Or multiple commute times.

# Getting started using Walk Score Apartment Finder

**Your neighborhood**

**Your travel time**

**Your destination**

**Your transportation mode**

**Your travel zone**

The screenshot shows the top section of the Walk Score Apartment Finder website. At the top, there are navigation links: "Get Scores", "Find Apartments", "Post Listings", and "Professional". Below this is a search bar with the text "Find rentals: Type an address, neighborhood or city" and a "Go" button. Underneath the search bar are three tabs: "\$ Price & Beds", "My Commutes", and "Gotta Have...". A dropdown menu is open under "My Commutes", showing "Mall 205" as the selected destination. To the right of the dropdown is a "Time:" slider set to "30 min" and a "By:" section with icons for bus, car, bicycle, and pedestrian. A "Go" button is to the right of these options. Below the search bar is a map showing a green travel zone around the destination. Several apartment listings are shown as blue pins on the map, each with a small thumbnail image.

**Save your search**

**Apartment price range**

**Number of bedrooms**

**Apartments in your travel zone**

The screenshot shows the results page of the Walk Score Apartment Finder. At the top, there are navigation links: "Price & Beds", "My Commutes", "Gotta Have...", and "Public Tra". Below these links are two sliders: "Price: \$0 - 1,000" and "Bedrooms: Studio - 3". A "Save Search" button is visible. The main content area shows a list of apartment listings. Each listing includes a thumbnail image, the price, the name of the apartment, the number of bedrooms, the travel time, and the Walk Score. The first listing is "\$450 Space in Scott's View Mobile ... Studio 30 mins Walk Score: 52". The second listing is "\$525 Wait List Open 1 bed 26 mins Walk Score: 54". The third listing is "Wait List Open 2 beds 30 mins Walk Score: 62". A map is shown on the right side of the page, displaying the travel zone and apartment listings as blue pins with thumbnails.
