SHALL THE CITY IMPOSE \$0.49 PER \$1,000.00 OF ASSESSED PROPERTY VALUE FOR FIVE YEARS, 2022-2027, FUNDING SWIM CENTER OPERATIONS? THIS MEASURE RENEWS CURRENT LOCAL OPTION TAXES.

**Summary** 175 words which concisely and impartially summarizes the measure and its major effect.

This measure asks Canby voters to approve a renewal of a five-year local option tax levy for the Canby Swim Center. The current five-year local option tax levy for the Canby Swim center expires next year, and this measure asks Canby voters to continue for another five years at the same rate currently being paid. The property tax revenue would be used to fund current swim center services and provide for future pool maintenance. This levy is based on a fixed rate of \$0.49 per \$1,000.00 of assessed property value. The levy would be imposed for five years, beginning in fiscal year 2022-2023. Estimated total amount of money to be raised by this tax is \$5,005,114 the estimated amount raised each year as follows:

2022-2023 \$942,931  
2023-2024 \$971,089  
2024-2025 \$1,000,122  
2025-2026 \$1,030,055  
2026-2027 \$1,060,917

**MEASURE RENEWING A FIVE-YEAR LOCAL OPTION LEVY FOR THE CANBY SWIM CENTER**

Measure No. \_\_\_\_\_

Word Total 298 (500 max)

Since 1970, the Canby Swim Center has provided swimming lessons for all ages, water exercise and therapy classes, lap swimming, water safety training, parent-child classes, the Canby Gators swim club and the Penguin Club (a junior swim team during the summer). The Canby Swim Center also partners with Canby Schools to provide a place for practice and competitions. It is also available for private rentals and events.

Currently, funding for the maintenance and operation of the Canby Swim Center is provided by three sources including fees, concession sales, and the five-year Swim Center Levy last approved by voters in 2016. According to the forecasted Swim Center budget for 2022, the fees and concession sales will only provide approximately 20% of the total operating revenue leaving the remaining 80% to be funded by the local option levy. Renewal of this levy would allow the swim center to continue to maintain the present level of service and provide scheduled, necessary maintenance for the Swim Center for next five years. Absent the passage of this levy there is no identified source of additional funding to keep the Swim Center operating.

The Canby Swim Center is currently staffed with a full-time, certified Facility Operator, a full-time, certified Program Manager, and a full-time Program Coordinator, as well as part-time certified lifeguards and swim instructors.

This renewal is a continuation of the same rate currently paid throughout the last five years under the current swim levy. This levy is based on a fixed rate of \$0.49 per \$1000 of assessed property value. The estimated total amount of money to be raised by this tax levy is approximately \$5,005,114 over the five year period. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor.
