MASTER GRANT AGREEMENT 2021-2023

EXHIBIT B

STANDARD TERMS AND CONDITIONS

I. Disbursement of Grant Funds; Allowable Costs.

1.1 Disbursement

1.1.1 Funding Availability. Subject to the availability of sufficient monies in and from the Program funding source based on OHCS' reasonable projections of monies accruing to the Program funding source, OHCS will disburse Grant Funds to Subgrantee for the allowable Program work described in the approved Implementation Report that is undertaken during the Performance Period.

1.1.2 Implementation Report. OHCS' disbursement of Grant Funds to Subgrantee are contingent upon Subgrantee's prior submission to OHCS and OHCS' review and acceptance of Subgrantee's plan to execute the Program work in accordance with the applicable Program Elements (the "Implementation Report"). At OHCS's sole discretion, OHCS may disburse Grant Funds prior to the submission and approval of an Implementation Report.

1.1.3 Notices of Allocation (NOAs). Upon its acceptance of Subgrantee's Implementation Report, OHCS will issue through OPUS one or more Notices of Allocation (NOAs) to Subgrantee to indicate the approval of the Implementation Report. Subgrantee is subject to, and will comply with, all such NOA terms and conditions including this Agreement and the applicable Program Elements. Any NOA issued as described herein is immediately effective, is incorporated into and constitutes a part of this Agreement. Subgrantee accepts a NOA, including modifications thereto, upon undertaking performance of the Program work funded by the NOA. OHCS reserves the right in its sole discretion to modify, correct, adjust, or terminate any NOAs. OHCS' modification or termination of a NOA does not terminate OHCS' remedies with respect to Subgrantee's performance or non-performance of obligations due under this Agreement.

1.1.4 Federal Funding Terms. Grant Funds that are derived from federal sources are subject to the terms under which they are received. Subject to the availability of Program funds, OHCS having continued funding, appropriation, limitation, allotment, or other expenditure authority sufficient to allow it, in the exercise of its reasonable administrative discretion, to meet its obligations under this Agreement, and conditioned upon the terms and conditions of this Agreement, OHCS will make the Grant Funds to Subgrantee up to the maximum principal amount stated in Section 3 (Consideration) of the Agreement, to perform under this Agreement. OHCS will provide Grant Funds to Subgrantee only upon approved reimbursement requests for allowable costs incurred or if allowed by OHCS to be incurred by Subgrantee consistent with the terms and conditions of this Agreement, including applicable Program Elements.

1.1.5 Backup Documentation; Substantiation.

1.1.5.1 Subgrantee must provide to OHCS any information or detail regarding the expenditure of Grant Funds required under the Implementation Report and applicable Program Elements prior to disbursement or as OHCS may request.

1.1.5.2 Subgrantee's request for Grant Funds must be supported by documentation satisfactory to OHCS, including but not limited to: properly executed payroll and time records, invoices, contracts, vouchers, orders, canceled checks and/or any other accounting documents pertaining in whole or in part to the Agreement (or in the case of subrecipients, under their respective contracts with Subgrantee) in accordance with generally accepted accounting principles and applicable state and federal requirements, including as specified herein. OHCS may require such other information or clarification as it deems necessary or appropriate in its sole discretion.

1.1.5.3 Approval by OHCS. OHCS will only disburse Grant Funds to Subgrantee for activities completed or materials produced, that, if required by the Implementation Report or applicable Program Elements, are approved by OHCS. If OHCS determines any completed Program work is not acceptable and any deficiencies are the responsibility of Subgrantee, OHCS will prepare a detailed written description of the deficiencies within fifteen (15) days of receipt of the materials or performance of the activity and will deliver such notice to Subgrantee. Subgrantee must correct any deficiencies at no additional cost to OHCS within fifteen (15) days. Subgrantee may resubmit a request for disbursement that includes evidence satisfactory to OHCS demonstrating deficiencies were corrected.

1.2 Conditions Precedent to Disbursement. OHCS' obligation to disburse Grant Funds to Subgrantee under this Agreement is subject to satisfaction of each of the following conditions precedent:

1.2.1 OHCS has received sufficient funding, appropriations, expenditure limitation, allotments, or other necessary expenditure authorizations to allow OHCS, in the exercise of its reasonable administrative discretion, to make the disbursement from the Program funding source;

1.2.2 No default as described in Section 12 of this Exhibit B has occurred; and

1.2.3 Subgrantee's representations and warranties set forth in Section 7 of this Exhibit B are true and correct on the date of disbursement(s) with the same effect as though made on the date of disbursement.

1.3 Advances and Reimbursement of Grant Funds.

1.3.1 Generally. Subgrantee must request Grant Funds in such form and manner as is satisfactory to or required by OHCS. Further, in accordance with U.S. Treasury Regulations, 31 CFR Part 205, implementing the Cash Management Improvement Act, Subgrantee must limit any request for Grant Funds to the minimum amount needed to accomplish its described purposes and to time the request in accordance with the actual, immediate cash requirements of the Subgrantee in performing the Program work. Submission of proper account records showing revenue and expenditures for the reporting period must be submitted as documentation to support the amounts being requested. The foregoing requirements apply to all Grant Funds requested under this Agreement.

1.3.2 Advance of Funds (Projected). Subgrantee may request to be paid in advance, provided it maintains or demonstrates the willingness to maintain both written procedures that minimize the time elapsing between the transfer of funds and disbursement, and financial management systems that meet the standards for fund control and accountability as established in this part. Advance payments to the Subgrantee must be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the Subgrantee in carrying out the purposes of the grant as described in this Agreement. The timing and amount of advance payments must be as close as is administratively feasible to the actual disbursements by the Subgrantee for allowable grant direct costs and the proportionate share of any allowable indirect costs. Subgrantee must make timely payment to contractors in accordance with the contract provisions. Advance grant fund payments are at OHCS' sole discretion and will be made only as close as is administratively feasible to the actual use by the Subgrantee for applicable direct or indirect Program work costs and only up to the proportionate share of such allowable costs as is permitted under the Agreement, including applicable Program Elements.

