*“It is the mission of the Clackamas County District Attorney’s Office to pursue justice and enforce the law while providing the highest quality of service to victims, witnesses, law enforcement, and the citizens of Clackamas County.” — John S. Foote, District Attorney*

# Criminal Prosecution

## Felony Crime

The Clackamas County District Attorney's Office issued charges in more than 2,200 adult felony cases during 2017.

- Property offenses include burglary, larceny, motor vehicle theft, and fraud/forgery.
- Violent offenses include homicide, rape or sexual assault, robbery and assault.
- Drug offenses include drug possession and drug trafficking.
- Conduct offenses include attempting to elude a police officer, failure to appear, escape, public indecency, and failure to report as a sex offender.

## Misdemeanor Crime

More than 4,000 misdemeanor cases were reviewed and prosecuted. The top 10 percent misdemeanor offenses (by charge) included: driving under the influence of intoxicants, theft, driving while suspended or revoked, assault, harassment, criminal trespass, failure to appear, failure to perform duties of a driver when property damaged, interfering with a peace officer or a parole and probation officer, unlawful possession of methamphetamine or heroin, prostitution and criminal mischief.

## Case Management Program

This program continued to increase the efficiency of the criminal justice system by ensuring prompt resolution of cases. An average of 33 percent of all criminal cases were settled with a guilty plea within five weeks after the first court appearance. Only 17 percent of all criminal cases were set for trial which resulted in a dramatic reduction in court appearances for victims, witnesses and law enforcement.

## Family Support

During the past federal fiscal year, prosecutors and support enforcement agents collected \$22.9 million in past due child support. This revenue goes directly to children and families who may otherwise rely on county or state resources for financial support.

## Victim Assistance

Advocates provided direct services to more than 1,100 victims of domestic violence and assisted with more than 400 protective orders.

Protective Order	Quantity
Family Abuse Protection Act Restraining Orders	204
Stalking Protective Orders	85
Elder & Vulnerable Adult Restraining Orders	106
Sexual Assault Protective Order	10

## Juvenile Dependency

Prosecutors worked closely with the State Department of Human Services to protect children who come to the attention of authorities as a result of abuse or neglect. In 2017, they provided legal consultation, support, and courtroom advocacy on 301 juvenile dependency cases.
