

National Testing Network Fee Scholarship Request Form

Clackamas County Sheriff's Office has recently joined in a partnership with The National Testing Network. The National Testing Network (NTN) allows applicants to take the law enforcement video and written test and Oregon Physical Abilities Test (ORPAT) at any time at a NTN location and use those scores when applying with Clackamas County Sheriff's Office for law enforcement positions.

There is a fee associated with this service. However, the Clackamas County Sheriff's Office does not want a fee to prevent any interested person from testing to become a Deputy Sheriff (Recruit & Lateral) or Jail Deputy (Recruit & Lateral). If you are interested in taking this test for a law enforcement career opportunity but are discouraged by the fee, please complete this Scholarship Request Form. The Clackamas County Sheriff's Office has scholarships available, if you have questions please call the Department of Human Resources at 503-655-8459. All scholarship requests go directly to the Department of Human Resources for processing and approval. The Sheriff's Office will only be informed how many scholarships are granted for each recruitment cycle, not which applicants request the scholarship. Receiving a scholarship has no bearing on your scoring or testing outcomes. Upon acceptance, this scholarship is only valid for Clackamas County Sheriff's Office. You will be notified of your acceptance and sent a voucher number. Please do not sign up for testing until you have received your voucher number. Clackamas County will not forward this scholarship or test results to other agencies.
