

## Clackamas County Public Health Advisory Council

Monday, April 8, 2024

3:00 – 5:00 p.m.

This is an in-person meeting, that will take place at:

Public Service Building

2051 Kaen Rd., Room 369 A & B

Oregon City, OR 97045

**Please check-in at the lobby desk to get your badge and elevator key to gain access to the conference room.**

The meeting will be streamed via Zoom, for those unable to attend in person: Join Zoom Meeting, <https://clackamascounty.zoom.us/j/86270420949>

Contact: For questions regarding the Public Health Advisory Council contact Susan Berns-Norman at [SusanB@clackamas.us](mailto:SusanB@clackamas.us)

**Please note: all Public Health Advisory Council and committee meetings are recorded. By participating in the meeting, you agree to be recorded.**

### Group Agreement:

- ❖ Meetings are meaningful, action focused while making time for follow-up and further analysis.
- ❖ Stay on point and on time.
- ❖ Don't stay confused – ask for clarification, avoid acronyms.
- ❖ Address the problem, not the person, be respectful.
- ❖ Assume best intentions and recognize impact.
- ❖ Move up and move back accordingly. Recognize that It can be just as challenging for someone to step forward as it is to step back.
- ❖ Bring respectful passion to the meetings.
- ❖ Learn from previous experiences and focus on moving forward. Slow down to support full participation by all group members.
- ❖ Stay engaged, speak your truth, and hear the truth of others.
- ❖ Expect and accept non-closure.
- ❖ It's ok to experience discomfort.
- ❖ Acknowledge intent.
- ❖ Remember our interdependence and interconnectedness and share responsibility for the success of our work together.
- ❖ When speaking introduce yourself and if referring to a comment in the chat, share the content of the chat.

### Meeting Desired Outcomes:

- Inform PHAC of climate and health work happening in the Public Health Division
- Understanding of Tri-County work and Clackamas County specific work related to climate & health.
- Solicit feedback on current work (data, outreach, strategies), gaps, and other actions or additions to existing Adaptation Plan draft.
- Solicit feedback and recommendations on how to integrate climate and health into PHAC priorities/ public health programming.
