**EXECUTIVE SUMMARY:**

The Oregon Department of Justice Crime Victim's Services Division (CVSD) is the State Administrative Agency for the Victims of Crime Act (VOCA) grant programs as authorized by ORS 147.231. Beginning in 2015 the Oregon Department of Justice (DOJ) Crime Victim Services Division has combined the VOCA-NC and CFA into one grant application.

The 8.0 FTE grant funded staff activities and expenses will support & enhance services to victims of crime. These efforts will be to (1) respond to the emotional needs of crime victims, (2) assist victims to stabilize their lives after a victimization, (3) assist victims to understand/participate in the Criminal Justice System while invoking their statutory Victim Rights, and (4) provide victims with a measure of safety and security while restoring a violence free life. As a result of the 1983 Oregon Legislature, ORS 147.227 mandates that county prosecution-based Victim Assistance Programs (VAP) statutorily mandate the following core services in assistance to victims of crime under the funding guidelines of the CFA funding:

- Notify victim of their Victim Rights
- Inform victims, upon request, of the status of the criminal case involving the victim
- Provide advocacy for victims as they move through the criminal justice system

For Filing Use Only

- Assist victims in the preparation of restitution documents
- Prepare victims for court hearings and encouraging & facilitating victim testimony
- Accompany victims to court hearings/Grand Jury/trials/sentencing
- Involve victims in the decision-making process in the criminal justice system
- Inform victims of the processes to request the return of property held as evidence
- Assist victims with the logistics related to court appearances
- Assist victims of crime in the preparation and submission of Crime Victims Compensation Program (CVCP) applications to the Department of Justice

The Victims of Crime Act of 1984 (VOCA) is the only federal grant program supporting direct assistance services to victims of all types of crimes. Federal VOCA funds are passed through the Oregon Department of Justice to victim service organizations throughout the state to extend and enhance services to victims of crime.

In addition to the mandated core services previously listed, the Clackamas County District Attorney's Office - Victim Assistance Program also provides essential support, often life-saving, services to victims of crime, such as:

- Immediate and long-term safety planning
- Crisis intervention and ongoing emotional support
- Assistance in obtaining protective orders
- Counseling and community resource referrals
- Crime scene response with law enforcement
- Call out response to hospital emergency departments for forensic medical exams
- Support for victims regardless of the prosecutorial merits of the case
- Advocacy while navigating the criminal justice system, both pre, and post-adjudication

**RECOMMENDATION:** Staff recommends the Board approval of this request to apply for the 2023-2025 Victims of Crime Act & Criminal Fine Account Non-Competitive Program Grant, with delegation of signing authority to John D. Wentworth and Carrie Walker.

Respectfully submitted,

John D. Wentworth  
District Attorney

## SECTION III: VOCA CFA APPLICATION OVERVIEW

### A. INTRODUCTION

The Oregon Department of Justice - Crime Victim and Survivor Services Division (CVSSD) is the State Administrative Agency (SAA) for the Victims of Crime Act (VOCA) grant programs as authorized by ORS 147.231. Created as part of VOCA, the Crime Victims Fund is made up entirely of fines, fees and other monetary penalties paid by federal criminal offenders.

The Crime Victims Fund established by the VOCA is a major funding source for victim services throughout Oregon. VOCA was passed by Congress and signed into law by President Reagan on October 12, 1984. This Act serves as the central source of federal support providing direct services to victims of all types of crimes. VOCA funds are granted annually to each state by the U.S. Department of Justice, Office for Victims of Crime (OVC). As the SAA, CVSSD sub-grants funds to victim service organizations throughout the state.

Since 2015 when Congress first took an unprecedented step forward to meet the critical needs of our nation's crime victims by increasing the VOCA cap, Oregon began to address the gaps and needs of victims throughout the state. Traditionally, funding has been sufficient to support FTE for core services, however, with the continued increase in VOCA funding, the state has been able to: (1) Build the field's capacity to better serve victims; (2) Begin to address long standing issues in the field; and (3) Identify emerging issues across the state.

