Report of Independent Auditors on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

The Board of County Commissioners Clackamas County, Oregon

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Clackamas County, Oregon (the County) as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated May 16, 2024. Our report includes a reference to other auditors who audited the financial statements of Easton Ridge, LLC, Pedcor Investments 2016-CLV LP, Hillside Manor LP, Webster Road Housing LP, and Workforce Investment Council of Clackamas County, Inc. dba Clackamas Workforce Partnership, aggregate discretely presented component units, as described in our report on the County's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a certain deficiency in internal control, described in the accompanying scheduling of findings and questioned costs as item 2023-001, that we consider to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The County's Response to the Finding

Government Auditing Standards requires the auditor to perform limited procedures on the County's response to the finding identified in our audit and described in the accompanying schedule of findings and questioned costs. The County's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

Moss Adams UP

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report of Independent Auditors on Compliance for Each Major Federal Program; Report on Internal Control Over Compliance; and Report on the Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

The Board of Commissioners Clackamas County, Oregon

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Clackamas County, Oregon's (the County) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended June 30, 2023. The County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

The County's basic financial statements include the operations of the Housing Authority of Clackamas County (the Authority) and Workforce Investment Council of Clackamas County, Inc. dba Clackamas Workforce Partnership (CWP), which expended \$29,192,427 and \$2,375,182, respectively, in federal awards which are not included in the County's schedule of expenditures of federal awards for the year ended June 30, 2023. Our audit, described below, did not include the operations of the Authority because the Authority elected to perform a separate audit on compliance over the Authority's separately issued schedule of expenditures of federal awards for the year ended June 30, 2023. Our audit also did not include CWP because CWP engaged other auditors to perform a separate audit on compliance over CWP's separately issued schedule of expenditures of federal awards for the year ended June 30, 2023.

In our opinion, the County complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the County's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the County's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the County's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the County's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and
 design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding the County's compliance with the compliance
 requirements referred to above and performing such other procedures as we considered
 necessary in the circumstances.
- Obtain an understanding of the County's internal control over compliance relevant to the audit in
 order to design audit procedures that are appropriate in the circumstances and to test and report
 on internal control over compliance in accordance with the Uniform Guidance, but not for the
 purpose of expressing an opinion on the effectiveness of the County's internal control over
 compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify a certain deficiency in internal control over compliance that we consider to be a significant deficiency.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2023-002 to be a significant deficiency.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the County's basic financial statements. We issued our report thereon dated May 16, 2024, which contained unmodified opinions on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Schedule of Expenditures of Federal Awards (the Schedule) is presented using the modified accrual basis of accounting, which is described in Note 1 to the basic financial statements of Clackamas County, Oregon (the County). Such expenditures are recognized following the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) wherein certain types of expenses are not allowable or are limited as to reimbursement. The pass-through entity identifying numbers are presented where applicable.

2. <u>ELECTION OF DE MINIMIS INDIRECT COST RATE</u>

During the fiscal year ended, June 30, 2023, the County did not elect to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

3. BASIS OF PRESENTATION

The Schedule presents the activity of all federally-funded programs of the County, except for the Housing Authority of Clackamas County (HACC) and the Workforce Investment Council of Clackamas County, Inc. (dba Clackamas Workforce Partnership), which issue separate reports. The reporting entity is defined in Note 1 to the County's basic financial statements. The information in the Schedule is presented in accordance with the requirements of the Uniform Guidance. Because the Schedule presents only a selected portion of the operations of the County, it is not intended to and does not present the financial position, changes in financial position, or the cash flows of the County.

4. REVOLVING LOAN PROGRAMS

The County makes loans to developers for the construction of low-income housing units. The seed money for these loans used to establish the program initially was provided through Federal funds under the Rural Development Multi-Family Housing Revitalization Demonstration Program (ALN #10.447), Community Development Block Grants/Entitlement Grants (ALN #14.218), HOME Investment Partnerships Program (ALN #14.239), and Neighborhood Stabilization Program (ALN #14.256); The County's responsibility over these loans is to ensure that a specified percentage of the total rental units are rented to low-income individuals, and the ongoing compliance requirements relate to the accumulated loan balances.

The outstanding loan balances as of June 30, 2023, consists of:

<u>ALN</u>	<u>Program Name</u>	Outstanding Balance
10.447	The Rural Development (RD) Multi-Family Housing Revitalization Demonstration Program	\$50,000
14.218	Community Development Block Grants/Entitlement Grants (Direct Federal)	\$4,485,236
14.218	Community Development Block Grants/Entitlement Grants (NSP-1 HERA Passed through OHCS)	\$1,127,938
14.239	Home Investment Partnerships Program	\$19,245,629
14.256	Neighborhood Stabilization Program (Recovery Act Funded) (NSP-2 ARRA Passed through OHCS)	\$428,223

CLACKAMAS COUNTY, OREGON SCHEDULE OF FINDINGS AND QUESTIONED COSTS FOR THE YEAR ENDED JUNE 30, 2023

Section II – Financial Statement Findings

FINDING 2023-001—Significant Deficiency in Internal Control over Financial Reporting – Timeliness and Accuracy of Reconciliations for the Housing Authority of Clackamas County

Criteria – Account reconciliation should be prepared timely and accurately and include all relevant transactions that have occurred. In doing so, general ledger balances would then be accurate and complete and meet the requirements of generally accepted accounting principles (GAAP) by following financial reporting standards of the Governmental Accounting Standards Board (GASB).

