

## **Before Starting the Project Listings for the CoC Priority Listing**

**The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.**

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.
- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHPD Renewal; and
- YHDP Replacement.
- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New and Renewal Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.
- Project applications on the following Project Listings must be approved, they are not ranked per the FY 2021 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- YHPD Renewal Project Listing; and
- YHDP Replacement Project Listing.
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

**Collaborative Applicant Name:** Clackamas County

## 2. Reallocation

**Instructions:**

For guidance on completing this form, please reference the FY 2021 CoC Priority Listing Detailed Instructions and FY 2021 CoC Priority Listing Navigational Guide on HUD's website. [https://www.hud.gov/program\\_offices/comm\\_planning/coc/competition](https://www.hud.gov/program_offices/comm_planning/coc/competition).

**2-1. Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in calendar year 2022 into one or more new projects?** Yes

### 3. Reallocation - Grant(s) Eliminated

**CoCs reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2021 CoC Program Competition NOFO – may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating eligible renewal projects must identify those projects on this form.**

<b>Amount Available for New Project: (Sum of All Eliminated Projects)</b>				
\$363,517				
<b>Eliminated Project Name</b>	<b>Grant Number Eliminated</b>	<b>Component Type</b>	<b>Annual Renewal Amount</b>	<b>Type of Reallocation</b>
Home Safe Renewal...	OR0156L0E072013	TH	\$177,602	Regular
CoC Housing Renew...	OR0269D0E072002	PH-RRH	\$185,915	Regular

### 3. Reallocation - Grant(s) Eliminated Details

**Instructions:**

For guidance on completing this form, please reference the FY 2021 CoC Priority Listing Detailed Instructions and FY 2021 CoC Priority Listing Navigational Guide on HUD's website. [https://www.hud.gov/program\\_offices/comm\\_planning/coc/competition](https://www.hud.gov/program_offices/comm_planning/coc/competition).

**3-1 Complete each of the fields below for each eligible renewal grant that is being eliminated during the reallocation process. Refer to the FY 2021 Grant Inventory Worksheet to ensure all information entered is accurate.**

**Eliminated Project Name:** Home Safe Renewal Application

**Grant Number of Eliminated Project:** OR0156L0E072013

**Eliminated Project Component Type:** TH

**Eliminated Project Annual Renewal Amount:** \$177,602

**3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 750 characters)**

This applicant chose not to submit a renewal application. The Inn Home (agency) recently merged with another organization, Parrott Creek. Parrott Creek's capacity allows for better capacity to meet the needs of Youth and Young Adults (YYA) in the community. Additionally, this TH/RRH project better meets the needs of the community than the TH. Project applicant was not notified that their project was eliminated as they self selected to not renew and instead submit a new application.

### 3. Reallocation - Grant(s) Eliminated Details

**Instructions:**

For guidance on completing this form, please reference the FY 2021 CoC Priority Listing Detailed Instructions and FY 2021 CoC Priority Listing Navigational Guide on HUD's website. [https://www.hud.gov/program\\_offices/comm\\_planning/coc/competition](https://www.hud.gov/program_offices/comm_planning/coc/competition).

**3-1 Complete each of the fields below for each eligible renewal grant that is being eliminated during the reallocation process. Refer to the FY 2021 Grant Inventory Worksheet to ensure all information entered is accurate.**

**Eliminated Project Name:** CoC Housing Renewal 2019  
**Grant Number of Eliminated Project:** OR0269D0E072002  
**Eliminated Project Component Type:** PH-RRH  
**Eliminated Project Annual Renewal Amount:** \$185,915

**3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 750 characters)**

The project applicant, Immigrant and Refugee Community Organization (IRCO), got a late start in their programming. After organizational restructuring and through working on their PIP with the CoC Steering Committee, they've increasingly started to serve participants in an effective manner. However, they decided to not renew due to their late start and how that is reflected as poor performance. Instead of renewing, they chose to act as a subrecipient under Clackamas Women's Services (CWS)'s RRH project for DV Survivors. IRCO believes that the time as a subrecipient will allow them to continue to develop their programs and be poised to apply as a lead recipient in future NOFO years. In the meantime, they would still be able to provide crucially needed culturally specific DV services in Clackamas County in partnership with CWS.

## 4. Reallocation - Grant(s) Reduced

**CoCs reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2021 CoC Program Competition NOFO – may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating eligible renewal projects must identify those projects on this form.**
