<b>Statement</b> Provide a statement of justification of term in office in 200 words or less.
<p>I represent everyone, I don't color code, care what your gender is, everyone is important. Your family is important.</p> <p>I voted to remove our past superintendent because everyone must be important and represented in our community and this was not happening.</p> <p>Cost? Our district has lost millions of dollars for the direction, in-school decisions and curriculum that has forced families to remove their students and find better and healthier educational opportunities.</p> <p>Flag ban did pass legal review and was intended to remove flags and banners that should not have been allowed in the first place. Harmful flags and banners.</p> <p>We did hire an attorney that was legal, that is paid for by a budget the school district has always had. Why? To have immediate legal advice while under attack from those who like to use lawsuits as a way to intimidate.</p> <p>The people who are driving a progressive dangerous agenda are the ones hurting our school district.</p> <p>I will not pandor to selfish self-serving agenda-based individuals who only care about their political motives.</p> <p>I strongly believe in the United States of America, our US Constitution and the "In God We Trust".</p> <p>Thank You - Dave Brown</p>
