Program Overview

The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act) consolidated three separate homeless assistance programs administered by the U.S. Department of Housing and Urban Development (HUD) under the McKinney-Vento Homeless Assistance Act into a single grant program. The HEARTH Act revised the Emergency Shelter Grants program and renamed the program the **Emergency Solutions Grants (ESG)** program. The HEARTH Act also codified in law the **Continuum of Care (CoC)** planning process that is part of HUD's annual application for funding of programs and services that assist homeless persons.

24 CFR Part 576 Subpart B details the program components and eligible activities of the ESG program. The five components are:

1. Street Outreach
2. Emergency Shelter
3. Homeless Prevention
4. Rapid Re-housing
5. HMIS (Homeless Management Information System)

ESG provider sub-recipients are selected through a Request for Proposals process conducted by Clackamas County Housing and Community Development Division at least every three years.

The Clackamas County Continuum of Care (CoC) is a consortium of individuals and organizations with the common purpose of planning for a housing and services continuum for people who are homeless.

The mission of the Clackamas County CoC is to facilitate the development of a continuum of housing and services that provide sufficient opportunities to significantly mitigate homelessness in Clackamas County, via:

- Full utilization of mainstream resources
- Coordination of service delivery and housing systems
- Systemic agreements and institutional focusing on populations at high risk of homelessness
- Creative cultivation of new resources
- Public awareness to foster a collective sense of responsibility for addressing homelessness

CoC funded providers operate transitional housing, permanent supportive housing and rapid rehousing programs and follow the program rules listed in **CoC Interim Rule 24 CFR Part 578**.

ESG provider sub-recipient contracts also include many ESG program requirements. Each ESG and CoC provider may decide to set standards for their homeless services that exceed these minimum standards, but will at the very least comply with the following Clackamas County Homeless Services General Standards:

General Standards:

1. COORDINATED ASSESSMENT:

Minimum standards for the coordinated access and assessment system are:

- Once the Continuum of Care has developed and adopted a coordinated assessment system in accordance with HUD's requirements (24 CFR Part 578) all ESG and CoC providers in Clackamas County shall participate in that assessment system.
- Victim services providers are encouraged to provide input in the planning and implementation of the coordinated assessment system, but may choose not to use the Continuum of Care's coordinated assessment system.

2. HOMELESS MANAGEMENT INFORMATION SYSTEM (HMIS):

Minimum standards for CoC and ESG data are:

- Providers, except for victim service providers, shall utilize the Homeless Management Information System (HMIS), to enter data on people served and assistance provided under ESG and CoC.
- Victim service providers shall utilize a comparable data system that meets HUD's standards (24 CFR 576.107).
- All providers including victim services providers, shall adhere to the reporting and data quality standards in the current Clackamas County HMIS Policies and Procedures.

3. PERFORMANCE MEASUREMENT

All providers will submit Annual Performance Reports (APRs) to HUD. At least annually all providers will be measured using the following HUD CoC performance measures according to the type of project/service provided:

- a. Ending Chronic Homelessness – Have providers met commitments made to HUD or have any new chronic persons been housed? (permanent housing projects)
- b. Housing Stability – Have participants stayed in or moved to permanent housing? (transitional housing projects)
- c. Jobs and Income Growth – Have participants increased their income? (all projects)
- d. Mainstream Benefits – Have participants gotten access to services? (all projects)

- e. Rapid Re-Housing – Have families been appropriately housed as quickly as possible? (RRH projects)
- f. At least 30% of people exiting shelters go to transitional or permanent housing (shelter providers).

4. EDUCATION OF CHILDREN 24 CFR 578.23 (c) 7

Clackamas County CoC strongly values education, believing that increased educational attainment lowers risk of future homelessness. ESG and CoC programs shall inform parents and unaccompanied youth of their educational rights, take the educational needs of children into account when families are placed in housing and will, to the maximum extent practicable, place families with children as close as possible to their school of origin so as not to disrupt such children's education. Providers and homeless school liaisons coordinate schooling for each school-age child, reducing school migration and connecting students to services.

5. FAMILY UNITY

The CoC and ESG providers of emergency shelter, transitional housing, rapid rehousing and permanent housing serving families shall ensure that no members of a household with children under 18 are denied admission or separated when entering shelter or housing.