1.3.3 Reimbursement of Funds. When the Subgrantee requests payment by reimbursement, reimbursement is the preferred method when the requirements in Section 1.4.2 of this Exhibit B above cannot be met. OHCS will make payment within thirty (30) calendar days upon receipt of the reimbursement request and all adequate backup documentation (to OHCS' satisfaction in its sole discretion), unless OHCS reasonably believes the request to be improper.

1.4 Disallowance of Costs.

1.4.1 OHCS is not responsible nor will it pay for any costs disallowed either upon a request for funds or as a result of any audit, review, site visit, or other disallowance action by OHCS, except for costs incurred by Subgrantee solely due to the willful misconduct or gross negligence of OHCS, its employees, officers, or agents. If a cost is disallowed by OHCS after reimbursement has occurred, Subgrantee shall repay all disallowed costs to OHCS upon written notice within the time frame specified by OHCS, which in no event shall exceed thirty (30) days.

1.4.2 If Subgrantee is a county, such disallowed costs may be recovered by OHCS only through repayment, withholding, or by other means authorized by this Agreement or as allowed at law not inconsistent with the Oregon Constitution, and particularly Article XI, Section 10 and consistent with the applicable Program Elements and specifically requirements set forth by the federal government.

1.4.3 If Subgrantee is other than a county, OHCS may recover such disallowed costs through repayment, withholding, offset, or other means permitted under this Agreement, by law or otherwise but consistent with the applicable Program Elements and specifically requirements set forth by the federal government.

1.4.4 Subgrantee will, and will cause its subrecipients to, cooperate with OHCS and all appropriate investigative agencies will assist in recovering invalid payments.

1.5 Unallowable Costs and Lobbying Activities. Subgrantee will review and comply with the applicable Program Elements and adhere to provisions on allowable costs and expenditures. Subgrantee will, among other obligations, comply with the provisions prohibiting the expenditure of funds for lobbying and related activities, whether in 2 CFR

Part 230, 2 CFR Part 225, or otherwise, as such provisions may be modified from time to time. If Subgrantee makes expenditures or incurs costs for purposes or amounts inconsistent with the allowable costs of the Grant Funds as described in the Implementation Report, applicable Program Elements, or elsewhere in this Agreement, such funds are subject to recapture and OHCS may exercise any and all remedies under this Agreement to otherwise available at law.

1.6 No Duplicate Payments. Subgrantee may use other funds in addition to the Grant Funds to complete the Program work; provided, however, the Subgrantee may not credit or pay any Grant Funds for Program work costs that are paid for with other funds and would result in duplicate funding. Subgrantee is provided thirty (30) days to return the duplicative payments. After thirty (30) days, if a duplicate payment has not been returned or applied to a cost not already covered by Program funding, reimbursement of the duplicate payment must be made to OHCS and shall include the entire amount of duplicate payment funds received regardless of OHCS reimbursement amounts.

1.7 Suspension of Funding and Project. OHCS may by written notice to Subgrantee, temporarily cease funding and require Subgrantee to stop all, or any part, of the Program work for a period of up to 180 days after the date of the notice, if OHCS has or reasonably projects that it will have insufficient funds from the Program funding source to disburse the full amount of the Grant Funds. Upon receipt of the notice, Subgrantee must immediately cease all Program work, or if that is impossible, must take all necessary steps to minimize the Program work.

If OHCS subsequently projects that it will have sufficient funds, OHCS will notify Subgrantee that it may resume activities. If sufficient funds do not become available, Subgrantee and OHCS will work together to amend this Agreement and any applicable NOAs to revise the amount of Grant Funds and Program work to reflect the available funds. If sufficient funding does not become available or an amendment is not agreed to within a period of 180 days after issuance of the notice, OHCS will either (i) cancel or modify its cessation order by a supplemental written notice, or (ii) terminate this Agreement as permitted by either the termination at OHCS' discretion or for cause provisions of this Agreement.

2. Nonexclusive Remedies Related to Funding.

2.1 Spending Down and Reallocation Policy. All Grant Funds with the exception of administrative allocations, will be spent proportionally to the expenditure period at the rate prescribed below (as tracked through the OPUS "Award Summary" report).

2.1.1 Minimum Spending Targets:

- At 25% through expenditure period, at least 10% of the funding must be spent
- At 50% through expenditure period, at least 25% of the funding must be spent
- At 75% through expenditure period, at least 65% of the funding must be spent
- At 90% through expenditure period, at least 90% of the funding must be spent

Any spending below these targets will be evaluated against the Subgrantee's time-bound expenditure plan (which outlines the Subgrantee's flexible spend rate) as approved by and on file with OHCS. Any spending below these stated rates is subject to rescission of Grant Funds. Any amount of funding greater than 10% of a funding source's total allocation or a combined total of \$100,000 that is subject to rescission will trigger Community Action Agency (CAA) Board Notification.

2.2 OHCS and Subgrantee Collaboration to Cure. When spending is below the thresholds described above, and prior to funding rescission, OHCS and Subgrantee agree to collaborate to find solutions that resolve the issues, provided it is within OHCS' control (in its sole discretion) to adjust to meet Subgrantee's needs and does not conflict with federal law. OHCS will allow proposals from subgrantee to cure spending issues and prevent funding rescission. Subgrantee will have 30 days to modify Implementation Reports and update the flexible spend rate in the time-bound expenditure plans to demonstrate how compliance with spending targets will be achieved.

2.3 Subgrantee Board and Housing Stability Council Notification Protocols.

2.3.1 Board Notification. OHCS will notify Subgrantee's Board Chair and Subgrantee's Executive Director about the potential funding rescission. This notice will occur after modified Implementation Reports have been approved and only if the updated spending targets remain unmet. A final time-bound expenditure plan must be submitted to OHCS with a final Implementation Report by the Subgrantee's Executive Director within thirty (30) days of OHCS's notice to Subgrantee's board.

2.3.2 Housing Stability Council Notification. If all efforts to retain funding in Subgrantee's intended community fail, a report to the Housing Stability Council will be generated which outlines the facts and circumstances associated with the funding rescission.

2.4 Withholding, Retention, and Redistribution of Grant Funds.

2.4.1 Withholding. OHCS may withhold any and all undisbursed Grant Funds from Subgrantee if OHCS determines, in its sole discretion, that Subgrantee has failed to timely satisfy any material obligation arising under this Agreement, including but not limited to compliance with the applicable Program Elements, providing complete, accurate and timely reports in a form satisfactory to OHCS, or if OHCS determines that the rate or scale of request for Grant Funds in any expenditure category materially deviates from an applicable NOA or is unsubstantiated by related documentation.

