A. Review applicable land use rules:

This application is subject to the provisions of [Section 401, Exclusive Farm Use District \(EFU\)](#) of the [Clackamas County Zoning and Development Ordinance](#) (ZDO) if the subject property is zoned EFU, or to the provisions of [Section 407, AG/Forest District \(AG/F\)](#) and the provisions of Section 401 cited in Section 407 if the subject property is zoned AG/F.

It is also subject to the ZDO's definitions, procedures, and other general provisions outlined in the ZDO.

B. Turn in all of the following:

- Complete application form:** Respond to all the questions and requests in this application, and make sure all owners of the subject property sign the first page of this application. Applications without the signatures of *all* property owners are incomplete.
- Application fee:** The cost of this application is **\$960**. Payment can be made by cash, by check payable to "Clackamas County", or by credit/debit card with an additional card processing fee using the [Credit Card Authorization Form](#) available from the Planning and Zoning website. Payment is due when the application is submitted. Refer to the FAQs at the end of this form and to the adopted [Fee Schedule](#) for refund policies.
- Site plan:** Provide a site plan (also called a plot plan). A [Site Plan Sample](#) is available from the Planning and Zoning website. The site plan must be accurate and drawn to-scale on paper measuring no larger than 11 inches x 17 inches. The site plan must illustrate all of the following (when applicable):
 - Lot lines, lot/parcel numbers, and acreage/square footage of lots;
 - Contiguous properties under the same ownership;
 - All existing and proposed structures, fences, roads, driveways, parking areas, and easements, each with identifying labels and dimensions;
 - All proposed temporary structures and portable toilets to be used for the event/activity;
 - Setbacks of all structures, including temporary structures, from lot lines and easements;
 - All vehicle access and egress points for the event/activity;
 - Significant natural features (rivers, streams, wetlands, slopes of 20% or greater, geologic hazards, mature trees or forested areas, drainage areas, etc.); and
 - Location of utilities, wells, and all onsite wastewater treatment facilities (e.g., septic tanks, septic drainfield areas, replacement drainfield areas, drywells).
- For more than one event/activity in a year:** If you are proposing more than one event or activity in a calendar year, provide a map of existing other agri-tourism or other commercial events or activities authorized in the area of the subject property.

C. Answer the following questions:

Accurately answer the following questions in the spaces provided. Attach additional pages, if necessary.

FAQs

When is an Agri-Tourism or Other Commercial Event or Activity permit required?

The County's Zoning and Development Ordinance (ZDO) allows a limited number of agri-tourism events/activities to be conducted in a calendar year on a tract zoned AG/Forest (AG/F) or Exclusive Farm Use (EFU) on qualifying agricultural lands, if the events/activities are incidental to, and supportive of, existing farm uses on the same tract and if other criteria can be met. Such events/activities require an Agri-Tourism or Other Commercial Event or Activity land use permit.

What is the permit application process?

Agri-Tourism or Other Commercial Event or Activity permits are subject to a "Type II" land use application process, as provided for in [Section 1307](#) of the ZDO. Type II decisions include notice to owners of nearby land, the Community Planning Organization (if active), service providers (sewer, water, fire, etc.), and affected government agencies. If the application is approved, the applicant must comply with any conditions of approval identified in the decision. The Planning Director's decision can be appealed to the County Land Use Hearings Officer.

What is needed for the County to approve a land use permit?

Agri-tourism or other commercial events and activities are discretionary and *may* be permitted after an evaluation by the County of applicable standards of the ZDO. The applicant is responsible for providing evidence that their proposal does or can meet those standards. In order to address the standards, the information requested in this application should be as thorough and complete as possible. A permit will only be approved or denied after a complete application is received and reviewed. The County approves an application only if it finds that the proposal meets the standards or can meet the standards with conditions.

How long will it take the County to make a decision about an application?

The County makes every effort to issue a decision on a Type II land use application within 45 days of when we deem the application to be complete. State law generally requires a final County decision on a land use permit application in an urban area within 120 days of the application being deemed complete, and within 150 days for a land use permit in a rural area, although there are some exceptions.

If an application is submitted and then withdrawn, will a refund be given?

If a submitted Type II application is withdrawn before it is publicly noticed, 75% of the application fee paid will be refunded. If a submitted application is withdrawn after it is publicly noticed, but before a decision is issued, 50% of the application fee will be refunded. No refund will be given after a decision is issued.
