REQUEST FOR PROPOSALS #2018-37
Alcohol and Drug Assessments at the Transition Center
RESPONSE TO CLARIFYING QUESTIONS #2
May 8, 2018

Note that these are questions submitted by interested firms to the above referenced solicitation. The below answers are for clarification purposes only and in no way alter or amend the RFP as published.

1. As you know, this 1.00 FTE service proposal requires “three (3) references from clients your firm has served similar to the County in the past three (3) years, including one client that has newly engaged the firm in the past thirty-six (36) months and one (1) long-term client. Provide name, address, email, and phone number of the references” (page 10). Question: does “clients your firm has served similar to the County” mean clients served in an A & D assessment capacity only or, more likely, any Adult CD clients?

Answer: Clackamas County would like demonstration of Alcohol and Drug Clients who received their evaluation by your agency and could have entered treatment.

2. Also, the RFP doesn’t specify with any timeframe (like months) what constitutes a long-term versus newly-engaged client. Guideline?

Answer: Clackamas County would like the vendor to define what constitutes longer vs. short term and ultimately Clackamas County would like long term to be at least several months.