2.4.2 Retention or Redistribution of Grant Funds.

2.4.2.1 Due to Non-Timely Use. If Grant Funds are not obligated for reimbursement by Subgrantee in a timely manner as determined by OHCS at its sole discretion, OHCS may in its sole discretion, reduce Subgrantee's Grant Funds and redistribute Grant Funds to other subgrantees or retain such funds for other OHCS use, within applicable state and federal law. OHCS may implement adjustments pursuant to this subsection by modifying the applicable NOA(s). This remedy is in addition to any other remedies available to OHCS under this Agreement or otherwise.

2.4.2.2 Due to Substantial Difference. If the rate of request for any expenditure or cost category is substantially different (as determined by OHCS in its sole discretion) that in OHCS-approved budget submissions, including applicable NOAs, OHCS has sole discretion to reduce and redistribute or retain any and all funds otherwise available to Subgrantee under this Agreement. OHCS may implement adjustments pursuant to this subsection by modifying the applicable NOA. This remedy is in addition to any other remedies available to OHCS under this Agreement.

2.4.3 Repayment of Excess Disbursed Funds.

2.4.3.1 Due to Modified NOA. If Grant Funds previously disbursed by OHCS to Subgrantee exceed a relevant modified NOA amount and remain unexpended by Subgrantee, Subgrantee shall not expend any such excess Grant Funds. Subgrantee, instead shall return any remaining unexpended Grant Funds in excess of the modified NOA to OHCS within thirty (30) calendar days of the modified NOA unless another use of such funds is authorized in writing by OHCS. This remedy is in addition to any other remedies available to OHCS under this Agreement or otherwise.

2.4.3.2 Due to Overpayment. If OHCS makes overpayment of Grant Funds to Subgrantee in response to one or more funds requests, whether or not the underlying request(s) were inaccurate, Subgrantee shall repay such overpayment within thirty (30) calendar days of its discovery by Subgrantee or upon notice by OHCS, unless OHCS in writing designates an earlier time for repayment or authorizes another use by Subgrantee of such overpayment. This remedy is in addition to any other remedies available to OHCS under this Agreement or otherwise.

2.4.3.3 Return of Unexpended Funds. Within thirty (30) days following the end of the Performance Period or Termination of this Agreement, Subgrantee must return to OHCS all unexpended Grant Funds, unless required earlier in accordance with the applicable Program Elements.

6. Compliance and Monitoring.

6.1 Compliance.

6.1.1 Subgrantee will comply and will require and cause (including by contract) all subrecipients, vendors, contractors, and assigns to comply with this Agreement, including applicable Program Requirements.

6.1.3 Without limiting the generality of the foregoing, Subgrantee expressly agrees to comply with the following laws, regulations and executive orders to the extent they are applicable to the Agreement: (i) Titles VI and VII of the Civil Rights Act of 1964, as amended; (ii) Sections 503 and 504 of the Rehabilitation Act of 1973, as amended; (iii) the Americans with Disabilities Act of 1990, as amended; (iv) Executive Order 11246, as amended; (v) the Health Insurance Portability and Accountability Act of 1996; (vi) the Age Discrimination in Employment Act of 1967, as amended, and the Age Discrimination Act of 1975, as amended; (vii) the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended; (viii) ORS Chapter 659, as amended; (ix) all regulations and administrative rules established pursuant to the foregoing laws; and (x) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations. Subgrantee shall, to the maximum extent economically feasible in performance of this Agreement, use recycled paper (as defined in ORS 279A.010(gg)), recycled PETE products (as defined in ORS 279A.010(hh)), and other recycled products (as "recycled product" is defined in ORS 279A.010(ii)).

6.2 OHCS to Monitor Subgrantee.

6.2.1 OHCS, including its authorized representatives and authorized third parties, may monitor the activities and records of each Subgrantee and Subgrantee's subrecipients and vendors as it deems necessary or appropriate for, among other things, to ensure: (1) Subgrantee and its subrecipients comply with the terms of this Agreement, including but not limited to the Program Requirements, and that Grant Funds are used properly for authorized purposes hereunder; and (2) that performance goals are achieved as specified in this Agreement, including without limitation in the Community Plan, NOAs, and the Program Requirements, and that performance is to the satisfaction of OHCS.

6.2.2 OHCS' monitoring activities may include any action deemed necessary or appropriate by OHCS including, but not limited to the following: (1) the review (including copying) from time to time of any and all Subgrantee,

subrecipient, and Vendor files, records, and other information of every type arising from or related to performance under this Agreement; (2) arranging for, performing, and evaluating general and limited scope audits; (3) conducting or arranging for on-site and field visits and inspections; (4) review of Subgrantee fiscal and program reports, and requiring appropriate Request for Funds documentation as well as such other information and clarification as it deems appropriate, prior to providing a Request for Funding approval, whether in whole, in part, or otherwise; and (5) evaluating, training, providing technical assistance and enforcing compliance of Subgrantee, subrecipients, vendors, and their officers, employees, agents, contractors and other staff.

6.2.3 OHCS monitoring and enforcement activities may be conducted in-person, by telephone, and by other means deemed appropriate by OHCS. Monitoring will be done through contractors, agents, or other authorized representatives.

6.2.4 OHCS may, in its sole and absolute discretion, request assistance in monitoring from outside parties, including but not limited to the Oregon Secretary of State, the Oregon Attorney General, the federal government, and law enforcement agencies.

6.2.6 OHCS may release Subgrantee monitoring reports, agency audits, and any other compliance information to the Community Action Partnership of Oregon.

6.3 Subgrantee to Fully Cooperate. Subgrantee agrees to fully and timely cooperate with OHCS in performance of any and all monitoring and enforcement activities, including causing its subrecipients, vendors, and contractors to also cooperate by agreement. Failure by Subgrantee or any of its subrecipients or vendors to comply with this requirement is sufficient cause for OHCS to require special conditions, take such other action (including the exercise of available remedies) as it deems appropriate, and may be deemed by OHCS as a material failure by the Subgrantee to perform its obligations under this Agreement.

