that location, to the equipment, and to the records of various State of Oregon agencies available in Origin to authorized Subrecipient and DA personnel who have a need to access Origin to operate the Program.

(e) The computer technology and software used by Subrecipient and DA to access information in Origin is compatible with Origin computer technology configuration and will not adversely impact operation of the Oregon Child Support Program.

ii. Safeguards for Protecting Federal Tax Information. In operating the Program, Subrecipient and DA shall comply with IRS Publication 1075, Tax Information Security Guidelines for Federal, State, and Local Agencies and Entities, specifically “Exhibit 7”, attached hereto as Exhibit B.1, and shall safeguard federal tax returns and return information. Any unauthorized disclosure or unauthorized access to federal tax information is subject to criminal and civil sanctions in IRS Publication 1075. For purposes of this Section 6(c)(ii), references in Exhibit B.1 to “Contract” are to this Agreement and references to “Contractor” are to Subrecipient and DA, collectively.

iii. Safeguards for protecting Federal Parent Locator Service (FPLS) data and child support confidential information. In operating the Program, Subrecipient and DA shall comply with the security requirements set forth in the OCSE Security Agreement regarding information systems that transmit, store, and process National Directory of New Hires, Federal Parent Locator Service, and child support confidential information. Child support confidential information includes, but is not limited to, an individual’s Social Security number, residential and mailing addresses, employment information, and financial information as set forth in CFR 303.21(a).

iv. Safeguards for protecting Personal Identifiable Information (PII). In operating the Program, Subrecipient and DA shall comply with the security and notification requirements set forth in the Oregon Consumer Identity Theft Information Act ORS 646A.600-622 regarding entities that own, license, maintain, store, manage, collect, process, acquire or otherwise possess personal information, and for vendors that provide services to covered entities. b. Severability. The parties agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.

c. Counterparts. This Agreement may be executed in several counterparts, all of which when taken together shall constitute one agreement binding on all parties, notwithstanding that all parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.

d. Governing Law, Consent to Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between Department (or any other agency or department of the State of Oregon) and another party to this Agreement that arises from or

relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County in the State of Oregon. In no event shall this Section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

e. Compliance with Law. Subrecipient and the DA shall comply with all federal, state, and local laws, regulations, executive orders, and ordinances applicable to the Agreement or to the operation of the Program. Without limiting the generality of the foregoing, Subrecipient and the DA each expressly agrees to comply with the following laws, regulations, and executive orders to the extent they are applicable to the Agreement or the Program: (a) Title IV-D of the Social Security Act and its implementing federal regulations and all other applicable federal regulations and requirements; (b) all applicable requirements of state civil rights and rehabilitation statutes, rules and regulations; (c) ORS 659A.403, 659A.406, and ORS 659.145, and all regulations and administrative rules established pursuant to those laws in the construction, remodeling, maintenance and operation of any structures and facilities, and in the conduct of all programs, services and training associated with the operation of the Program; (d) ORS 659A.142; and (e) the federal laws described in Exhibit B, attached hereto and incorporated herein by this reference. These laws, regulations, and executive orders are incorporated by reference herein to the extent that they are applicable to the Agreement or Program and required by law to be so incorporated. All employers, including Subrecipient and DA, that employ subject workers who provide services in the State of Oregon shall comply with ORS 656.017 and provide the required Workers' Compensation coverage, unless such employers are exempt under ORS 656.126.

f. Assignment of Agreement, Successors in Interest.

(i) Neither Subrecipient nor the DA shall assign or transfer any interest in this Agreement, enter into any subcontracts for delivery of child support services or income withholding services (as described in Exhibit A), or subgrant any Grant moneys, without the prior written approval of Department. Any such assignment, transfer, subcontract or subgrant, if approved, is subject to such conditions and provisions as the Department may deem necessary. No approval by the Department of any assignment, transfer, subcontract, or subgrant shall be deemed to create any obligation of the Department in addition to those set forth in the Agreement nor will Department's approval of an assignment, transfer, subcontract, or subgrant relieve Subrecipient or the DA of any of its duties or obligations under this Agreement.

