

Exciting news for Gladstone & Oak Lodge Libraries

Good news for Gladstone and Oak Lodge libraries! The city of Gladstone and Clackamas County have been working to improve library services—and are moving forward with a plan to construct two libraries, one in Gladstone and one in the Oak Grove/Jennings Lodge area. Combined, these facilities will provide an estimated 25,500 square feet of new library space. We invite you to join the conversation and shape the future of your library.

Gladstone Replacement Library

6,000 Sq. Ft.
The replacement library will be a modern library downtown of approximately 6,000 sq. ft.

Next Steps
Library construction is dependent on successful passage of a Gladstone ballot measure authorizing construction of a new library.

Oak Lodge Replacement Library

19,500 Sq. Ft.
The replacement library is estimated to be nearly three times larger than the current library at approximately 19,500 sq. ft.

Next Steps
Residents will shape the library through a visioning process to meet community needs.