Condition – Due to a software conversion, the Housing Authority of Clackamas County (the Authority) prepared reconciliations for audit months later, which required significant edits and multiple versions. In addition, management has not properly updated the financial close and reporting schedule following the software conversion. The delay in the preparation of reconciliations delayed the completion of the County's ACFR preparation as well as the County's audit for which extensions were requested and granted to account for the delay in the Authority's financial reporting process.

Context – The Authority is tasked with submitting unaudited financial statements to the US Department of Housing and Urban Development (HUD) by August 31 and filing the audited financial statements to the State of Oregon by December 31. The HUD deadline was not met, and the State deadline was extended to April 30, 2024. If the reconciliations were prepared in a complete and accurate manner, the State of Oregon extension would not be necessary for the Authority.

Cause – The Authority completed a software conversion in July 2023, which required a lot more time than expected and delayed the reconciliation and financial close process.

Effect – Additional time was needed for Authority staff to complete the reconciliations.

Recommendation – We recommend the Authority update the financial close and reporting schedule to ensure all reconciliation are prepared timely and accurately. We further recommend the County engage with the Authority and verify reconciliations are completed in a timely manner to ensure timely financial reporting.

Views of Responsible Officials – Management agrees with the recommendation.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

FOR THE YEAR ENDED JUNE 30, 2023

Section III – Federal Award Findings and Questioned Costs

FINDING 2023-002 - Reporting - Significant Deficiency in Internal Controls over Compliance

Federal Assistance Listing Numbers	Federal Agency/Pass-through Entity - Program Name	Award Number	Award year	Questioned Costs
93.224,	COVID-19 – Health Center	N/A	2023	None
93.527	Program Cluster			Reported

Criteria or specific requirement: As a condition of the award, the County is required to submit a Federal Financial Report (FFR) annually.

Condition: During our testing, we were provided with documentation that indicated the County did not file FFR by the due date specified in the award document.

Context: Of the 5 reports available for testing, we randomly selected three FFRs filed during fiscal year 2023 noting all were filed untimely.

Effect: The reports were not filed by the due date specified in the award document.

Cause: The County does not have an effective control in place to monitor reporting timelines.

Repeat finding: No.

Recommendation: We recommend the County work to establish an internal tracking system to memorialize reporting deadlines and track the submission of required reports under the program.

Views of responsible officials: Management agrees with the finding and auditor recommendation.

May 16, 2024

In accordance with OMB Uniform Guidance, we have provided below Clackamas County's response and corrective action plan addressing the finding in the "Report of Independent Auditors on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*" for the fiscal year that ended June 30, 2023.

<u>Finding 2023-001: Reporting – Significant Deficiency in Internal Control over Financial Reporting – Timeliness and Accuracy of Reconciliations for the Housing Authority of Clackamas County</u>

Management agrees with the finding and the auditor's recommendation.

Contact Person responsible for corrective action:

Patrick Williams
Deputy Finance Director
pwilliams@clackamas.us
971-325-5392

Corrective Action Planned:

Procedures will be incorporated into the County workflow to provide additional monitoring and oversight of the financial close and reporting schedule for the Housing Authority of Clackamas County. These will include:

- Regular meetings with Authority management and staff to communicate status updates on implementation of new ERP and reconciliations.
- Verification and review of Authority's reconciliations.
- Communicate County audit deadlines and requests to enhance collaboration between the Authority and the County in the preparation of the Annual Comprehensive Financial Report.

Anticipated Completion Date:

Corrective action plan will be implemented immediately, and progress will be ongoing.

Finding 2023-002: Reporting - Significant Deficiency in Internal Control over Compliance

Management agrees with the finding and the auditor's recommendation.

Contact Person responsible for corrective action:

Patrick Williams
Deputy Finance Director
pwilliams@clackamas.us
971-325-5392

Corrective Action Planned:

Procedures will be incorporated into the County workflow to provide additional monitoring, oversight, and record retention related to reporting. These will include:

- Compiling a comprehensive inventory of grants and reporting deadlines, including for reporting submitted by departments.
- Timely monitoring for the status of reporting and tracking of extensions.
- Obtain copies of all grant reports and documentation of extensions
- Report status of pending and/or delinquent reports due to funding sources at quarterly Finance/Performance Clackamas Check-in meetings with the Health, Housing & Human Services Director's Office.

Anticipated Completion Date:

September 30th, 2024

Summary Schedule of Prior Audit Findings for the Fiscal Year Ended June 30, 2022

Federal Award Findings and Questioned Costs

Finding 2022-001 – Reporting – Significant Deficiency in Internal Controls over Compliance

Federal Agency: Department of Treasury

Federal Program: 21.023, COVID-19 – Emergency Rental Assistance Program

Condition: We were unable to obtain evidence supporting the timely submission of monthly special reporting required under the program. This issue did not extend to the quarterly reporting required under the program.

Recommendation: We recommend the County work to establish an internal tracking system to memorialize reporting deadlines and track the submission of required reports under the program. Such a system should include a control ensuring evidence of granted extensions for reports are documented and maintained for an appropriate period.

Status of Finding: Previously reported corrective action implemented. Resolved.