**This 2023-2025 VOCA CFA Grant opportunity is a request for eligible applicants to address service delivery issues in Oregon and increase access to services for victims of crime.**

### B. PURPOSE

The primary purpose of the VOCA victim assistance grant program is to extend and enhance services to victims of crime. The VOCA Federal Guidelines define services as those efforts that:

1. Respond to the emotional and physical needs of crime victims.
2. Assist primary and secondary victims of crime to stabilize their lives after victimization.
3. Assist victims to understand and participate in the criminal justice system.
4. Provide victims of crime with a measure of safety and security (e.g., boarding-up broken windows, replacing or repairing locks).

For the purposes of this program, a crime victim is "a person who has suffered physical, sexual, financial or emotional harm as a result of the commission of a crime." This includes victims of city, county, state, federal and tribal crimes.

### C. PRIORITY AREAS

In order to comply with the conditions of the Victims of Crime Act of 1984, Office for Victims of Crime (OVC) requires states to allocate at least 10% of its annual VOCA assistance grant to go to victim services in the following priority categories: domestic violence, child abuse, sexual assault, and previously underserved victims of violent crime. An additional 10% of VOCA funds are allocated to general victim services as determined by the DOJ CVSSD Advisory Committee.

An underserved crime victim is a victim of a violent or other traumatic act that is criminal in nature, as defined by state, tribal, military, or federal statute, who does not receive adequate services and support or who lacks understanding of, or access to, statutorily or constitutionally defined legal rights. Victims are considered underserved by the type of crime they have experienced (e.g., victims of elder abuse) or the demographic characteristics of the crime victim (e.g., LGBTQIA2S+ victims) or both (e.g., victims who are members of racial or ethnic minorities). Underserved victims may differ between jurisdiction, but some examples of victim populations often underserved may include but are not limited to non-English speaking residents; persons with disabilities; American Indian/Alaskan Native victims; adults molested as children. Victim services may be available in a community but may not be provided in a culturally responsive manner, may not be accessible, or may be complicated by overlapping or complex jurisdictional issues.

#### **D. DIRECT SERVICES**

VOCA funds are intended to provide direct services to victims and survivors of crime; direct services are those activities that directly benefit individual crime victims and survivors. Services include, but are not limited to, crisis intervention services; emergency services such as temporary shelter for crime victims and survivors; support services that may include mental health therapy; criminal justice related services; assisting crime victims and survivors with managing practical problems created by the victimization such as acting on behalf of the victim/survivor with creditors and employers; assisting crime victims and survivors with applying for compensation benefits, and providing opportunities for victims and survivors to meet with perpetrators, if so requested by the victim/survivor. VOCA funds may also be used for salary, fringe benefits, and training for staff positions that provide direct services, and operating expenses essential to providing direct services.

Please note that VOCA funds cannot be used to raise the public's consciousness or to educate regarding victim issues. Funds can be used to promote public awareness for matters of describing services available, how to access program assistance and to identify and refer crime victims and survivors to needed services.

#### **E. SPECIFIC REQUIREMENTS TO THE VOCA CFA**

By submitting an application, the applicant signifies its intent to comply with the requirements described here in Section III.C.

##### **1. Advancing Equity and Meaningful Community Engagement**

Equity and meaningful community engagement are rooted in empathy and humility, and demonstrated when organizations are connected to, giving space to, and creating access for people of all walks of life, backgrounds, abilities, culture, and beliefs. Victims and Survivors who choose to participate in programs and services benefit most when they feel a sense of belonging and acceptance. These kinds of environments are fostered when applicants seek out

other voices and perspectives of those with lived experiences to influence the organization's decision making and planning.

Applicant organizations have a responsibility to ensure their services and practices meet the diverse and complex needs of the people and the community they serve. This is best achieved when there is a plan to describe how an organization is intentionally shifting their practices to enhance equity, address oppression, and reduce disparities. For this reason, CVSSD requires that certain applicants demonstrate their commitment to advancing equity with a written plan and/or other materials. Further guidance for what may be included in a written plan is provided on Form D. Advancing Equity and Meaningful Community Engagement of the EGrants application.