6.4 Subgrantee to Monitor Its Subrecipients.

6.4.1 At least once during the term of this Agreement and as otherwise directed by OHCS, Subgrantee will monitor the activities and expenditures of its subrecipients as is reasonable to ensure: (1) compliance with this Agreement, including the Program Requirements; and (2) achievement of this Agreement's performance goals, in OHCS' sole discretion.

OHCS generally will advise the Subgrantee as to its observations and findings generated by any monitoring visit, usually through an exit interview. Within sixty (60) days after an inspection, OHCS may provide Subgrantee with a written report of its findings from the inspection and may proscribe corrective action, which Subgrantee must timely satisfy.

6.5.2 **Ongoing Monitoring.** OHCS may continue to track and follow-up its monitoring findings and corrective actions with Subgrantee or its subrecipients through a tracking record. The tracking record may include, without limitation: findings, corrective actions, deliverables, due dates, responsible parties, actions taken, and final resolution. Subgrantees must resolve finding and other required corrective action actions within reasonable timeframe provided by OHCS.

Subgrantee certifies that no claim described in the previous sentence is or will be a "false claim" (as defined by ORS 180.750) or an act prohibited by ORS 180.755. Subgrantee further acknowledges in addition to the remedies available to OHCS under this Agreement, if it makes (or causes to be made) a false claim or performs (or causes to be performed) an act prohibited under the Oregon False Claims Act, the Oregon Attorney General may enforce the liabilities and penalties provided by the Oregon False Claims Act against the Subgrantee.

7.3 No Limitation. The representations and warranties set forth in this Section are in addition to, and not in lieu of, any other representations or warranties provided by Subgrantee.

8. Confidentiality.

8.1 Subgrantee must protect and must require and cause its subrecipients and vendors to protect the confidentiality of all information concerning clients and other applicants for and recipients of services funded by this Agreement. All employers, including Subgrantee, that employ subject workers as defined in ORS 656.027, will comply with ORS 656.017 and will provide workers' compensation insurance coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2). Subgrantee will obtain employers' liability insurance coverage limits of not less than \$500,000.00. 11. Governing Law; Jurisdiction. This Agreement is governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit, or proceeding (collectively “Claim”) between OHCS or any other agency or department of the State of Oregon, or both, and Subgrantee that arises from or related to this Agreement must be brought and conducted solely and exclusively within the Circuit Court of Marion County for the State of Oregon; provided, however, if a Claim must be brought in a federal forum, then it will be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. In no event may this Section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, to or from any Claim or from the jurisdiction of any court. SUBGRANTEE, BY EXECUTION OF THIS AGREEMENT, HEREBY CONSENTS TO THE PERSONAL JURISDICTION OF SUCH COURTS.

12. Default.

12.1 Subgrantee. Subgrantee will be in default under this Agreement upon the occurrence of any of the following events:

12.1.1 Subgrantee fails to use the Grant Funds for the intended purpose described in applicable Program Elements or otherwise fails to perform, observe, or discharge any of its covenants, agreements, or obligations under this Agreement;

12.1.2 Subgrantee fails to comply timely with any material obligation under this Agreement, including but not limited to any OHCS directive or term of a corrective action plan;

12.2 OHCS. OHCS will be in default under this Agreement if, after fifteen (15) days written notice specifying the nature of the default, OHCS fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Agreement; provided, however OHCS will not be in default if OHCS fails to disburse Grant Funds because there is insufficient expenditure authority for, or moneys available from, the funding source.

13. Remedies.

13.1 OHCS Remedies.

13.1.1 In the event Subgrantee is in default under Section 12.1 of this Exhibit B, OHCS may, at its option, pursue any or all of the remedies available to it under this Agreement and at law or in equity, including, but not limited to: (i) termination of this Agreement under Section 14.2 of this Exhibit B; (ii) modifying any NOA under this Agreement; (iii) reducing or withholding payment for the Program work that is deficient or that Subgrantee has failed to complete by any scheduled deadlines, including disallowing costs; (iv) suspending or recouping

13.1.3 No Waiver. No failure or delay by OHCS to enforce any provision of this Agreement will constitute a waiver by OHCS of that or any other provision, nor will any single or partial exercise of any right, power, or privilege under this Agreement preclude any other or further exercise of such right, power, or privilege or the exercise of any other right, power, or privilege.

13.1.4 Survival. Remedies provided under this Agreement or otherwise will survive termination of this Agreement.

13.2 Subgrantee Remedies. In the event OHCS is in default under Section 12.2 of this Exhibit B and whether or not Subgrantee elects to terminate this Agreement, Subgrantee's sole monetary remedy will be, within any limits set forth in this Agreement, reimbursement of Program work completed and accepted by OHCS and authorized expenses incurred, less any claims OHCS has against Subgrantee. In no event will OHCS be liable to Subgrantee for any expenses related to termination of this Agreement or for anticipated profits.

14. Termination.

14.1 Mutual. This Agreement may be terminated at any time by mutual written consent of the Parties.

14.2 By OHCS. OHCS may terminate this Agreement as follows:

14.2.1 At OHCS' discretion, upon thirty (30) days advance written notice to Subgrantee;

14.2.2 Immediately upon written notice to Subgrantee, if OHCS fails to receive funding, or appropriations, limitations, or other expenditure authority at levels sufficient in OHCS' reasonable and administrative discretion, to perform its obligations under this Agreement;

14.2.3 Immediately upon written notice to Subgrantee, if federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that OHCS' performance under this Agreement is prohibited or OHCS is prohibited from funding the Agreement from the funding source; or

14.2.4 Immediately upon written notice to Subgrantee, if Subgrantee is in default under this Agreement and such default remains uncured fifteen (15) days after written notice thereof to Subgrantee.

14.3 By Subgrantee. Subgrantee may terminate this Agreement as follows:

14.3.1 If Subgrantee is a governmental entity, immediately upon written notice to OHCS, if Subgrantee fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient to perform its obligations under this Agreement.

14.3.2 If Subgrantee is a governmental entity, immediately upon written notice to OHCS, if applicable laws, rules, regulations or guidelines are modified or interpreted in such a way that the Program work is prohibited by law or Agreement is prohibited from paying for the Program work from the Grant Funds or other planned funding; or

14.3.3 Immediately upon written notice to OHCS, if OHCS is in default under this Agreement and such default remains uncured fifteen (15) days after written notice thereof to OHCS.

