EXPLANATORY STATEMENT:

Approval of this measure would impose a three percent tax on the sale of marijuana items by a marijuana retailer within the city. There are no restrictions on how the city may use the revenues generated by this tax.

Under Measure 91, adopted by Oregon voters in November 2014, codified in ORS chapter 475B and amended by the Legislature in 2016, the Oregon Liquor Control Commission must license the retail sale of recreational marijuana. ORS 475B.345 provides that a city council may adopt an ordinance imposing up to a three percent tax on the sale of marijuana items (which include marijuana concentrates, extracts, edibles, and other products intended for human consumption and use) by retail licensees in the city, but the council must refer that ordinance to the voters at a statewide general election. The Molalla City Council has adopted an ordinance imposing a three percent tax on the sale of marijuana items by a retail licensee in the city, and, as a result, has referred this measure to the voters.