CVSSD will evaluate plans and materials to ensure that applicants are taking steps to advance equity through their programs, services, and practices. CVSSD will place supplemental conditions on a grant award for applicants who do not already have written plans and/or materials for advancing equity. Supplemental conditions will instruct applicants to create a plan within 180 days of the first day of the grant award period, including a review of draft materials within the first 90 days. CVSSD fund coordinators will monitor the progress of applicants towards completion of these plans. Applicants must keep in mind possible outcomes of non-compliance outlined in Section II:C should this requirement not be met. Applicants may also consider helpful resources like the [National Equity Project](#), [Why Diversity, Equity, Inclusion Matter for Nonprofits](#) and [Diversity on Nonprofit Boards](#) from the National Council of Nonprofits, or [Strategies to Recruit, Hire & Sustain Diversity in the Workplace](#) from Caminar Latino and the National Resource Center for Reaching Victims.

Applicant organizations have a responsibility to engage with their communities. They do this through outreach to and coordination of services and activities with other service providers. It is especially important that Applicants engage with service providers that represent and serve communities of color, LGBTQIA2S+, people with disabilities, Tribal Nations, and other populations impacted by inequity. This is best achieved when there is a plan that describes how an organization is: (1) listening to and assessing the needs of the community, (2) strengthening existing partnerships and building new partnerships, and (3) conducting outreach to survivors who have not accessed services before. (To learn more about their communities, applicants may refer to resources such as their local [Community Health Assessments/Community Health Improvement Plans](#), ODOJ's [Opening Pathways to Justice and Improving Support for Populations Impacted by Inequity](#), or ODOJ's [Tribal Nations Listening Tour](#).) For this reason, CVSSD requires that certain applicants demonstrate their commitment to meaningful community engagement with a written plan and/or other materials. Further guidance for what may be included in a written plan is provided on Form D. Advancing Equity and Meaningful Community Engagement of the E-Grants application.

CVSSD will evaluate plans and materials to ensure that applicants are taking steps to meaningfully engage the community through its programs, services, and practices. CVSSD will place supplemental conditions on a grant award for applicants who do not already have written

plans and/or materials for meaningful community engagement. Supplemental conditions will instruct applicants to create a plan within 180 days of the first day of the grant award period. CVSSD fund coordinators will monitor the progress of applicants towards completion of these plans, including a review of draft materials within the first 90 days. Applicants must keep in mind possible outcomes of non-compliance outlined in Section II:C should this requirement not be met. Applicants may also consider helpful resources such as the [Nonprofits Integrating Community Engagement Guide](#) from the Building Movement Project, [Best Practices for Meaningful Community Engagement](#) by Groundwork USA, [Meaningful Community Engagement for Health and Equity](#) from the Centers for Disease Control and Prevention, or [University of Kansas' Community Toolbox](#).

**Note:** Involvement in community coordination efforts is a component of, not a substitute for, meaningful community engagement. Applicants are expected to be involved in community coordination efforts such as domestic or sexual violence response teams, child abuse multidisciplinary teams, and local or regional partnerships. These coordination efforts may include Tribal Nations, criminal justice system partners, and other social service providers. Applicants may also propose formal collaborations through non-binding agreements (i.e., Memorandum of Understanding), or by subcontracting or subawarding funds available through this application. If proposing an MOU, subcontract, or subaward, the applicant must show that the partner entity can perform the delegated services, satisfy the grant terms and conditions, and not impair the applicant's provision of services funded through the VOCA CFA Grant. MOUs, subcontracts, and subawards must be reviewed and approved by CVSSD prior to implementation on a VOCA CFA award.

## 2. Meaningful Access to Effective Services

Meaningful access to effective services for all victims and survivors is a longstanding value of the VOCA CFA Grant funds. CVSSD recognizes effective services as victim and survivor centered, trauma-informed, and culturally responsive. Victims & survivors have the right to self-determination and to make informed decisions about the services they receive. This can only happen when organizations and programs respect survivors' cultural, gender, and other intersecting identities and assist them in obtaining and providing services that meet their unique needs. Victims and survivors must be able to express themselves in their preferred language and to receive the necessary accommodations for them to fully participate in services.