14.4 Cease Activities. Upon receiving a notice of termination of this Agreement, Subgrantee must immediately cease all activities under this Agreement, unless OHCS expressly directs otherwise in such notice. Upon termination, Subgrantee must deliver to OHCS all materials or other property that are or would be required to be provided to OHCS under this Agreement or that are needed to complete the Program work that would have been performed by Subgrantee.

15. Miscellaneous.

15.1 Conflict of Interest.

15.1.1 Generally. By signature to this Agreement, Subgrantee declares and certifies the award of this Agreement

and the Program work, create no potential or actual conflict of interest, as defined by ORS Chapter 244, for a director, officer, or employee of Subgrantee.

15.1.2 Conflict of Interest Policy and Reporting. A conflict of interest exists if, among other things, a decision or recommendation could affect the finances of the public official or the finances of a relative. If a conflict of interest exists, the public official must always give notice of the conflict, and in some situations the public official is restricted in their ability to participate in the matter that presents the conflict of interest. Subgrantee will timely report to OHCS any perceived or actual conflict of interest. Subgrantee certifies it has established a conflict of interest policy that outlines the process for disclosing in writing any potential conflict of interest and such policy must be provided to OHCS upon OHCS' request, or as otherwise requested during a Subgrantee audit.

15.2 Nonappropriation. OHCS' obligation to pay any amounts and otherwise perform its duties under this Agreement is conditioned upon OHCS receiving funding, appropriations, limitations, allotments, or other expenditure authority sufficient to allow OHCS, in the exercise of its reasonable administrative discretion, to meet its obligations under this Agreement. Nothing in this Agreement may be construed as permitting any violation of Article XI, Section 7 of the Oregon Constitution or any other law limiting the activities, liabilities or monetary obligations of OHCS.

15.3 Amendments.

15.3.1 OHCS reserves the right to add or amend Implementation Reports and NOAs. Otherwise, the Parties may not waive, supplement, or amend the terms of this Agreement, in any manner whatsoever, except by written amendment signed by the Parties and for which all necessary OHCS approvals have been obtained.

15.3.2 Subgrantee's proposed changes to or additions of a Implementation Report must be submitted to OHCS in writing and require the prior written approval of OHCS before Subgrantee may commence a change.

15.3.3 All federal terms and conditions included in this Agreement at time of original Agreement execution may be amended from time to time by the federal grantor or regulator of funds.

15.4 Notices. Except as otherwise expressly provided in this Agreement, any notices to be given under this Agreement must be given in writing by email, personal delivery, or postage prepaid mail, to a Party's Grant Manager at the physical address or email address set forth in this Agreement, or to such other addresses as either Party may indicate pursuant to this Section. Any notice so addressed and mailed becomes effective five (5) days after mailing. Any notice given by personal delivery becomes effective when actually delivered. Any notice given by email becomes effective upon the sender's receipt of confirmation generated by the recipient's email system that the notice has been received by the recipient's email system.

15.5 Required Notifications to OHCS. In addition to the requirements provided elsewhere in this Agreement, Subgrantee will immediately report changes in Key Personnel including Fiscal, Program, and Executive Level Leadership.

15.6 Survival. All rights and obligations of the Parties under this Agreement will cease upon termination of this Agreement, other than the rights and obligations arising under Sections 2, 4.6, 4.7, 11, 13, 15.6, 15.7 and 15.10 hereof and those rights and obligations that by their express terms survive termination of this Agreement; provided, however, termination of this Agreement will not prejudice any rights or obligations accrued to the Parties under this Agreement prior to termination.

15.7 Headings. The headings in this Agreement are for convenience only and in no way define, limit, or describe the scope intent of any provisions of this Agreement.

15.8 Severability. The Parties agree if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected, and the rights and obligations of the Parties will be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.

15.9 Execution in Counterparts. This Agreement may be executed in several counterparts, all of which when taken together constitute one agreement, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of the Agreement so executed constitutes an original.

15.10 Indemnity. Subject to applicable law, Subgrantee will and will require by contract that its subrecipients will,

defend, save, hold harmless, and indemnify (consistent with ORS Chapter 180) the State of Oregon and OHCS and their officers, employees and agents from and against all claims, suites, actions, losses, damages, liabilities, costs and expenses of any nature whatsoever resulting from, arising out of, or, relating to the activities of Subgrantee or its officers, employees, subrecipients, subcontractors, or agents under this Agreement.

15.11 Attorney Fees. In the event a lawsuit of any kind is instituted on behalf of OHCS or the Subgrantee with respect to this Agreement, or any right or claim related thereto, including but not limited to the collection of any payment due under this Agreement or to obtain performance of any kind under this Agreement, the prevailing party is, to the extent permitted by law, entitled to its reasonable attorney fees incurred before and during trial, on appeal, in arbitration, in bankruptcy, and in such other forum or proceeding appropriate thereto, together with such additional terms as the court or hearings officer may adjudge for reasonable costs and disbursements incurred therein. Reasonable fees will not exceed the rate charged to OHCS by its attorneys.

15.12 Compliance with Law. In connection with their activities under this Agreement, the Parties must comply with all applicable federal, state, and local laws. While OHCS will make reasonable efforts to update its Program guidance and notify the Subgrantee thereof, the Subgrantee is ultimately responsible for maintaining awareness of and compliance with updates to federal law governing the Program.

15.13 No Third-Party Beneficiaries. OHCS and Subgrantee are the only parties to this Agreement and are the only parties entitled to enforce its terms. Nothing in this Agreement provides, is intended to provide, or may be construed to provide any direct or indirect benefit or right to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of this Agreement.

15.14 Assignment and Successors. Subgrantee may not assign or transfer its interest in this Agreement without the prior written consent of OHCS and any attempt by Subgrantee to assign or transfer its interest in this Agreement without such consent will be void and of no force or effect. OHCS' consent to Subgrantee's assignment or transfer of its interest in this Agreement will not relieve Subgrantee of any of its duties or obligations under this Agreement. The provisions of this Agreement will be binding upon and inure to the benefit of the Parties hereto, and their respective successors and permitted assigns.

