ARTICLE V TERM AND TERMINATION

5.1 Term of Agreement. When executed by both parties, this Agreement shall become effective as of the Effective Date and shall continue in effect until December 31, 2023 unless otherwise terminated pursuant to this Agreement

52 Termination on Default. In the event CareOregon or County should materially default in the performance of any obligation imposed on it by this Agreement, the non-defaulting party shall elect to provide the defaulting party with written notice describing the facts and circumstances of the default. After providing such notice, the non-defaulting party may elect, by written notice to the defaulting party, to terminate this Agreement if the defaulting party has not cured any default within thirty (30) days following the defaulting party's receipt of the applicable default notice; provided, however that with respect to any default covered by this subsection which reasonably requires additional time to cure, such failure shall not result in a termination of the Agreement so long as the defaulting party has commenced performance of a cure within the stated cure period and diligently pursues such cure to completion.

53 Immediate Termination by CareOregon. Notwithstanding any other term herein to the contrary, CareOregon may immediately terminate this Agreement or the participation of any individual health care provider providing services for County pursuant to this Agreement on delivery of written notice to County if any of the following occurs:

536 County is found to be in violation of or has failed to comply with any of the requirements of this Agreement that are not curable by County due to their nature.

5.4 Termination without Cause. The parties agree that they are contracting at will. Either CareOregon or County may terminate this Agreement without cause upon ninety (90) days' advance written notice to the other party. However, such termination shall not relieve either party of any contractual obligation(s) incurred prior to the Effective Date of the termination.

5.5 Change in Law. In the event state or federal laws are enacted, or state or federal regulations are promulgated which make this Agreement illegal under such laws or regulations, or this Agreement is otherwise deemed by appropriate state or federal governmental authorities to

violate such laws or regulations, this Agreement shall be immediately amended to comply with such laws or regulations or be terminated.

5.6 Continuity of Care. In the event of termination of this Agreement, the following provisions shall apply to ensure continuity of the Covered Services to Members. County shall ensure:

ARTICLE VI INDEMNIFICATION

6.1 Indemnification by CareOregon. CareOregon hereby covenants and agrees to indemnify, protect, defend and hold County, County Commissioners, and County officers, employees, affiliates and agents (collectively, "Provider Parties") harmless from and against all claims, suits, actions, losses, liabilities, settlements, damages, costs, and expenses of any nature whatsoever resulting from, arising out of, or relating to the activities of CareOregon or its officers, employees, subcontractors, agents, and insurers under this Agreement.

6.2 Indemnification by County. To the extent permitted by Article XI, Section 7 of the Oregon Constitution and by Oregon Tort Claims Act, County shall defend, indemnify and hold harmless CareOregon and its directors, officers, employees, affiliates and agents from and against all claims, suits, actions, losses, damages, liabilities, settlements, costs and expenses of any nature whatsoever resulting from, arising out of, or relating to the activities of County or its officers, employees, subcontractors, agents, and insurers (or any combination of them) under this Agreement.

ARTICLE VII INSURANCE

ARTICLE VIII DISPUTES AND COMPLAINTS

81 Arbitration. Except as otherwise provided in Section 8.2, any dispute, controversy, or claim arising out of the subject matter of this Agreement will be settled by arbitration before a single arbitrator in Portland, Oregon. If the parties agree on an arbitrator, the arbitration will be held before the arbitrator selected by the parties. If the parties do not agree on an arbitrator, each party will designate an arbitrator and the arbitration will be held before a third arbitrator selected by the designated arbitrators. Each arbitrator will be an attorney knowledgeable in the area of business and healthcare law. The arbitration will be initiated by filing a claim with Arbitration Service of Portland and will be conducted in accordance with the then-current rules of Arbitration Service of Portland. The resolution of any dispute, controversy, or claim as determined by the arbitrator will be binding on the parties. Judgment on the award of the arbitrator may be entered by any party in any court having jurisdiction.

82 Compelling Arbitration. A party may seek from a court an order to compel arbitration, or any other interim relief or provisional remedies pending an arbitrator's resolution of any dispute, controversy, or claim. Any such action, suit, or proceeding will be litigated in courts located in Multnomah County, Oregon. For the purposes of the preceding sentence, each party consents and submits to the jurisdiction of any local, state, or federal court located in Multnomah County, Oregon. If a claim must be brought in a federal forum, then it shall be conducted solely and exclusively within the United States District Court for the District of Oregon.

83 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law.