(ii) The provisions of this Agreement shall be binding upon and shall inure to the benefit of the parties hereto, and their respective successors and permitted assigns.

g. No Third Party Beneficiaries. Department, Subrecipient, and DA are the only parties to this Agreement and are the only parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly, or otherwise, to any other person or entity unless such person or entity is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.

h. Integration and Waiver. This Agreement, including all Exhibits, constitutes the entire agreement between the parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. The failure of a party to enforce a provision of this Agreement shall not constitute a waiver by that party of that or any other provision.

i. Amendment. No waiver, consent, modification, or change of terms of this Agreement shall bind either party unless in writing and signed by all parties and, when required, approved for legal sufficiency. Such waiver, consent, modification, or change, if made, shall be effective only in the specific instance and for the specific purpose given. Subrecipient and DA, by signature of its authorized

representative, hereby acknowledge that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions. Each party must notify the other parties of a change in the name or contact information of persons to whom notices are provided under Section 13.a by notice pursuant to Section 13.a. Notice of a change in name or contact information under Section 13.a is effective upon receipt by the other parties without need to amend this agreement.

j. Headings. The headings and captions to sections of this Agreement have been inserted for identification and reference purposes only and shall not be used to construe the meaning or to interpret this Agreement.

k. Independent Contracting Parties. The parties agree and acknowledge that their relationship is that of independent contracting parties and that neither Subrecipient nor the DA is an officer, employee, or agent of Department as those terms are used in ORS 30.265 or otherwise.

l. Force Majeure. No party shall be held responsible for delay or default caused by fire, civil unrest, natural causes, and war that is beyond that party's reasonable control. Each party shall, however, make all reasonable efforts to remove or eliminate such cause of delay or default and shall, upon the cessation of the cause, diligently pursue performance of its obligations under this Agreement.

m. Responsibility for Employees, Officers, and Agents. Subrecipient and DA shall be responsible exclusively, with respect to their respective employees, for providing for employment-related benefits and deductions that are required by law, including but not limited to federal and state income tax deductions, workers' compensation coverage, and Public Employees Retirement System contributions. Subrecipient, DA, and Department each shall be responsible, to the extent required by the Oregon Tort Claims Act (ORS 30.260-30.300) only for the acts, omissions, or negligence of its own officers, employees, or agents.

(8) [RESERVED]

II. CRIMINAL/CIVIL SANCTIONS

(1) Each officer or employee of any person to whom returns or return information is or may be disclosed will be notified in writing by such person that returns or return information disclosed to such officer or employee can be used only for a purpose and to the extent authorized herein, and that further disclosure of any such returns or return information for a purpose or to an extent unauthorized herein constitutes a felony punishable upon conviction by a fine of as much as \$5,000 or imprisonment for as long as 5 years, or both, together with the costs of prosecution. Such person shall also notify each such officer and employee that any such unauthorized further disclosure of returns or return information may also result in an award of civil damages against the officer or employee in an amount not less than \$1,000 with respect to each instance of unauthorized disclosure. These penalties are prescribed by IRCs 7213 and 7431 and set forth at 26 CFR 301.6103(n)-1.

(2) Each officer or employee of any person to whom returns or return information is or may be disclosed shall be notified in writing by such person that any return or return information made available in any format shall be used only for the purpose of carrying out the provisions of this contract. Information contained in such material shall be treated as confidential and shall not be divulged or made known in any manner to any person except as may be necessary in the performance of the contract. Inspection by or disclosure to anyone without an official need-to-know constitutes a criminal misdemeanor punishable upon conviction by a fine of as much as \$1,000 or imprisonment for as long as 1 year, or both, together with the costs of prosecution. Such person shall also notify each such officer and employee that any such unauthorized inspection or disclosure of returns or return information may also result in an award of civil damages against the officer or employee [United States for Federal employees] in an amount equal to the sum of the greater of \$1,000 for each act of unauthorized inspection or disclosure with respect to which such defendant is found liable or the sum of the actual damages sustained by the plaintiff as a result of such unauthorized inspection or disclosure plus in the case of a willful inspection or disclosure which is the result of gross negligence, punitive damages, plus the costs of the action. These penalties are prescribed by IRC 7213A and 7431 and set forth at 26 CFR 301.6103(n)-1.