15.15 Contracts and Subgrants. Subgrantee may not, without OHCS' prior written consent, enter into any contracts or subgrants for any of the Program work. OHCS' consent to any contract or subgrant will not relieve Subgrantee of any of its duties or obligations under this Agreement.

15.16 Time of the Essence. Time is of the essence in the performance of this Agreement.

15.17 No Limitations on Actions of OHCS in Exercise of Its Governmental Powers. Nothing in this Agreement is intended, nor will it be construed, to in any way limit the actions of OHCS in the exercise of its governmental powers. It is the express intention of the Parties that OHCS will retain the full right and ability to exercise its governmental powers with respect to the Subgrantee, the Grant Funds, and the transaction contemplated by this Agreement to the same extent as if it were a party to this Agreement, and in no event will OHCS have any liability in contract arising under this Agreement by virtue of any exercise of its governmental powers.

15.18 Records Maintenance and Access. Subgrantee must, and must require and cause its subrecipients to, maintain all financial records relating to this Agreement in accordance with generally accepted accounting principles. In addition, Subgrantee must, and must require and cause its subrecipients to, maintain any other records, whether in paper, electronic or other form, pertinent to this Agreement in such a manner as to clearly document Subgrantee's and subrecipients' performance. All financial records and other records, whether in paper, electronic or other form, that are pertinent to this Agreement, are collectively referred to as "Records". Subgrantee acknowledges and agrees OHCS and the Oregon Secretary of State's Office and the federal government and their duly authorized representatives will have access to all Records to perform examinations and audits and make excerpts and transcripts. Subgrantee must retain and keep accessible all Records for a minimum of six (6) years, or such longer period as may be required by applicable law, following termination of this Agreement, or until the conclusion of any audit, controversy or litigation arising out of or related to this Agreement, whichever date is later. In its agreements with subrecipients, Subgrantee shall require and cause its subrecipients to comply with the requirements of this Section and to grant right of access to and ownership by OHCS of the subrecipients' books and records related to this Agreement.

15.19 Audits.

15.19.1 OHCS Required Audits. As required by OHCS, Subgrantee will and will cause its subrecipients to, submit to OHCS financial and compliance audits satisfactory to OHCS for such periods and programs covered by this Agreement.

15.19.2 Federal Audits. If Subgrantee expends \$750,000 or more in federal funds (from all sources) in a fiscal year, Subgrantee will have a single organization-wide audit conducted in accordance with the provisions of 2 CFR Subtitle B with guidance at 2 CFR Part 200 and applicable federal regulations.

MASTER GRANT AGREEMENT 2021-23

EXHIBIT C

SPECIAL PROVISIONS

1. Procurement.

Except as specifically provided in this Agreement, OHCS does not waive or herein provide a waiver of any regulations, requirements and/or procedures applicable to use of grant funds. For example, 2 CFR Subtitle B with guidance at 2 CFR Part 200 requires, among other things, Subgrantee's procurement procedures to mandate that all procurement transactions be conducted, as practical, to provide open and free competition. If a proposal identifies a specific entity to provide the services, the OHCS award does not provide the justification or basis to sole-source the procurement.

Subgrantee shall develop and maintain policies and procedures for procuring, by purchase, rental/lease or otherwise, any equipment, supplies, or other goods and services. Subgrantee must ensure that policies reflect guidance at 2 CFR, Part 200 and related regulations, as well as any applicable federal regulations with respect to The Grants Management Common Rule for procurement of all goods or services.

If allowable under this Agreement, with respect to applicable Program Element for which funds will be expended and approved or pre-approved as necessary or required by OHCS:

a. Contracts for Goods and Services.

1. Subgrantee may contract for services purchased in whole or in part with funds provided under this Agreement. Contractor must be of recognized professional expertise, certification, license, registration, or stature in the relevant field where required. Contractor shall further be registered to do business in the State of Oregon, as required by Oregon Law.

2. In addition, purchases of Fixed Assets must adhere to requirements set forth in 2 CFR Part 200, Subpart D. When Subgrantee purchases any motor vehicle, or any equipment or other property costing more than \$5,000 per unit with funds provided in whole or in part under this Agreement, Subgrantee shall:
 - a. Provide written request to OHCS Program Coordinator prior to the purchase and receive required pre-approval from OHCS specific to the amount and source of funds that will be expended.
 - b. Comply with Exhibit B, Section 5, Fixed Assets.

b. Construction Contracts.

1. Subgrantee shall comply with, and OHCS' performance hereunder is conditioned upon Subgrantee's compliance with, the terms of this Agreement, including without limitation the provisions of Oregon Revised Statute Chapters 279B and 279C, as amended from time to time.
2. All Construction Contractors must be currently licensed and bonded through the State of Oregon Construction Contractors Board, <https://www.oregon.gov/ceb/Pages/index.aspx>

2. Wage Determinations.

Subgrantee shall, and shall cause and require its Subrecipients, contractors, and subcontracts, to fully comply with, on projects where DBRA prevailing wage requirements must be paid, the requirements set out in the DOL regulations at 29 CFR Parts 1, 3, and 5 as applicable. In accordance with 29 CFR Part 1, federal agencies directly contracting for weatherization projects or providing assistance under the ARRA to other entities for such projects must include the standard DBRA contract clauses found in 29 CFR 5.5(a) in their bid solicitations, assistance agreements, and the resulting

contracts and grants, and must require that those requirements flow down to any contracts or subcontracts for the performance of the work. See also Exhibit E, Davis-Bacon and Related Acts Provisions and Procedures; www.wcol.gov; and 29 CFR 5.5 - Contract provisions and related matters. Subgrantee shall, and shall cause and require its Subrecipients, contractors, and subcontracts, to fully comply with, on projects where Oregon's prevailing wage rate law, ORS 279C.800 to 279C.870 (PWRL) requirements must be paid, the requirements established therein and as established by the Bureau of Labor and Industry (BOLI), which administers the PWRL.

3. Emerging Small, Minority, Women-Owned Business Objectives.

It is an important business objective of OHCS to promote the economic enhancement of small businesses (SBE), minority businesses (MBE), and women-owned businesses (WBE). Subgrantee shall have a policy that incorporates federal requirements under 2 CFR Part 200.321, including processes for placing qualified small and minority businesses and women's business enterprises on solicitation lists and dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises.