84 Dispute Resolution. Before a Party initiates arbitration regarding a claim or dispute

under this Agreement (a “**Dispute**”), the Parties shall meet and confer in good faith to seek resolution of the Dispute. If a Party desires to initiate the procedures under this paragraph, the Party shall give notice (a “Dispute Initiation Notice”) to the other Party providing a brief description of the nature of the Dispute, explaining the initiating Party’s claim or position in connection with the Dispute, including relevant documentation, and naming an individual with authority to settle the Dispute on such Party’s behalf. Within 20 days after receipt of a Dispute Initiation Notice, the receiving Party shall give a written reply (a “Dispute Reply”) to the initiating Party providing a brief description of the receiving Party’s position in connection with the Dispute, including relevant documentation, and naming an individual with the authority to settle the Dispute on behalf of the receiving Party. The Parties shall promptly make an investigation of the Dispute, and commence discussions concerning resolution of the Dispute within 20 days after the date of the Dispute Reply. If a Dispute has not been resolved within 30 days after the Parties have commenced discussions regarding the Dispute, either Party may submit the dispute to arbitration subject to the terms and conditions herein. Failure to comply with this paragraph shall not bar a party from submitting the Dispute to arbitration; however, a Party’s failure to take advantage of this informal process may be considered by the arbitrator in making any award of attorneys’ fees hereunder.

2. Scope.

- a. Intensive Care Coordination services for members with behavioral health and substance use disorder (SUD) diagnoses, including screening members for such services, will primarily be provided by County. Lack of a behavioral health diagnosis or lack of engagement with a behavioral health provider is not a basis for denial of eligibility for ICC services. The parties recognize that participation in ICC services is voluntary. However, to ensure that Members' care coordination needs are identified and assessed, County will assess the Member's need for ICC services even if the Member indicates that they do not wish to participate in ICC at that time. Routine (non-intensive) care coordination services for all other populations will be provided by CareOregon. Individuals may transfer between routine and intensive care coordination depending on level of care needed. The parties understand that ICC services are provided by both County and CareOregon. However, CareOregon primarily provides ICC services to members with complex physical health diagnoses. Additional roles and responsibilities are outlined in the shared operational procedures between County and CareOregon.
- b. CareOregon may define other prioritized populations for County to manage and engage in ICC including but not limited to members who admit to a psychiatric unit, repeatedly use emergency departments for mental health and/or substance use needs, and who access other high levels of care including Psychiatric Residential Treatment Services (PRTS), Psychiatric Day Treatment Services (PDTS), and Subacute Services.
- c. On a daily basis, County will (i) use the Collective Platform to generate a report of Members admitted to psychiatric units to screen for ICC needs; and (ii) use the daily authorization report to identify Members authorized for Psychiatric Residential Treatment Services and Subacute Services to screen for ICC needs.
- d. County will screen Members for ICC needs within three (3) business days of receiving referrals. County will notify CareOregon within five (5) business days if County has a waitlist of Members that County intends to enroll in ICC services but cannot do so immediately. If County screens out Members from ICC services and the Member is

referred back to CareOregon, upon CareOregon's request County agrees to (i) provide the criteria that were used to determine that the Member should be referred back to CareOregon for care coordination services, and (ii) reconsider its determination to screen out the Member from ICC services. County will notify CareOregon if the determination to screen out the Member from ICC services was based on lack of capacity.

- e. County shall continue ICC engagement and discharge planning when a Member has been approved for long-term care services.
- f. **Non-Covered Services with Care Coordination.** County will coordinate services for Members who require health services not covered by the Oregon Health Plan as outlined in Exhibit B, Part 2, Section 9 of the CCO Contract.
- g. **Non-Covered Services without Care Coordination.** County is not required to provide care coordination for services that are not covered by the Oregon Health Plan, (Non-Covered Services), as outlined in Exhibit B, Part 2, Section 10 of the CCO Contract.

- i. County shall track and maintain a record of any complaints or grievances filed in relation to the performance of ICC services under this Agreement. Upon reasonable advance notice, County will provide a report of any complaints or grievances to CareOregon. County is not responsible for resolving complaints or grievances that are unrelated to its performance of ICC services. CareOregon agrees to provide County with a contact that will be responsible for responding to Member complaints or grievances that are unrelated to County's performance of ICC services.
- j. Upon reasonable advance notice, County agrees to participate in ICC meetings and workgroups with CareOregon and to cooperate with CareOregon in responding to reporting requests from regulatory agencies.
- k. To the extent permitted by federal and state privacy laws, County agrees to participate in Member care coordination conferences for purposes of coordinating care and maintaining continuity of care for Members in the ICC program.
- l. To the extent permitted by federal and state privacy laws, County intensive care coordinators agree to communicate with civil commitment staff for purposes of coordinating care and maintaining continuity of care for Members in the ICC program.

- 4) In addition to the forgoing, the Company may immediately terminate this BAA and the Agreement if the Company determines that Business Associate has violated a material term of this BAA concerning the Security Rule.