In circumstances where other resources are needed for a victim or survivor, applicants may make referrals *only if* those referrals connect them to an appropriate partner organization or program. Referrals should always be "warm hand offs" not "cold drop offs" and made with the consent of the victim or survivor. More importantly, organizations and programs must continue its services with a victim or survivor while it works with another provider to serve that person. This is especially true when working in partnership with culturally specific organizations and Tribal Nations programs. For dominant culture organizations, having these kinds of partnerships does not release them from their obligation to provide culturally specific or culturally responsive services.

CVSSD requires that all applicants demonstrate their commitment to meaningful access to effective services. This is accomplished through written plans and/or other materials that address how the following types of services are provided and evaluated for accessibility and effectiveness:

- Emergency Services
- Culturally specific and/or culturally responsive services (for dominant culture non-profit organizations only)

Applicants may also offer written plans and/or other materials about other services such as:  
Follow-up advocacy when safe and at request of the victim and survivor

- Legal advocacy
- Legal services
- Outreach
- Transportation

Services to victims and survivors must be voluntary and provided at no charge to the survivor. Each source of funding within the VOCA CFA Grant identifies its own requirements for allowable services. Refer to fund-specific information and guidelines to learn more.

CVSSD will evaluate plans and materials to ensure that applicants are taking steps to ensure meaningful access to effective services through its programs, services, and practices. CVSSD accepts materials such as procedure manuals that describe what and how services are delivered and by whom. Applicants may also submit written strategies, methodologies and practices for evaluation and measurement of outputs and outcomes relating to accessibility and effectiveness. CVSSD will place supplemental conditions on a grant award for applicants who do not already have written plans and/or materials for meaningful access to effective services. Supplemental conditions will instruct applicants to create a plan within 180 days of the first day of the grant award period. CVSSD fund coordinators will monitor the progress of applicants towards completion of these plans, including a review of draft materials within the first 90 days. Applicants must keep in mind possible outcomes of non-compliance outlined in Section II:C should this requirement not be met.

Applicants may also consider helpful resources such as [Achieving Excellence: Model Standards for Serving Victims and Survivors of Crime \(Model Standards\)](#) by the Office of Victims of Crime, [Providing Accessible and Effective Services to Survivors of Sexual Assault with Disabilities](#) by End Abuse of People with Disabilities, the National Council of Nonprofits [Evaluation and Measurement of Outcomes](#) or the Community Tool Box [Implementing Effective Interventions, Documenting Progress and Using Feedback](#), and [Making Outcomes Matter](#).

Failure of the applicant to provide information requested in the application shall be the responsibility of the applicant agency/program and may result in disqualification of the applicant. NOTE: The fact that an applicant meets eligibility requirements and applies for eligible services does not guarantee grant funding.

### **Conditional Awards**

All grant agreements issued by CVSSD include requirements that must be satisfied by both parties to the agreement. In addition, CVSSD may include additional conditions when circumstances exist that require a further showing of applicant's ability to successfully manage an award. Examples of such additional conditions include, but are not limited to, a requirement of more frequent reporting to assure timeliness and accuracy, or additional reports to document that sub-recipient is successfully addressing an area of concern. When additional conditions are included in a grant agreement, the sub-recipient's failure to satisfy those conditions shall be governed by the default and termination provisions included in the agreement.

The applicant will be notified that the applicant's award will be finalized, and the sub-award documents are executed only if the additional conditions are satisfied in a timely manner. The notice shall specify the conditions to be satisfied by the applicant and the date by which each condition must be satisfied. If the conditions are satisfied within the prescribed time frame, the award will then be finalized, and award documents can be executed. Applicants who do not satisfy award conditions by the date specified shall be notified in writing that the conditions have not been satisfied and the conditional award has been withdrawn.

### **Payment of Awards**

All payments are contingent upon funds being appropriated and available for distribution.

**VOCA** sub-award payments are quarterly and made on a reimbursement basis, meaning that grant funds are paid to the grantee agency/program after expenditures have been made. Payments to sub-recipients are made when CVSSD approves submitted quarterly Financial Reports, accompanied by all required progress and statistical reports due for that reporting period. Sample language as to the payment of VOCA awards and the conditions

precedent to payment are included in the sample CVSSD VOCA Grant Agreement which can be viewed on the CVSSD website.