Subgrantee may use the COBID Certification Management System to assist in soliciting quotes or invite bids from MWESBs. <https://oregon4biz.diversitysoftware.com/>

4. Subrecipient Agreements (Subawards).

Subgrantee shall not enter into any agreement or renewal with Subrecipients without prior written approval of OHCS Program Coordinator(s) as outlined in Exhibit B, Section 15.15. OHCS' approval of any subrecipient shall not relieve Subgrantee of any of its duties or obligations under this Agreement.

Subgrantee shall require and cause its subrecipients to comply with all applicable provisions of this Agreement between OHCS and Subgrantee, each of which must be specifically incorporated into the subrecipient agreements in a manner satisfactory to OHCS. OHCS reserves the right to request that any subrecipient agreement be submitted for review and approval by OHCS within ten (10) business days from the date of written request.

Subgrantee shall require and cause that all of its subrecipient agreements related to this Agreement must include language specifying that such agreements are subject to termination upon such a directive to Subgrantee by OHCS and that OHCS shall not be liable to any of the parties of that agreement or to other persons for directing that such agreement be terminated.

Subgrantee shall have a written agreement with each subrecipient that is consistent with this Agreement, including without limitation, relevant Exhibits and Implementation Reports that identify:

- a. The services or benefits that the Subrecipient must provide when delivering the program.
- b. The laws and regulations with which the subrecipient must comply under the terms of the agreement (including but not limited to program specific requirements such as eligibility criteria and matching obligations, public policy for protecting civil rights and the environment, written procedures for appeal by clients of subrecipient determinations, government-wide administrative mandates affecting the Subrecipient's accounting and record keeping systems, and local laws imposed by Subgrantee).
- c. The Subgrantee's and OHCS' monitoring rights and responsibilities and the methods used by Subgrantee for monitoring.
- d. A provision to certify that the Subrecipient is an independent contractor and not an agent of OHCS or of Subgrantee.

5. Subgrant or Contractual Determination.

A Subrecipient is a state government, local government, or nonprofit organization that expends subawarded funds received by Subgrantee from OHCS under this Agreement to carry out a program. Subgrantee must determine whether relevant payments made or to be made by it in furtherance of this Agreement constitute an award under a subgrant received by a Subrecipient or a payment for goods and services under a procurement contract received by a contractor. Determination must be made using the criteria set forth in 2 CFR Part 200.331.

a. Use of Judgment in Making Determination.

There may be unusual circumstances or exceptions to the listed characteristics. In making the determination of whether a subgrant or contractual relationship exists, the substance of the relationship is more important than the form of the agreement. It is not expected that all of the characteristics will be uniformly present. Accordingly, prudent judgment shall be exercised by Subgrantee and should be used in determining whether an entity with which it contracts to accomplish its performance under this Agreement is a Subrecipient or vendor.

b. Applicability to For-profit Subrecipients.

Subgrantee (as the pass-through entity) shall establish reasonable requirements, as necessary, to ensure compliance by for-profit subrecipients. Consequently, Subgrantee should describe in any agreements with for-profit subrecipients the applicable compliance requirements and the for-profit subrecipient's compliance responsibilities. Methods to ensure compliance for federal awards made to for-profit subrecipients may include pre-award audits, monitoring during the contract and post-award audits.

c. Compliance Responsibility for Contractors.

In most cases, the Subgrantee's or other auditee's compliance responsibility for vendors is only to ensure that the procurement, receipt and payment for goods and services comply with laws, regulations and the provisions of contracts or grant agreements. Program compliance requirements normally do not pass through to contractors. However, the Subgrantee or other auditee shall be responsible for ensuring compliance for contractor transactions that are structured such that the contractor is responsible for program compliance or the contractor's records must be reviewed to determine program compliance. Also, when these contractor transactions relate to a major program, the scope of the audit shall include determining whether these transactions are in compliance with laws, regulations and the provisions of contracts or grant agreements.

Regardless of whether goods or services are provided by a subrecipient or contractor, Subgrantee is still responsible for ensuring compliance with all grant requirements including but not limited to tracking and reporting requirements by the Agreement.

6. Responsibility for Work.

Subgrantee shall timely perform all Work identified in this Agreement consistent with its terms and conditions, including without limitation, the Work required with respect to the applicable Program Elements, Implementation Reports, and NOA's. OHCS may add additional approved Implementation Reports and NOAs to Exhibit A of this Agreement from time to time with the written approval of Subgrantee.

7. Implementation Report(s) and Budget(s).

Each Implementation Report is unique to the Subgrantee. It must be consistent with and reflect the purposes of the related Program Elements and the methods proposed by the Subgrantee and its subrecipients, in detail acceptable to OHCS, to administer and/or deliver the Work associated with the requirements of the applicable Program Elements. Implementation Report Budgets must reflect the manner, in detail acceptable to OHCS that related grant funds will be employed to accomplish the corresponding Work and are subject to corresponding NOAs.

Subgrantee must request and receive prior written approval from OHCS for amendments to or deviations from its approved Implementation Reports. OHCS may give or withhold such approval at its sole discretion. OHCS may allow the combining of applicable Implementation Reports at its sole discretion.

Subgrantee shall perform all Work in accordance with the terms and conditions of this Agreement, including but not limited to applicable Program Elements, Implementation Reports, and NOAs, in a manner satisfactory to OHCS.

8. Maintenance of Programmatic Capacity and Non-Compliance.

Subgrantee shall provide for and maintain the capacity for administration and performance of all Work required under this Agreement so as to result in a timely usage of grant funds.

OHCS remedies for Subgrantee non-compliance with any Work or other Agreement requirements (including all applicable Program Requirements), including for untimely usage of grant funds, may include, among other things, the withholding of requested grant funds or the reduction and redistribution of current or future funding allocations. OHCS may also impose conditions to specific grants received by Subgrantee in the event of reoccurring non-compliance on part of Subgrantee.

