1) Welcome & introductions.

Reviewed purpose of this action team which is to: Promote suicide prevention as a core component of health care services and implement best or promising practices for identifying and supporting individuals at risk for suicide.

2) Reviewed Suicide Prevention Action Plan (SPAP) strategic directions for the Health Care Action Team:

- 3a. Increase lived experience and other related support groups that increase hope, connection, and resiliency.
- 3b. Training for, and materials to, healthcare providers will highlight universal suicide risk screening and treatment for suicide.
- 3c. Diversify and increase utilization of mental health and suicide prevention trainings available to health care providers.

- **Review this team's goals (above)**
- **Updates from previous meetings:**
 - Man Therapy- Galli has a meeting on December 18th at 1pm with Eric about potentially partnering with Man Therapy
- **Health Care Provider Toolkit Update:**
 - Need to see what AFSP already has developed and we can use it as a resource and credit them.
 - Galli will bring all of the ideas to the Workforce and Alliance committee
 - The goal is for this to be an administrative tool that would bring cultural change

Action Items

1. Galli & Megan will go over the HealthCare Provider Toolkit Updates and bring what was discussed back to the team.
2. Bring the Toolkit table of contents to the next Coalition meeting to get some assistance with additions/developing.
3. Galli will draft the "why"/goal of the Toolkit to send out
4. Joan will see what resources AFSP & The Dougy Center already have developed to include in the Toolkit.
5. Megan will look at National Alliance for Grieving Children for resources that can be added to the Toolkit. She will look for hyperlinks/resources Healthcare Providers can use to provide support to those affected

by suicide.

6. Galli will send out a list of Toolkits to Megan & Joan that have already been developed to pull from and credit.
7. Joan will work on “Use of Language” section in the Toolkit table of contents
8. Galli will send the Toolkit to the committee to see what anyone’s willing/want to take on

Next meeting: February 6th from 11 – 12am | Location – virtual and link TBD

Meetings are open to anyone. All are welcome!
