

# CLACKAMAS COUNTY BOARD OF COUNTY COMMISSIONERS

## Policy Session Worksheet

**Presentation Date:** 9/29/2020    **Approx. Start Time:** 2:30pm

**Approx. Length:** 30 min

**Presentation Title:** 2021 Small Grants Recommendation

**Department:** County Administration

**Presenter:** Caroline Hill

### **WHAT ACTION ARE YOU REQUESTING FROM THE BOARD?**

Staff requests approval of the 2021 Small Grants recommendation.

### **EXECUTIVE SUMMARY:**

The Clackamas County Board of Commissioners approved \$250,000 in the 2021/22 FY budget to fund the 2021 Small Grants Program. This is the 13th year of the program. The goal is to support agencies that are making an effort to develop and implement innovative projects that would help the County's most vulnerable families, seniors, and others meet their basic needs such as food assistance and abuse prevention. In 2019, The Board directed that priority be given to those organizations serving the Community Prosperity Collaborative areas (Estacada, Canby and North Clackamas), while still ensuring that the monies reached as much of the County as possible. Preference was also given to those who meet the following criteria:

- Prevent occurrence of larger, more dire problems later;
- Save money later through early intervention;
- Serve people throughout the community.

In 2020, however, we were faced with COVID-19, which has had a tremendous impact on the community and the organizations that serve them. Additionally, we are seeing an increased focus on racial justice. Based on all this, the Board approved additional criteria for the 2020 Small Grants applications, which we continued for the 2021 cycle:

- Fill an unanticipated expense gap due to COVID-19;
- Encourage partnerships to increase community impact;
- Prioritize projects using a Black, Indigenous and People of Color (BIPOC) lens.

For the 2021 cycle, Administration staff, along with Public and Government Affairs (PGA) and Technology Services continued to work to increase awareness and ease of use of our website and application process. The information and application were translated into five different languages: Spanish, Chinese, Vietnamese, Russian, and Korean. We continued to use the online application, which has demonstrated to be an effective and easy way for organizations to turn in their applications, although we also provided an application in Word format for those that did not have the technology to submit it online.

We received 69 applications for a total request of \$759,990.40. This is a decrease in both applications and total amount requested. Last year there were 78 applications, which totaled \$873,411. Of the 69 applications, 19 were new applicants, equaling 28% new applicants as

compared to last year's 33%. A variety of factors could be attributed to the decrease in both number of applications and number of new applicants but nothing concrete has been identified at this time.

This year's committee included Caroline Hill, Small Grants Coordinator; Everett Wild, Commission Policy Advisor; Phillip Mason-Joyner, Public Health Director, Jennifer Harvey, Employment and Training Services Manager for Health Housing and Human Services, and Carlina Arango, Sustainability Analyst for the Department of Transportation and Development.

Information was distributed to committee members in August for review prior to three subsequent meetings on September 8, 9, and 13. Each application was reviewed using the previously discussed criteria by the committee and the attached recommendation was prepared.

Today staff is seeking approval from the Board of the recommendations in attachment 1.

**FINANCIAL IMPLICATIONS (current year and ongoing):**

Is this item in your current budget?  YES  NO

What is the cost? \$250,000 What is the funding source? General Fund

**STRATEGIC PLAN ALIGNMENT:**

- How does this item align with your Department's Strategic Business Plan goals?

N/A

- How does this item align with the County's Performance Clackamas goals?

To ensure safe, healthy and secure communities by partnering, through grants, with nonprofits working in Clackamas County to serve the most vulnerable populations to ensure food availability, eviction/houselessness prevention, as well as providing services for at-risk youth and vulnerable seniors and veterans.

**LEGAL/POLICY REQUIREMENTS:**

N/A

**PUBLIC/GOVERNMENTAL PARTICIPATION:**

- The Small Grants information was translated into five languages: Spanish, Chinese, Russian, Vietnamese, and Korean.

**OPTIONS:**

1. Approve the 2021 Small Grants recommendation as presented.
2. Amend and approve the 2021 Small Grants recommendation.

**RECOMMENDATION:**

Staff respectfully requests Board approval of option 1; approve the 2021 Small Grants recommendation as presented.

**ATTACHMENTS:**

- 2021 Small Grants Recommendations
- 2021 List of Applications Not Recommended for Funding

**SUBMITTED BY:**

Division Director/Head Approval \_\_\_\_\_