9. Financial Integrity.

Subgrantee shall be responsible for financial integrity of accounting records and compliance with the following requirements in addition to those otherwise required under this Agreement:

- a. Subgrantee shall and shall cause its subrecipients (including by contract) to, prepare and maintain accurate financial records documenting all expenditures made from funds provided under this Agreement. These records shall include financial and audit reports for the applicable accounting period for the applicable Program Element, including adjustments to reconcile the accounting records.
- b. Subgrantee shall reimburse expenditures of subrecipients under this Agreement only if they are:
 - 1. Named as a subrecipient receiving grant funds in the OHCS approved Implementation Report.
 - 2. In payment of eligible activities or services performed under this Agreement.
 - 3. In payment of services performed or supplies delivered during the applicable Program Element period;
 - 4. In the aggregate not in excess of 100% of the funds provided to the respective applicable Program Element under this Agreement; and
 - 5. Not for duplicate payment for the same activities or services under both this Agreement and any other contract or agreement with Subrecipients.
- c. Subgrantee shall pay its subrecipients within thirty (30) days of the date of requests for payment.
- d. Subgrantee shall maintain documentation of its monitoring of subrecipients. The documentation shall include, but not be limited to:
 - 1. An agreement that complies with the requirements of this Agreement.
 - 2. Documentation of the non-profit status of the subrecipient; and
 - 3. Copies of all of the Subrecipients audits performed under the requirement of 2 CFR Subtitle B with guidance at 2 CFR, Part 200, as well as applicable supplemental regulations, if the subrecipient is required to have such an audit.
 - 4. Documentation of follow up that the subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award as detected through audits, on-site reviews, and other means.

5. Documentation of other methods used by Subgrantee for monitoring subrecipient activities.
- e. Subgrantee shall maintain an Accounting System which conforms with the following requirements:
 1. Expenditures shall be segregated by line-item category within the accounting system of Subgrantee or subrecipient, as the case may be, and reported on the required fiscal reports.
 2. Funds received together with any income that is attributable to funds provided thereby shall be identified and segregated for expenditures relating to the Program Elements for which the original funds were provided. Any allocation methodology shall comply with any requirements applicable to that entity or Program Element.
 3. Receipts that offset or reduce expense items allocable to the Federal award as direct or indirect costs must be credited to the federal award either as a cost reduction (reduction of expense) or cash refund, as appropriate.
 - f. Subgrantee shall develop and maintain a policy that describes all direct and indirect methods of cost allocation that are applicable to OHCS grants.

OHCS may, in its sole discretion, reduce Subgrantee funding and redistribute such grant funding to other Subgrantees. Adjustments pursuant to this subsection may be implemented by means of the Notices of Allocation (NOA) described in this Agreement. This remedy is in addition to any other remedy allowed OHCS under this Agreement.

10. Programmatic Integrity

Subgrantee shall be responsible for programmatic integrity and compliance with the programmatic intent including but not limited to the following requirements:

Subgrantee shall provide and maintain adequate resources necessary to ensure that all staff, Subgrantee and subrecipient, are adequately trained to perform under this Agreement including, but not limited to the training in processing of eligibility determinations and authorizations or other programmatic and/or grant compliance requirements.

Subgrantee shall comply with programmatic regulations and guidelines as detailed in Exhibit B, Standard Terms and Conditions.

Subgrantee shall have a written procedure for the handling of client appeal of determinations, acceptable to OHCS.

11. Reporting

In addition to specific reporting requirements addressed elsewhere in this Agreement and, including its Exhibits and Attachments, Subgrantee shall and shall cause its subrecipients (including by contract) to:

Submit the required reports so that they are received by OHCS on or before the due dates specified herein this Agreement, as outlined in the applicable Implementation Report or otherwise, as newly required by any provider of funding under this Agreement, or as otherwise required by OHCS. Subgrantee shall require its subrecipients (including by contract) to submit the required reports to Subgrantee in sufficient time to allow Subgrantee to fulfill its reporting obligations to OHCS.

All reports shall be timely, complete, accurate and satisfactory to OHCS as well as in the format required by OHCS. No funding pursuant to an implementation report will be forthcoming until such implementation report has been approved by OHCS. OHCS reserves the right to require modifications to submitted implementation reports. Funding also may be subject to receipt and approval of other reporting under this Agreement.

Reports must agree with the accounting records maintained by Subgrantee and/or its Subrecipients and be certified by the chief executive officer or their designee of the Subgrantee or its subrecipients, as the case may be.

FSRs (Financial Status Reports) are due to OHCS on the 20th of the month following the end of a quarter. All final reports shall be submitted by Subgrantee so as to be received by OHCS on or before the 60th day following the last day of the applicable Program Element period, or the date that all activities funded by this Agreement for that Program Element are completed, whichever is earlier.

If Subgrantee fails to produce or timely submit reports satisfactory to OHCS, OHCS may withhold any or all reimbursement requests of Subgrantee under this Agreement or any other contract or agreement in effect between OHCS and Subgrantee except as expressly limited by law. OHCS also may reduce, suspend, terminate and/or redistribute any or all grant funds due to Subgrantee failure to produce or timely submit reports satisfactory to OHCS.

12. Eligibility Determination.

Subgrantee shall make eligibility determinations for its respective Program Element funds in a form and manner prescribed or authorized by OHCS.

 - c. The installation of dense pack wall insulation when the following conditions are met:
 - i. The installation is performed by a qualified contractor who follows the standards and guidelines that OHCS has implemented for dense pack insulation (dry installation) and must meet the maximum air permeance measured using BPI – 102 “Standard for Air Resistance of Thermal Insulation Used in Retrofit Cavity Applications”;
 1. Cellulose: density of installed insulation must be 3.5 pounds/ cu ft.
 2. Fiberglass: density of installed insulation must be 2.5 pounds/cu ft or meet manufacturer’s specifications. Material must meet ASTM C522, E283, or E2178.

The building does not display construction methods, techniques, and/or materials that are uniquely susceptible to damage that could be caused by the introduction of wall insulation (e.g., the siding does not appear to be able to withstand removal and replacement; the siding is masonry or stucco; there appear to be unique historic wall assemblies);

- iii. Portions of the siding are carefully removed before blowing dense pack cellulose into the walls, and then replaced;
 - iv. The exterior wall surface is free from areas where water can leak into the wall cavity (caulking around window openings and other wall penetrations has occurred or is part of the project);
