

WE ARE OPEN

In keeping with the directions from State and Local authorities and the courts regarding the COVID-19 outbreak, the Clackamas County District Attorney's Office is altering our operations to keep the public and our staff safe. Our office will remain open and available to the public, but our front desk will be closed. You will continue to be able to access our services via, phone, voicemail, email, fax and US Mail. Please see the frequently asked questions below if you need immediate assistance. Stay home, and stay safe.