**CFA** grant award payments are made prospectively on a quarterly basis and not on a reimbursement basis. During a 24-month grant award, the first of 8 equal quarterly payments will be made upon the completion of all required grant documents, including execution of the CVSSD CFA Grant Agreement. Subsequent quarterly payments are made when CVSSD approves submitted quarterly Financial Reports accompanied by all required progress and statistical reports due for that reporting period. timely manner. Please see the “Termination and Default” section of the CVSSD Grant Agreement for information.

### **C. REPORTING REQUIREMENTS**

Reporting for this application will be done through the CVSSD E-Grant system, and as appropriate, in Office for Victims of Crime (OVC) Performance Measure Tool (PMT) online system. Details on reporting in the OVC PMT online system will be provided when awards are final. Reporting schedules can be located on the award Grant Agreement COVER PAGE and on the CVSSD website.

#### **FINANCIAL REPORTING:**

Grantees must submit a quarterly Financial Report form. - Number of requests for services that were unmet because of organizational capacity issues; please explain.
- Does your program/agency formally survey clients for feedback on services received? All VOCA sub-recipients must say ‘yes’.
- Number of surveys distributed (includes, but is not limited to, those distributed by hand, mail or other method). Simply add up your quarterly numbers.

VOCA Annual Report question in CVSSD E-Grants: Grantee’s must answer narrative questions in CVSSD E-grants progress reports forms. CVSSD collates grantee’s responses into the annual Performance Report which CVSSD submits to OVC. These questions will appear in your E-grants Progress Report due on OCTOBER 31.

- Describe ways that your agency/program promoted the coordination of public & private efforts within the community to help victims of crime.

- Outline any staffing retention issues that your agency/program had and why these issues have occurred during the reporting period (e.g., staff turnover due to low salary & benefits, COVID related, heavy workload, retirement, change of profession, relocation, change in lifestyle, etc). Without providing names, provide a narrative that includes all staff retention issues for this reporting time.
- Explain the methods your agency/program utilized to publicize its victim assistance funding for services to victims of crime during the reporting period.
- Explain how your agency/program was able to provide direct funding to new/underserved populations during the reporting period.
- Explain how your agency/program was able to respond to identified gaps in services. Be explicit, as CVSSD is aware that all agency/programs have gaps in services. Do not enter “no gaps.”

VOCA & CFA Statistical Reporting Requirement: CVSSD Grant Agreement requires a grantee to report statistical data on a quarterly basis in the OVC-PMT and E-Grants. VOCA ONLY stats are reported in PMT. CFA and ALL VAP stats are reported in E-Grants. Additional information will be provided once there is an award.

All statistical data must be as accurate as possible. Therefore, grantee’s must be able to distinguish between new and ongoing clients. It is essential that the proper data be collected and reported. If requested by CVSSD, all grantee’s must be able to verify their reported statistical data.

All grantee’s receiving VOCA funds are required to complete and submit the CVSSD Common Outcome Measures reporting form in CVSSD E-Grants. CVSSD reserves the right to adjust or modify these measures and target outcomes, as well as the procedures and forms for collecting

the information. If adjustments are required, a grantee will be provided sufficient notice to make the required changes.

#### **D. SCHEDULE FOR REQUIRED REPORTS**

The complete reporting schedule for all CVSSD grants is available at <https://www.doj.state.or.us/crime-victims/for-grantees/reports-and-publications/>

#### **E. COMMON OUTCOME MEASURES & COLLECTING CLIENT FEEDBACK**

All VOCA grant recipients are required to collect feedback on services provided using the currently prescribed Common Outcome Measures listed below. The client feedback is not tied to a specific VOCA funded project, but rather to ALL victim services provided by the program. Programs are asked to collect client feedback from at least 10% of appropriate clients with the goal of a 90% positive response.

Grantees are only obligated to survey appropriate clients and should specify which clients will be surveyed via an internal, agency/program policy. Example: no clients in crisis would be appropriate, whereas clients receiving follow-up services may be more appropriate to complete the survey. Programs may use client feedback forms already in use in their agency.

ALL programs are required to include the following measure that will be common across all VOCA funded programs:

- 1. “The (insert name of agency/program) provided me with services that helped me make informed choices about my situation.”***

IN ADDITION, programs must ask the following appropriate two discipline specific measures:
