BACKGROUND: Clackamas County Community Corrections will provide supervised offender work crews for sites under the control of City of Happy Valley. Crews consisting of a minimum of four offenders perform landscaping and cleanup for up to approximately six hours per day. Community Corrections provides a Work Crew Specialist to supervise each crew. This Agreement provides a way for offenders to give back to the communities they have victimized while generating revenue for the program. The \$200.00 to \$425.00 per crew fee helps to offset the cost of staff supervision, tools, and transportation to and from the site. The term of this Agreement is for 1 year, July 1, 2022 through June 30, 2023. This serves as the third of three Agreement renewals.

RECOMMENDATION: Community Corrections respectfully requests that the Board of County Commissioners approve this Intergovernmental Agreement to provide work service crews to City of Happy Valley.

Respectfully submitted,

Malcolm McDonald, Director
Community Corrections
