#### CLACKAMAS COUNTY BOARD OF COUNTY COMMISSIONERS

Sitting/Acting as (if applicable)
Policy Session Worksheet

Presentation Date: May 16, 2017 Approx Start Time: 10:30 AM Approx Length: 20

min

Presentation Title: Board of Health Orientation including Triennial Review Requirements

**Department:** Health, Housing & Human Services, Public Health

**Presenters: Rich Swift and Dawn Emerick** 

Other Invitees:

WHAT ACTION ARE YOU REQUESTING FROM THE BOARD?

EXECUTIVE SUMMARY: The Health, Housing and Human Services Department's Public Health Division serves as the county's Local Public Health Authority (LPHA). In turn, the Clackamas County Board of County Commissioners serve as the County's Board of Health. The LPHA is contracted with the State of Oregon, specifically the Oregon Health Authority, to administer 10 required public health services to the residents of Clackamas County. This Policy Session is intended to provide an orientation of the responsibilities of the Board of Health and to ensure the understanding of a recent Oregon Health Authority audit on Public Health's 10 required services. The Oregon Health Authority will deliver this audit report to the Board of County Commissioners/Board of Health at the end of May 2017.

FINANCIAL IMPLICATIONS (current year and ongoing):

Is this item in your current budget? \( \subseteq \text{YES} \times \text{NO}

What is the cost? \$ NA What is the funding source? NA

#### STRATEGIC PLAN ALIGNMENT:

- How does this item align with your Department's Strategic Business Plan goals? The Board of County Commissioners, by state law, also serve as the Board of Health. This orientation is necessary to build understanding regarding governance and operations of the county's Local Public Health Authority,
- How does this item align with the County's Performance Clackamas goals? Operating as an informed and effective Board of Health is essential for protecting the health of all residents of Clackamas County.

# Local Public Health Authority and Board of Health Responsibilities

DAWN EMERICK, DIRECTOR
PUBLIC HEATH DIVISION

#### Factors that affect our health

# 10 Essential Public Health Services

- 1. Monitor health status to identify community health problems.
- Diagnose and investigate health problems and health hazards in the community.
- 3. Inform, educate and empower people about health issues.
- 4. Mobilize community partnerships to identify and solve health problems.
- Develop policies and plans that support individual and community health efforts.

# 10 Essential Public Health Services

- 6. Enforce laws and regulations that support individual and community health efforts.
- 7. Link people to needed personal health services and assure the provision of health care when otherwise unavailable.
- 8. Assure a competent public health and personal healthcare workforce.
- Evaluate effectiveness, accessibility, and quality of personal and population-based health services.
- 10. Research for new insights and innovative solutions to health problems.

### Who Has Public Health Authority in Oregon?

- State Public Health Division, Public Health Director
- Boards of Health
- Local Public Health Authorities
- Local Public Health Administrators
- State and local health officers

## State Public Health Division Authority