(3) Additionally, it is incumbent upon the contractor to inform its officers and employees of the penalties for improper disclosure imposed by the Privacy Act of 1974, 5 U.S.C. 552a. Specifically, 5 U.S.C. 552a(i)(1), which is made applicable to contractors by 5 U.S.C. 552a(m)(1), provides that any officer or employee of a contractor, who by virtue of his/her employment or official position, has possession of or access to agency records which contain individually identifiable information, the disclosure of which is prohibited by the Privacy Act or regulations established thereunder, and who knowing that disclosure of the specific material is prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive it, shall be guilty of a misdemeanor and fined not more than \$5,000.

(4) Granting a contractor access to FTI must be preceded by certifying that each individual understands the agency's security policy and procedures for safeguarding IRS information. Contractors must maintain their authorization to access FTI through annual recertification. The initial certification and recertification must be documented and placed in the agency's files for review. As part of the certification and at least annually afterwards, contractors must be advised of the provisions of IRCs 7431, 7213, and 7213A (see *Exhibit 4, Sanctions for Unauthorized Disclosure*, and *Exhibit 5, Civil Damages for Unauthorized Disclosure*). The training provided before the initial certification and annually thereafter must also cover the incident response policy and procedure for reporting unauthorized disclosures and data breaches. (See Section 10) For both the initial certification and the annual certification, the contractor must sign, either with ink or electronic signature, a confidentiality statement certifying their understanding of the security requirements.

III. INSPECTION

The IRS and the Agency, with 24 hour notice, shall have the right to send its inspectors into the offices and plants of the contractor to inspect facilities and operations performing any work with FTI under this contract for compliance with requirements defined in IRS Publication 1075. The IRS' right of inspection shall include the use of manual and/or automated scanning tools to perform compliance and vulnerability assessments of information technology (IT) assets that access, store, process or transmit FTI. On the basis of such inspection, corrective actions may be required in cases where the contractor is found to be noncompliant with contract safeguards.

EXHIBIT B.2

Except as noted otherwise, these Terms and Conditions apply to all mandatory grant programs administered by the Administration for Children and Families (ACF), see Appendix A. Please also review the separate program-specific Addendum to these Terms and Conditions applicable to each program.

By acceptance of the individual awards, each grantee agrees to comply with these requirements. Failure to comply may result in the loss of Federal funds and may be considered grounds for the suspension or termination of the grant.

ADMINISTRATIVE REQUIREMENTS

1. These programs are governed by the following Federal regulations:
 - 2 CFR Part 376 – Nonprocurement Debarment and Suspension;
 - 2 CFR Part 382 – Requirements for Drug-Free Workplace (Financial Assistance);

 - 45 CFR Part 93 – New Restrictions on Lobbying;
 - 45 CFR Part 95 – General Administration – Grant Programs;
 - 45 CFR Part 100 – Intergovernmental Review of Department of Health and Human Services Programs and Activities.

2. In accordance with Public Law 103-333, the “Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act of 1995,” the following provisions are applicable to the mandatory grant programs:

- Section 507: “Purchase of American-Made Equipment and Products – It is the sense of the Congress that, to the greatest extent practicable, all equipment and products purchased with funds made available in this Act should be American-made.”
- Section 508: “When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, all States receiving Federal funds, including but not limited to State and local governments and recipients of Federal research grants, shall clearly state (1) the percentage of the total costs of the program or project which will be financed with Federal money, (2) the dollar amount of Federal funds for the project or program, and (3) percentage and dollar amount of the total costs of the project or program that will be financed by nongovernmental sources.”

3. Drug-Free Workplace Requirements. In accordance with provisions of Title V, Subtitle D of Public Law 100-690 (41 USC 701 et. seq.), the “Drug-Free Workplace Act of 1988,” all grantees must maintain a drug-free workplace and must publish a statement informing employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and establishing the actions that will be taken against employees violating these prohibitions. The grantee must notify ACF if an employee is convicted of violating a criminal drug statute. Failure to comply with these requirements may be cause for debarment. (See 2 CFR Part 382.)

4. Smoking Prohibitions. In accordance with Title XII of Public Law 103-227, the “PRO-KIDS Act of 1994,” smoking may not be permitted in any portion of any indoor facility owned or regularly used for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs wither directly or through State or local governments. Federal programs include grants, cooperative agreements, loans and loan guarantees, and contracts. The law does not apply to children’s services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions or facilities and used for inpatient drug and alcohol treatment.

The above language must be included in any subawards that contain provisions for children’s services and that all sub-grantees shall certify compliance accordingly. Failure to comply with the provisions of this law may result in the imposition of a civil monetary penalty of up to \$1,000 per day.

5. Religious Activity Prohibitions. Direct Federal grants, sub-awards, or contracts under these programs shall not be used to support inherently religious activities such as religious instruction, worship, or proselytization. Therefore, organizations must take steps to separate, in time or location, their inherently religious activities from the services funded under these programs. (See 45 CFR Part 87.)

6. Lobbying Prohibitions. Federal grant funds provided under these awards may not be used by the grantee or any sub-grantee to support lobbying activities to influence proposed or pending Federal or State legislation or appropriations. This prohibition is related to the use of Federal grant funds and is not intended to affect an individual’s right or that of any organization, to petition Congress, or any other level of Government, through the use of other resources. (See 45 CFR Part 93.)

7. Same-Sex Marriage Provisions. In accordance with the decision in United States v. Windsor (133 S. Ct. 2675 (June 26, 2013)); Section 3 of the Defense of Marriage Act, codified at 1 USC 7, in any grant-related activity in which family, marital, or household considerations are, by statute or regulation, relevant for purposes of determining beneficiary eligibility or participation, grantees must treat same-sex spouses, marriages, and households on the same terms as opposite sex spouses, marriages, and households, respectively. By “same-sex spouses,” HHS means individuals of the same sex who have entered into marriages that are valid in the jurisdiction where performed, including any of the 50 states, the District of Columbia, or a U.S. territory or in a foreign country, regardless of whether or not the couple resides in a jurisdiction that recognizes same-sex marriage. By “same-sex marriages,” HHS means marriages between two individuals validly entered into in the jurisdiction where performed, including any of the 50 States, the District of Columbia, or a U.S. territory or in a foreign country, regardless of whether or not the couple resides in a jurisdiction that recognizes same-sex marriage. By “marriage,” HHS does not mean

registered domestic partnerships, civil unions or similar formal relationships recognized under the law of the jurisdiction of celebration as something other than a marriage.

8. *Human Trafficking Provisions.* These awards are subject to the requirements of Section 106(g) of the “Trafficking Victims Protection Act of 2000” (22 USC 7104). The full text of this requirement is found at <http://www.acf.hhs.gov/grants/award-term-and-condition-for-trafficking-in-persons>.

9. *Transparency Act Requirements.* Awards under these programs are included under the provisions of P.L. 109-282, the “Federal Funds Accountability and Transparency Act of 2006” (FFATA). Under this statute, the State is required to report information regarding executive compensation and all subgrants, contracts and subcontracts in excess of \$25,000 through the Federal Subaward Reporting System (<https://www.fsrs.gov/>) and in accordance with the terms found in Federal regulations at 2 CFR Part 170, including Appendix A. (NOTE: This requirement became applicable to all mandatory grant programs July 1, 2011.)

10. *Federal Awarding Agency Review of Risk Posed by Applicants.* As required by 2 CFR 200 of the Uniform Guidance and HHS implementing regulations (45 CFR Part 75) effective January 1, 2016, ACF is issuing guidance to implement the mandatory disclosures provision at 45 CFR 75.113. ACF is required to review and consider any publicly available information about the applicant that is in the Federal Awardee Performance and Integrity Information System (FAPIIS), <https://www.fapiis.gov> (45 CFR 75.205(a)(2)). Before making any award in excess of the simplified acquisition threshold (currently \$150,000) over the period of performance (45 CFR 75.2), an applicant may review and comment on any information about itself that a federal awarding agency has previously entered into FAPIIS. ACF will consider any comments by the applicant, in addition to other information in FAPIIS, in making a judgment about the applicant’s integrity, business ethics, and record of performance under federal awards when completing the review of risk posed by applicants as described in 2 CFR §200.205 Federal Awarding Agency Review of Risk Posed by Applicants (http://www.ecfr.gov/cgi-bin/text-idx?node=se2.1.200_1205&rgn=div8).

11. *Construction Prohibitions.* Unless superseded by program-specific regulations, these awards may not be used for construction or the purchase of land.

SUB-RECIPIENTS UNDER GRANTS

12. Grantees are required to determine recipient type when sub-granting or contracting using Federal funds. In accordance with the standards set in 45 CFR 75.351, the determination is based on the substance of the relationship with the grantee, rather than the form of the agreement.

- The presence of one or more of the following conditions would indicate that the sub-recipient should be considered a subgrantee and is subject to the provisions of 45 CFR Part 75 Subpart F:
 - a. Determines who is eligible to receive what Federal financial assistance;
 - b. Has its performance measured against whether the objectives of the Federal program are met;
 - c. Has responsibility for programmatic decision making;
 - d. Has responsibility for adherence to applicable Federal program compliance requirements;
 - e. Uses the Federal funds to carry out a program of the organization as compared to providing goods or services for a program of the pass-through entity;

- The presence of one or more of the following conditions would indicate that the sub-recipient should be considered a vendor or contractor and is not subject to the provisions of 45 CFR Part 75 Subpart F:
 - a. Provides the goods and services within normal business operations;
 - b. Provides similar goods or services to many different purchasers;
 - c. Operates in a competitive environment;
 - d. Provides goods or services that are ancillary to the operation of the Federal program;
 - e. Is not subject to compliance requirements of the Federal program.

13. No organization may participate in these programs in any capacity or be a recipient of Federal funds designated for these programs if the organization has been debarred or suspended or otherwise found to be ineligible for participation in Federal assistance programs under Executive Order 12549, "Debarment and Suspension." (See 45 CFR 75.212.) Grantees must include a similar term and/or condition for all sub-awards or contracts awarded under these programs. Prior to issuing subawards or contracts under this grant, the grantee must consult the ineligible parties list to ensure that organizations under funding consideration are not ineligible. The list is available on the System for Award Management website: <https://www.sam.gov>.

14. Each grantee is responsible for monitoring grant, sub-recipient and contract supported activities to assure compliance with Federal requirements and that performance goals are being achieved. Grantee monitoring must cover each program, function and activity. (See 45 CFR 75.342.)

15. Each grantee is required to advise sub-recipients of requirements imposed on them by Federal laws, regulations, and the provisions of grant agreements or contracts as well as any supplemental requirements imposed by the grantee. These include grant administrative and audit requirements (where applicable) under 45 CFR Part 75.

- Cost principles for non-profit organization and educational institution sub recipients are found at 45 CFR Part 75 Subpart E.
- Cost principles for commercial vendor or subcontractor sub recipients are found at 48 CFR Part 31.

16. Grantees must ensure that any non-Federal sub-recipient that expends Federal funds totaling \$750,000 or more during the course of its fiscal year must arrange for a financial audit in compliance with the requirements of 45 CFR Part 75 Subpart F.

NON-FEDERAL SHARE OF PROGRAM FUNDING

17. For some mandatory grant programs, the grantee is required to provide a portion of program funding, as specified in Federal law.

- In most instances, all of the non-Federal share of funding for these programs will be appropriated specifically for that purpose by a State legislature or provided through other grantee funding sources;
- Third party in-kind contributions may not be used as the non-Federal share of any program expenditure, unless specifically allowed for that purpose in the Federal statute applicable to that program;
- Donated funds may be used as the non-Federal share under the following conditions:
 - a. The donor may specify the activities to be supported by the donation, but may not be a sponsor or operator of the specified activity. Any specified activity must be an allowable expense under all applicable laws, regulations and policies governing these programs;
 - b. The donor may specify the geographic area in which the specified activity is to be provided;

FINANCIAL REPORTING

18. *Periodic Reports.* Grantees are required to file periodic financial reports either quarterly, semiannually or annually for each program, in accordance with specific program requirements.

19. *Required Online Reporting.* All periodic financial reports for all mandatory grant programs must be submitted electronically through the ACF Online Data Collection (OLDC) system. Grantees must not submit duplicate copies either by mail, by fax or as an email attachment of any reports submitted through

OLDC. (NOTE: See ACF Office of Grants Management Action Transmittal, OGM-AT-13-01, issued September 25, 2013.) Beginning FY 2016, the ACF requires submitting financial reports SF-425 only, through PMS in a consolidated single reporting system. Both, the cash transaction (Lines 10 a, b and c) and the expenditures, obligations and liquidations (Lines 10 d through 10 o).

20. Obligation Deadline. Unless superseded by program-specific statute or regulations or by other ACF program-specific policies, it is Office of Grants Management policy that the deadline for obligating Federal funds for mandatory grant programs is last day of the fiscal year following the fiscal year for which the award is issued. Example: Funds for an award issued for Fiscal Year 1 must be obligated no later than the final day (September 30) of Fiscal Year 2.

21. Liquidation Deadline. Unless superseded by program-specific statute or regulations or by ACF policy, in accordance with 45 CFR 75.309(b), the deadline for liquidating Federal funds is 90 days after the end of the funding (project) period. For awards issued on an annual fiscal year basis, this deadline will be **December 30** – 90 days following the end of the fiscal year on September 30.

22. Report Submission Deadline. Unless superseded by program-specific statute or regulations or by ACF policy, in accordance with 45 CFR 75.341, the deadline for submitting the required Federal reporting form varies based on the frequency of the award. For programs with awards issued on a quarterly basis, the deadline is 30 days after the end of each quarter (i.e., by January 30, April 30, July 30 and October 30). For programs with awards issued on an annual fiscal year basis, the deadline is 90 days after the end of each fiscal year (i.e., by December 30). (See “Required Online Reporting” above.)

GRANT PAYMENTS

23. Payments (cash drawdowns) under these grants will be made through the Department of Health and Human Services’ Payment Management System (PMS). The State must comply with requirements imposed by the PMS online system. Please direct any questions concerning grant payments or audit inquiries to the payment management services office. Fiscal Federal Funding Accountability and Transparency Act (FFATA) Certification

April 10, 2018

Section D:

FFATA is designed to increase transparency and improve the public's access to federal government information. To this end, FFATA requires that executive compensation data be reported for all new federal grants funded at \$25,000 or more with an award date on or after October 1, 2010. As such, grants awarded by the Oregon Child Support Program (DCS) are required to report executive compensation data as addressed in this grant award term.

The certifications enumerated below represent material facts upon which DCS relies when reporting information to the federal government required under federal law. I spoke to Mr. Foote about the election for Section 11 - Termination - on page 11 and he confirmed he would like to elect option #2. Unless there is some objection I would like to relay that to DOJ today so that they can start getting the paperwork together so we can get a final version of the agreement to take to the board. Scott, based on our conversation yesterday I think this is fine but want to confirm.

The other outstanding issues are the Notice section on page 14. If I am reading the below chain it looks like the Notice to Subrecipient will go to:

Jeff Aldridge
Finance Department
2051 Kaen Rd.
Oregon City, OR 97045

Notice to DA will go to:

John Foote
District Attorney of Clackamas County
807 Main St.
Oregon City, OR 97045

Finally, on page 16 -17, the signature page:

Jim Bernard will sign for County.

John Foote will sign for DA.

Thanks,
Sarah

My two cents re: notices are that they generally would not go to elected officials but staff that manages/monitors the contracts.

Electeds need to sign the contracts as they have signing authority, but after that usually it's staff that handles the contracts.

Good morning,

I am wondering since I sign off on reporting if it would make more sense for notices to Subrecipient to be sent to me as Sarah noted below?

Thoughts?

Thanks,

#14 would be Notices to Subrecipient County Commissioner Chair Jim Bernard; Notices to DA would DA John Foote, be same as below. Page 16 will be signed by County Commissioner Chair Jim Bernard. John Foote will sign Page 17 before it goes to the Board. I used the signature pages from the 2015 signed agreement as a model.

I talked to Mary Raethke and they are having a Board meeting on Thursday June 6th, so I can submit the packet on Wednesday May 29th to get on the agenda for that meeting. Usually, I need to turn it in by 1:00 on Wednesday, but since there is no meeting this Thursday, I can turn it in a little late and still make it onto the agenda. So, I should have all day tomorrow.

I have attached the old Staff Report from 2015 and an updated one for this year. Make any changes you think necessary for the new one. This gets submitted with the Agreement to the Board.

Any communication or notice delivered by facsimile shall be effective on the day the transmitting machine generates a receipt of the successful transmission, if transmission was during normal business hours of the recipient, or on the next business day, if transmission was outside normal business hours of the recipient. Sarah,

I called at 8:05, but you weren't at your desk. I have a budget meeting with John and Brandi at 8:30. I'll call you about this when it is over. Sorry about the miss communication on this. Scott Shearer called me at home on Friday afternoon. As per this email below, I didn't receive this email from Scott Ciecko, all I received was the attached that said he approved it.

On the termination clauses I would pick the one that says county and da can jointly terminate (I don't have the contract in front of me now).

As for contact for the county I'd put Jeff Aldridge in Finance dept. DA contact is up to you.

Singles are John Foote and the BCC, so it will need to go on the consent agenda. Bob should know how to get that done.

Scott,

We do know about the security requirements. Everyone, down to the janitorial staff, has to do specific training and pass tests related to federal requirements. I have an email in to the DOJ people about one of the requirements but have not heard back.

I don't have any specific questions, just wanted to make sure everyone was aware of the requirements and there were no concerns on your end. As soon as Finance gives us the OK then we should be good to go.

Scott,

For the requirements of the office, we had a Family Support, IRS Audit over a year ago and we met the requirements regarding security, confidentiality, etc. I have added Scott Shearer, Sam Crane, and Sarah Dumont to this in case there are in questions about that as they were part of the audit.

Robert – I've reviewed the attached sub recipient agreement and I'm OK with it on my end. I will get you the cover sheet with my signature tomorrow.

One thing I want to point out is that there are a large number of requirements that you will want to make sure your office is complying with pertaining to security, confidentiality, background checks, record retention, and other items. I'm not in a position to know whether we are in compliance with those areas and am only approving the form of the agreement.

That being said, this is an agreement that Finance also needs to review and approve, so I'm copying Christa Wolfe and hopefully she can direct it to the proper Finance team member.

Please let me know if you have questions.

Bob,

My understanding is that you are the person who can prep this agreement and get it to the people it needs to get to. It is the first document titled Attachment A, 2019 DA Master Agreement Template. Do we typically run this by County Counsel as well? Brandi and I met with Mr. Foote and we can move forward with it.

By Friday I will need (1) your county's selection for Section 11, and (2) the appropriate county and district attorney contact information for Section 13 and for the signature pages.

Please let me know if this doesn't make sense or if you need additional information.
Thanks,
Sarah

Good afternoon, District Attorney Foote.

The Cooperative Agreement between the state and the respective counties that offer child support services expires June 30, 2019. As a reminder, in 2015 the ODAA tasked a workgroup to work with DOJ to overhaul and update the intergovernmental agreement, which had not happened for some years. At that time, there were a number of updates necessary to bring the agreements into compliance with state and federal security regulations, for instance, and for federal reporting changes, and also some reordering was made in the document. Otherwise, substantively the agreement stayed much the same as prior agreements.

The 2019 version is essentially the same as the 2015 agreement. The 2019 updates are very minor, focusing on federal requirements related to data security, some details related to use of federal funds, and updating child support automated system references from the former CSEAS mainframe to the server-based Origin system.

For your convenience and reference, attached are three documents:

Attachment 1 – DOJ-county template agreement – 2019
Attachment 2 – Compare version of 2015 and 2019 template agreement
Attachment 3 – Current cooperative agreement – Clackamas County

If you or your county counsel have any questions, please direct them to CSPContracts@doj.state.or.us. Please respond to me and the Contracts office by Friday, May 24, with (1) your county's selection for Section 11, and (2) the appropriate county and district attorney contact information for Section 13 and for the signature pages. We will circulate the final agreement beginning the last week of May for collection of signatures from your county officials and the Department of Justice. The agreements must be fully executed by June 30, 2019, for the county to continue offering child support services.

Thank you for your courtesies.