6. DEFINITION OF FAMILY

Family includes, but is not limited to, regardless of marital status, actual or perceived sexual orientation, or gender identity, the following:

- (1) A single person, who may be an elderly person, displaced person, disabled person, near-elderly person, or any other single person; or,
- (2) A group of persons residing together, and such group includes, but is not limited to:
 - a. A family with or without children (a child who is temporarily away from the home because of placement in foster care is considered a member of the family);
 - b. An elderly family;
 - c. A near-elderly family;
 - d. A disabled family;
 - e. A displaced family; and,
 - f. The remaining member of a tenant family.

In general, this definition of “family” applies to both the ESG and CoC Program rules. However, the [McKinney-Vento Act, as amended by the HEARTH Act](#), distinguishes individuals from families. Therefore, paragraph (1) of the definition of family under the

Equal Access Rule is considered an individual under the CoC and ESG programs and the definition of family for these programs is defined as follows:

Family includes, but is not limited to, regardless of marital status, actual or perceived sexual orientation, or gender identity, any group of persons presenting for assistance together with or without children and irrespective of age, relationship, or whether or not a member of the household has a disability. A child who is temporarily away from the home because of placement in foster care is considered a member of the family.

7. REASONABLE ACCOMMODATIONS

Clackamas County is committed to the equal treatment of all persons, and believes that no eligible individual with disabilities should, solely on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any CoC programs.

All providers will provide **Reasonable Accommodations** to applicants and participants of CoC and ESG Programs. A reasonable accommodation is an agency or program modification or change to its policies or procedures that will assist an eligible person with a disability to attain equal participation in programs.

Providers will assist clients in reviewing and understanding the agency or program Reasonable Accommodation Policy and completing any type of Request for Reasonable Accommodation documentation, as needed.

8. TERMINATION OF ASSISTANCE (24 CFR Part 578.91(a))

Minimum standards for termination of assistance are:

- **In general** – If a program violation occurs and the provider terminates assistance as a result, the termination shall follow an established process that recognizes the rights of the individuals affected. Termination shall only occur in the most severe cases.
- **Program participants receiving rental assistance or housing relocation or stabilization services** – When terminating rental assistance or housing relocation and stabilization services, the required formal process shall minimally consist of:
 - Written notice clearly stating the reasons for termination;
 - A review of the decision that gives the participant opportunity to present objections to the decision maker; and
 - A prompt written final notice.
- **Ability to provide further assistance** – Termination will not bar the provider from providing later additional assistance to the same family or individual.

9. GRIEVANCE PROCESS (24 CFR Part 578.91(b))

All providers shall have a Grievance Process that recognizes the rights of individuals to due process when assistance is terminated. Individuals receiving assistance are informed at entry of the grievance process for that particular provider. The process shall consist of an informal process and a formal process.

Providers will assist clients in reviewing and understanding the agency or program Grievance Process and completing any type of Grievance Process documentation. Under no circumstances shall engaging in a grievance process negatively impact the services provided to the person or household.

10. NONDISCRIMINATION/EQUAL OPPORTUNITY/AFFIRMATIVE

OUTREACH: CoC and ESG providers must maintain copies of their marketing, outreach, and other materials used to inform eligible persons of the program to document compliance with the requirements in 24 CFR 578.93(c).

All ESG providers will follow federal documentation guidelines to establish the client's status as homeless or at-risk of homeless and their income eligibility. These evaluations must be conducted in accordance with the centralized or coordinated assessment requirements set forth under §576.400(d).

When determining the annual income of a household to establish eligibility for ESG assistance, Providers must count the income of all adults in the household, including nonrelated individuals, within the limitations imposed by 24 CFR 5.609. Not everyone living in the unit is considered a member of the household for the purposes of determining a household's income. Excluded persons include: foster children, foster adults, live-in aides, children of live-in aides and an unborn child. A child subject to a shared-custody agreement should be counted as a household member if the child resides with the household at least 50 percent of the time.

Income generated by an asset, such as the interest on a savings or checking account is considered household income even if the household elects not to receive it. For example, though an applicant may elect to reinvest the interest or dividends from an asset, the interest or dividends are still counted as income anticipated to be received during the coming 12 months. Asset income is discussed in 24 CFR 5.609. Income producing assets include: bank accounts; life insurance policies; lump sum additions (legal settlement, refund, etc.); personal property held as investments; retirement/pension funds; trusts; assets disposed of for less than fair market value; and stocks, bonds or mutual funds.
