Results within 1-2 days from receipt of the sample at the lab

Schedule an appointment at [cur.tv/canby](https://cur.tv/canby)

# OHA COVID-19 Hotline and Website

**COVID-19 Support Hotline**

New Oregon Health Authority resource for those who have tested positive and for COVID-19 questions

The infographic is a blue rectangular card with white text and colorful illustrations. It lists six services offered by the COVID-19 Support Hotline, arranged in two rows of three. Each service is accompanied by a small illustration: a speech bubble with 'Q' and 'A' for general health information; a person in a green jacket covering their mouth for isolation and quarantine information; two people talking for advice on how to talk to close contacts; a person reading a book for resources to help with isolation; a clipboard with a checklist and a pencil for help with reporting of positive test result; and three speech bubbles with 'Hi!', '嗨', and 'Hola!' for multiple languages available.

- General health information
- Isolation and quarantine information
- Advice on how to talk to close contacts
- Resources to help with isolation
- help with reporting of positive test result
- Multiple languages available

**Call: 866-917-8881 or visit [Oregon.gov/positivecovidtest](https://Oregon.gov/positivecovidtest)**

Phone hours: 8am-6pm Monday-Friday, 10am-4pm Saturday

- Report positive at-home or testing provider COVID-19 tests
- Take a 20-45 minute online survey
- Get information about what to do if you test positive

# Boost Up, Clackamas!

- Primary series **plus a booster** dose gives over 70% protection against omicron
- Anyone age 12+ can get a booster dose
- Wait five months after second dose of a Pfizer vaccine or Moderna vaccine
- 12-17 year olds are only eligible to receive the Pfizer vaccine
- Anyone 18 and older should get a booster dose two months after a Johnson & Johnson dose
